II. Background

The PAPPG contains consolidated Public Assistance (PA) Program policies for the entire disaster recovery life cycle. The PAPPG provides comprehensive PA policy to use when evaluating eligibility. The PAPPG references and provides weblinks to other FEMA policies and documents such as standard operating procedures and job aids that provide detailed instructions for individuals involved with implementing each of the various steps. This proposed version 5 of the PAPPG would streamline ways for our customers to meet requirements through reducing documentation needs to meet eligibility, increase accessibility to the PA program and funding, promote the equitable treatment and timely recovery of communities, and effectuate resilient rebuilding through additional cost-effective hazard mitigation measures. The proposed policy does not have the force and effect of law.

FEMA seeks comment on the proposed policy, which is available online at <https://www.regulations.gov> under docket ID FEMA-2024-0010. Based on the comments received, FEMA may make appropriate revisions to the proposed policy. When or if FEMA issues a final policy, FEMA will publish a notice of availability in the **Federal Register** and make the final policy available at <https://www.regulations.gov>. The final policy will not have the force and effect of law.

ACTION: 30-Day notice and request for comments; revision request.

SUMMARY: The Department of Homeland Security, Civil Rights Civil Liberties, DHS will submit the following information collection request (ICR) to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995. DHS previously published this information collection request (ICR) in the **Federal Register** on February 8, 2024, for a 60-day public comment period. No comments were received by DHS. The purpose of this notice is to allow additional 30-days for public comments.

DATES: Comments are encouraged and will be accepted until July 18, 2024. This process is conducted in accordance with 5 CFR 1320.10.

Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

The Office of Management and Budget is particularly interested in comments which:

SUPPLEMENTARY INFORMATION: Recipients of federal financial assistance from the Department of Homeland Security

(DHS) are required to meet certain legal requirements relating to nondiscrimination and nondiscriminatory use of federal funds. Those requirements include ensuring that entities receiving Federal financial assistance from the DHS do not deny benefits or services, or otherwise discriminate on the basis of race, color, national origin, disability, age, sex, or religion, in accordance with Title VI of the Civil Rights Act of 1964 (Title VI) Public Law 88–352, 42 U.S.C. 2000d–1 *et seq.*; 6 CFR part 21; 44 CFR part 7; Section 504 of the Rehabilitation Act of 1973 (Section 504), Public Law 93–112, as amended by Public Law 93–516, 29 U.S.C. 794; Title IX of the Education Amendments of 1972 (Title IX), 20 U.S.C. 1681 *et seq.*; 6 CFR part 17; 44 CFR part 19; Age Discrimination Act of 1975, Public Law 94–135, 42 U.S.C. 6101 *et seq.*; 44 CFR part 7 and 6 CFR part 19.

DHS uses DHS Form 3095: DHS Civil Rights Evaluation Tool as the primary tool to implement this information collection. DHS uses the form to collect civil rights related information from all recipients of federal financial assistance from the Department. The purpose of the information collection is to advise recipients of their civil rights obligations and collect pertinent civil rights information to ascertain if the recipient has in place adequate policies and procedures to achieve compliance, and to determine what, if any, further action may be needed (technical assistance, training, compliance review, etc.) to ensure the recipient is able to meet its civil rights requirements and will carry out its programs and activities in a nondiscriminatory manner.

DHS is revising the collection, changing *Section 1* of the form on *Instructions* to extend the deadline for initial submissions from 30 days of receipt of the Notice of Award to 60 days; to update the method of submission from email to an online portal, and to make other minor clarifying revisions. DHS is also making minor changes to *Section 2* of the form on *Organization Information* to remove the fields for reporting Grant Agreement Number and Federal Award Identification Number; DHS now obtains that information from Department data sources. In addition, DHS is making minor changes to *Section 5* of the form on *Additional Information* to streamline communication with recipients by providing a single, centralized point of contact for questions and technical assistance. Lastly, DHS is changing the name of the collection from “DHS Civil

Rights Compliance Form” to “DHS Civil Rights Evaluation Tool.”
