

Polyfluoroalkyl Substances; Community Right-to-Know Toxic Chemical Release Reporting, Final Rule (RIN 2070–AK97)” (OMB Control Number 2070–0225; EPA ICR Number 2724.02), “Addition of Natural Gas Processing Facilities to the Toxics Release Inventory (TRI) (Final Rule)” (OMB Control Number 2070–0206; EPA ICR Number 2560.02); and “Parent Company Definition for TRI Reporting (Final Rule)” (OMB Control Number 2070–0216; EPA ICR Number 2597.02) into this renewal ICR. Upon OMB approval of this ICR, EPA intends to discontinue OMB Control Numbers 2070–0225, 2070–0206, and 2070–0216.

Form numbers: 9350–1, 9350–2, and 9350–3.

Respondents/affected entities: Entities potentially affected are those that apply to owners and operators of facilities covered under EPCRA section 313(a). EPCRA section 313(a) includes facilities that meet the following three criteria: have 10 or more full-time employee equivalents (*i.e.*, a total of 20,000 hours worked per year or greater; see 40 CFR 372.3). The full list of potentially affected entities by North American Industry Classification System (NAICS) codes for facilities that must report to TRI (including exemptions and/or limitations), if all other reporting thresholds are met, can be found at 40 CFR 372.23.

Respondent's obligation to respond: Mandatory (40 CFR 372.23).

Estimated number of respondents: 24,742 (total).

Frequency of response: Annual.

Total estimated burden: 3,600,970 hours (per year). Burden is defined at 5 CFR 1320.3(b).

Total estimated cost: \$285,304,888 (per year), which includes \$0 annualized capital or operation & maintenance costs.

Changes in the estimates: There is an overall average decrease of 698 Form Rs and an increase of 1600 Form As estimated to be submitted to EPA as a result of EPA's exercise of its discretionary authority to apply TRI reporting requirements to 2,990 particular facilities, for specified chemicals. There is a decrease of 15,858 burden hours. This is an adjustment to the estimates.

Courtney Kerwin,
Director, Information Engagement Division.

Proposed Settlement With Bona Fide Prospective Purchaser, Miners Point Ventures, LLC, Central City, Clear Creek Superfund Site, Colorado

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of proposed settlement; request for public comment.

SUMMARY: Notice is hereby given by the U.S. Environmental Protection Agency (EPA), Region 8, of an administrative settlement agreement for response action by bona fide prospective purchaser entered into voluntarily by the United States of America (“United States”) on behalf of the United States Environmental Protection Agency (“EPA”), the State of Colorado (“State”) and Miners Point Ventures, LLC (“Purchaser”) in connection with the Central City, Clear Creek Superfund Site in Idaho Springs, Clear Creek County, Colorado (“Site”). It is now subject to public comment, after which EPA may modify or withdraw its consent if comments received disclose facts or considerations that indicate that the proposed agreement is inappropriate, improper, or inadequate.

DATES: Comments must be submitted on or before December 27, 2024.

ADDRESSES: The proposed agreement and additional background information relating to the agreement will be available upon request. Any comments or requests or for a copy of the proposed agreement should be addressed to Crystal Kotowski-Edmunds, Enforcement Specialist, Superfund and Emergency Management Division, Environmental Protection Agency, Region 8, Mail Code 8SEM–PAC, 1595 Wynkoop Street, Denver, Colorado 80202, telephone number: (303) 312–6124, email address: edmunds.crystal@epa.gov, and should reference the Central City, Clear Creek Site. You may also send comments, identified by Docket ID No. EPA–R08–SFUND–2024–0475, to <https://www.regulations.gov>. Follow the online instructions for submitting comments.

FOR FURTHER INFORMATION CONTACT: Amelia Piggott, Attorney, Office of Regional Counsel, Environmental Protection Agency, Region 8, Mail Code 8ORC–LEC, 1595 Wynkoop, Denver, Colorado 80202, telephone number: (303) 312–6410, email address: piggott.amelia@epa.gov.

SUPPLEMENTARY INFORMATION: This settlement provides for the performance of a response action by Purchaser and the payment for certain response costs incurred by the United States and the State of Colorado at or in connection with property within the Site (“Property”). Uncovered mine waste containing lead and arsenic is located on the Property. EPA and the State previously installed engineering controls to a mine waste pile on the Property to ensure lead and arsenic-laden mine waste do not erode into Clear Creek. Uncovered mine waste remains on the Property. Purchaser anticipates developing the Property into a mining-related tourist attraction that will include operation of a gondola that will transport tourists to recreational hiking trails. In order to ensure the development will be protective of human health and the environment, the Purchaser will conduct risk assessment work.

For thirty (30) days following the date of publication of this document, EPA will receive electronic comments relating to the proposed agreement. EPA's response to any comments received will be available for public inspection by request. Please see the **ADDRESSES** section of this document for instructions.

Aaron Urdiales,
Division Director, Superfund and Emergency Management Division, Region 8.

Clean Air Act Operating Permit Program: Order on Petitions for Objection to State Operating Permit for Flint Hills Resources Ingleside LLC, San Patricio County, Texas

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of final order on petition.

SUMMARY: The Environmental Protection Agency (EPA) Administrator signed an Order dated November 14, 2024, granting in part and denying in part two petitions dated July 10, 2024 (collectively the Petitions), from the Environmental Integrity Project, Ingleside on the Bay Coastal Watch Association, and TCHD Consulting LLC (the Petitioners). The Petitions requested that the EPA object to a Clean Air Act (CAA) title V operating permit issued by the Texas Commission on
