[RTID 0648–XE040]

Taking and Importing of Marine Mammals

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; affirmative finding annual renewals for Ecuador, El Salvador, Guatemala, Mexico, Peru, and Spain.

SUMMARY: The NMFS Assistant Administrator (Assistant Administrator) has completed an affirmative finding annual renewal for the Governments of Ecuador, El Salvador, Guatemala, Mexico, Peru, and Spain (referred to hereafter as “The Nations”) under the portions of the Marine Mammal Protection Act (MMPA) related to the eastern tropical Pacific Ocean (ETP) tuna purse seine fishery and the importation of yellowfin tuna from nations participating in this fishery. These affirmative findings will continue to allow the importation into the United States of yellowfin tuna and yellowfin tuna products harvested in the ETP for 1 year, in compliance with the Agreement on the International Dolphin Conservation Program (AIDCP), by purse seine vessels operating under The Nations’ jurisdiction or exported from The Nations. NMFS bases the affirmative finding annual renewals on reviews of documentary evidence submitted by the Governments of The Nations and of information obtained from the Inter-American Tropical Tuna Commission (IATTC).

DATES: These affirmative finding annual renewals are effective for the 1-year period of April 1, 2024, through March 31, 2025.

FOR FURTHER INFORMATION CONTACT: Justin Greenman, West Coast Region, NMFS, by mail: 501 W Ocean Blvd., Suite 4200, Long Beach, CA 90802, email: justin.greenman@noaa.gov, or phone: (562) 980–3264.

SUPPLEMENTARY INFORMATION: The MMPA, 16 U.S.C. 1361 *et seq.*, allows for importation into the United States of yellowfin tuna harvested by purse seine vessels in the ETP from a nation with jurisdiction over purse seine vessels with carrying capacity greater than 400 short tons that harvest tuna in the ETP, only if the nation has an “affirmative finding” issued by the NMFS Assistant Administrator. See section 101(a)(2)(B)

of the MMPA, 16 U.S.C. 1371(a)(2)(B); see also 50 CFR 216.24(f)(6)(i). If requested by the government of such a nation, the Assistant Administrator will determine whether to make an affirmative finding based upon documentary evidence provided by the government, the IATTC, or the Department of State.

The affirmative finding process requires that the harvesting nation is meeting its obligations under the AIDCP and its obligations of membership in the IATTC. Every 5 years, the government of the harvesting nation must request a new affirmative finding and submit the required documentary evidence directly to the Assistant Administrator. On an annual basis, NMFS must determine whether the harvesting nation continues to meet the requirements of their 5-year affirmative finding. NMFS does this by reviewing the documentary evidence from the last year. A nation may provide information related to compliance with AIDCP and IATTC measures directly to NMFS on an annual basis or may authorize the IATTC to release the information to NMFS to annually renew an affirmative finding determination without an application from the harvesting nation.

An affirmative finding will be terminated, in consultation with the Secretary of State, if the Assistant Administrator determines that the requirements of 50 CFR 216.24(f) are no longer being met or that a nation is consistently failing to take enforcement actions on violations, thereby diminishing the effectiveness of the AIDCP.

As a part of the affirmative finding process set forth in 50 CFR 216.24(f)(8), for this annual renewal, the Assistant Administrator considered documentary evidence submitted by the Governments of The Nations and obtained from the IATTC and has determined that The Nations have met the MMPA’s requirements to receive affirmative finding annual renewals.

After consultation with the Department of State, the Assistant Administrator issued affirmative finding annual renewals to The Nations, allowing the continued importation into the United States of yellowfin tuna and products derived from yellowfin tuna harvested in the ETP by purse seine vessels operating under The Nations’ jurisdiction or exported from The Nations. Issuance of affirmative finding annual renewals for The Nations does not affect implementation of an intermediary nation embargo under 50 CFR 216.24(f)(9), which applies to exports from a nation that exports to the United States yellowfin tuna or

yellowfin tuna products that was subject to a ban on importation into the United States under section 101(a)(2)(B) of the MMPA, 16 U.S.C. 1371(a)(2)(B).

