SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-035, OMB Control No. 3235-0029]

Submission for OMB Review; Comment Request; Extension: Rule 17f-2(c)

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 17f-2(c) (17 CFR 240.17f-2(c)), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Rule 17f-2(c) allows persons required to be fingerprinted pursuant to Section 17(f)(2) of the Act to submit their fingerprints to the Attorney General of the United States or its designee (*i.e.*, the Federal Bureau of Investigation (“FBI”)) through a registered national securities exchange or a registered national securities association (collectively, also known as “self-regulatory organizations” or “SROs”) pursuant to a fingerprint plan filed with, and declared effective by, the Commission. Fingerprint plans have been approved for the American, Boston, Chicago, New York, and Philadelphia stock exchanges and for the Financial Industry Regulatory Authority (“FINRA”) and the Chicago Board Options Exchange. Currently, the bulk of the fingerprints are submitted through FINRA.

It is estimated that 3,800 respondents submit approximately 278,455 sets of fingerprints (consisting of approximately 258,646 electronic sets and 19,809 hard copy sets) to SROs on an annual basis. The Commission

estimates that it takes approximately 15 minutes to create and submit each fingerprint card. The total time burden is therefore estimated to be approximately 69,614 hours per year.

In addition, the SROs charge an estimated \$31 fee for processing fingerprint cards submitted electronically, resulting in a total annual cost to all 3,800 respondents of approximately \$8,018,026 per year. The SROs charge an estimated \$41 fee for processing fingerprint cards submitted in hard copy, resulting in a total annual cost to all 3,800 respondents of approximately \$812,169 per year. The combined annual cost to all respondents is thus approximately \$8,830,195 per year.

Because the FBI will not accept fingerprint cards directly from submitting organizations, Commission approval of fingerprint plans from certain SROs is essential to carry out the Congressional goal to fingerprint securities industry personnel. Filing these plans for review assures users and their personnel that fingerprint cards will be handled responsibly and with due care for confidentiality.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.