These affirmative finding annual renewals for The Nations are for the 1-year period of April 1, 2024, through March 31, 2025. The Nations’ individual 5-year affirmative findings, which have varying start and end dates, remain valid. El Salvador’s 5-year affirmative finding will remain valid through March 31, 2028. Peru’s 5-year affirmative findings will remain valid through March 31, 2027. Ecuador, Guatemala, Mexico, and Spain’s 5-year affirmative findings will remain valid through March 31, 2025, subject to subsequent annual reviews by NMFS.

Dated: June 25, 2024.

Janet Coit,

*Assistant Administrator for Fisheries,
National Marine Fisheries Service.*

Taking and Importing of Marine Mammals

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; new 5-year affirmative finding for Colombia.

SUMMARY: The NMFS Assistant Administrator (Assistant Administrator) has issued a new 5-year affirmative finding for the Government of Colombia under the portions of the Marine Mammal Protection Act (MMPA) related to the eastern tropical Pacific Ocean (ETP) tuna purse seine fishery and the importation of yellowfin tuna from nations participating in this fishery. This affirmative finding will allow the importation into the United States of yellowfin tuna and yellowfin tuna products harvested in the ETP, in compliance with the Agreement on the International Dolphin Conservation Program (AIDCP), by purse seine vessels operating under Colombia’s jurisdiction or exported from Colombia. NMFS bases the affirmative finding determination on reviews of documentary evidence submitted by the Government of Colombia and of information obtained from the Inter-American Tropical Tuna Commission (IATTC).

DATES: This new affirmative finding is effective for the 5-year period of April 1, 2024, through March 31, 2029.

FOR FURTHER INFORMATION CONTACT: Justin Greenman, West Coast Region, NMFS, by mail: 501 W Ocean Blvd., Suite 4200, Long Beach, CA 90802, email: justin.greenman@noaa.gov, or phone: (562) 980-3264.

SUPPLEMENTARY INFORMATION: The MMPA, 16 U.S.C. 1361 *et seq.*, allows for importation into the United States of yellowfin tuna harvested by purse seine vessels in the ETP from a nation with jurisdiction over purse seine vessels with carrying capacity greater than 400 short tons that harvest tuna in the ETP, only if the nation has an “affirmative finding” issued by the NMFS Assistant Administrator. See section 101(a)(2)(B) of the MMPA, 16 U.S.C. 1371(a)(2)(B); see also 50 CFR 216.24(f)(6)(i). If requested by the government of such a nation, the Assistant Administrator will determine whether to make an affirmative finding based upon documentary evidence provided by the government, the IATTC, or the Department of State.

The affirmative finding process requires that the harvesting nation is meeting its obligations under the AIDCP and its obligations of membership in the IATTC. Every 5 years, the government of the harvesting nation must request a new affirmative finding and submit the required documentary evidence directly to the Assistant Administrator. On an annual basis, NMFS must determine whether the harvesting nation continues to meet the requirements of their 5-year affirmative finding. NMFS does this by reviewing the documentary evidence from the last year. A nation may provide information related to compliance with AIDCP and IATTC measures directly to NMFS on an annual basis or may authorize the IATTC to release the information to NMFS to annually renew an affirmative finding determination without an application from the harvesting nation.

An affirmative finding will be terminated, in consultation with the Secretary of State, if the Assistant Administrator determines that the requirements of 50 CFR 216.24(f) are no longer being met or that a nation is consistently failing to take enforcement actions on violations, thereby diminishing the effectiveness of the AIDCP.

As a part of the affirmative finding process set forth in 50 CFR 216.24(f)(8), the Assistant Administrator considered documentary evidence submitted by the Government of Colombia and obtained from the IATTC, and has determined

that Colombia has met the MMPA’s requirements to receive a new 5-year affirmative finding.

After consultation with the Department of State, the Assistant Administrator issued a new 5-year affirmative finding to Colombia, allowing the importation into the United States of yellowfin tuna and products derived from yellowfin tuna harvested in the ETP by purse seine vessels operating under Colombia’s jurisdiction or exported from Colombia. Issuance of a new 5-year affirmative finding for Colombia does not affect implementation of an intermediary nation embargo under 50 CFR 216.24(f)(9), which applies to exports from a nation that exports to the United States yellowfin tuna or yellowfin tuna products that was subject to a ban on importation into the United States under section 101(a)(2)(B) of the MMPA, 16 U.S.C. 1371(a)(2)(B).

This new affirmative finding for Colombia is for the 5-year period of April 1, 2024, through March 31, 2029, subject to subsequent annual reviews by NMFS.

Dated: June 25, 2024.

Patent and Trademark Office

[Docket No.: PTO-P-2024-0032]

Impact of the Proliferation of AI on Prior Art and PHOSITA: Notice of Public Listening Session

AGENCY: United States Patent and Trademark Office, U.S. Department of Commerce.

ACTION: Notice of public listening session.

SUMMARY: The United States Patent and Trademark Office (USPTO) plays an important role in incentivizing and protecting innovation, including innovation enabled by artificial intelligence (AI), to ensure continued U.S. leadership in AI and other emerging technologies (ET). On April 30, 2024, the USPTO published a request for comments (RFC) in the **Federal Register** regarding the impact of the proliferation of AI on prior art, the knowledge of a person having ordinary skill in the art (PHOSITA), and determinations of patentability made in view of the foregoing. In furtherance of its AI/ET Partnership, the USPTO

hereby announces a public listening session on July 25, 2024, titled “Listening Session on the Impact of the Proliferation of AI on Prior Art and PHOSITA.” The purpose of the listening session is to obtain public input from stakeholders on the impact of the proliferation of AI on prior art and PHOSITA, as set forth in the questions for public comment of the RFC. The USPTO expects that the feedback received in this listening session and the written responses received for the RFC will help the USPTO evaluate the need for further guidance on these matters, aid in the development of any such guidance, and help inform the USPTO’s work in the courts and in providing technical advice to Congress.

DATES: The Listening Session on the Impact of Proliferation of AI on Prior Art and PHOSITA will be held on July 25, 2024, from 10:00 a.m. to 3:00 p.m. ET. Persons seeking to speak at the listening session, either virtually or in person, must register by 8:00 p.m. ET on July 19, 2024, at the website provided in the **ADDRESSES** section of this notice. Persons seeking to attend, either virtually or in person, but not speak at the event, must register by 8:00 a.m. ET on July 25, 2024, at the website provided in the **ADDRESSES** section of this notice.

ADDRESSES: Register to speak or attend the listening session at www.uspto.gov/initiatives/artificial-intelligence/ai-and-emerging-technology-partnership-engagement-and-events. The listening session will take place virtually and in person at the USPTO Headquarters, National Inventors Hall of Fame Museum, 600 Dulany Street, Alexandria, VA 22314. Registration is required to speak for both virtual and in-person attendance. Seating is limited for in-person attendance. Registrants must indicate whether they are registering as a listen-only attendee or as a speaker participant.

The public meeting will be physically accessible to people with disabilities. Individuals requiring accommodation, such as sign language interpretation or other ancillary aids, should communicate their needs to an individual listed under the **FOR FURTHER INFORMATION CONTACT** section of this notice at least seven business days prior to the public meeting.

FOR FURTHER INFORMATION CONTACT: Srilakshmi Kumar, Senior Advisor, Office of the Under Secretary, 571-272-7769, or Aleksandr Kerzhner, Supervisory Patent Examiner, 571-270-1760. You can also send inquiries to AIPartnership@uspto.gov.

SUPPLEMENTARY INFORMATION:
