

{NAME OF PARTY IN THE UNITED STATES TO WHOM MERCHANDISE WAS FIRST SHIPPED}, located at {U.S. ADDRESS TO WHICH MERCHANDISE WAS SHIPPED}.

(D) The solar cells and/or solar modules covered by this certification were:

1. Sold to the United States by Hanwha Q CELLS Malaysia Sdn. Bhd.
2. Exported to the United States by Hanwha Q CELLS Malaysia Sdn. Bhd.
3. Produced in Malaysia by Hanwha Q CELLS Malaysia Sdn. Bhd. using wafers manufactured in the People's Republic of China (China) that were exported to Malaysia by: {CHECK THE RELEVANT WAFER EXPORTERS BELOW}

(We have afforded business proprietary information (BPI) treatment to the names of the wafer exporters; for a table of the names of the wafer exporters, which must be included as part of this paragraph in the certificate submitted to CBP—please refer to the proprietary version of this certification on ACCESS).

(E) The U.S. Department of Commerce (Commerce) found that solar cells and/or solar modules produced by Hanwha Q CELLS Malaysia Sdn. Bhd., using wafers manufactured in China that were exported by the wafer supplier(s) listed in item D above, and exported by Hanwha Q CELLS Malaysia Sdn. Bhd. are not circumventing the antidumping duty and countervailing duty orders on crystalline silicon photovoltaic cells, whether or not assembled into modules, from the People's Republic of China.

(F) This certification applies to the following sales to {NAME OF U.S. CUSTOMER}, located at {ADDRESS OF U.S. CUSTOMER} (repeat this block as many times as necessary):

of the Foreign Seller's Invoice to the U.S.

Customer:

Applicable Line Item # of the Foreign Seller's Invoice to the U.S. Customer:

(G) I understand that Hanwha Q CELLS Malaysia Sdn. Bhd. is required to maintain a copy of this certification and sufficient documentation supporting this certification (*i.e.*, documents maintained in the normal course of business, or documents obtained by the certifying party, for example, product specification sheets, customer specification sheets, production records, invoices, *etc.*) until the later of: (1) the date that is five years after the latest entry date of the entries covered by the certification; or (2) the date that is three years after the conclusion of any litigation in United States courts regarding such entries.

(H) I understand that Hanwha Q CELLS Malaysia Sdn. Bhd. is required to provide the U.S. importer with a copy of this certification and is required to provide U.S. Customs and Border Protection (CBP) and/or Commerce with a copy of this certification, and any supporting documents, upon the request of either agency.

(I) I understand that the claims made herein, and the substantiating documentation, are subject to verification by CBP and/or Commerce.

(J) I understand that failure to maintain the required certification and supporting

documentation, or failure to substantiate the claims made herein, or not allowing CBP and/or Commerce to verify the claims made herein, may result in a *de facto* determination that all sales to which this certification applies are sales of merchandise that is covered by the scope of the antidumping and countervailing duty orders on solar cells and solar modules from China. I understand that such a finding will result in:

(i) suspension of liquidation of all unliquidated entries (and entries for which liquidation has not become final) for which these requirements were not met;

(ii) the importer being required to post the antidumping and countervailing duty cash deposits determined by Commerce; and

(iii) the seller/exporter no longer being allowed to participate in the certification process.

(K) I understand that agents of the exporter, such as freight forwarding companies or brokers, are not permitted to make this certification.

(L) This certification was completed and signed, and a copy of the certification was provided to the importer, on, or prior to, the date of shipment if the shipment date is more than 14 days after the date of publication of the notice of Commerce's preliminary determination of circumvention in the **Federal Register**. If the shipment date is on or before the 14th day after the date of publication of the notice of Commerce's preliminary determination of circumvention in the **Federal Register**, this certification was completed and signed, and a copy of the certification was provided to the importer, by no later than 45 days after publication of the notice of Commerce's preliminary determination of circumvention in the **Federal Register**.

(M) I am aware that U.S. law (including, but not limited to, 18 U.S.C. 1001) imposes criminal sanctions on individuals who knowingly and willfully make materially false statements to the U.S. government.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Generic Clearance for Economic Surveys of the Commercial and Charter Harvesting Sectors of Federally Managed Fisheries: Mariana Archipelago Small Boat Fishery Economic Data Collection

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on December 6, 2021 during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: National Oceanic and Atmospheric Administration, Commerce.

Title: Generic Clearance for Economic Surveys of the Commercial and Charter Harvesting Sectors of Federally Managed Fisheries: Mariana Archipelago Small Boat Fishery Economic Data Collection.

OMB Control Number: 0648–0823.

Form Number(s): None.

Type of Request: Regular submission [review of a specific survey under an approved generic information collection].

Number of Respondents: 72.

Average Hours per Response: 45 minutes.

Total Annual Burden Hours: 54 hours.

Needs and Uses: The National Oceanic & Atmospheric Administration's National Marine Fisheries Service (NMFS or NOAA Fisheries) has conservation and management responsibilities for many living marine resources and their habitat. NMFS collects and uses economic data to make more than a cursory determination of whether a variety of provisions in the applicable laws, Executive Orders (E.O.s), and NOAA or NMFS strategies and policies have been met by past fishery

conservation and management actions or will be met by proposed actions. OMB approved the Generic Clearance for Economic Surveys of the Commercial & Charter Harvesting Sectors of Federally Managed Fisheries. It did that in recognition that by providing relevant economic data, the fishery specific information collections, which NMFS will conduct under that generic clearance, will increase the ability of NMFS and the Regional Fishery Management Councils to monitor, explain and predict changes in the economic performance and impacts of federally managed fisheries. Therefore, those information collections will allow better-informed fishery conservation and management decisions, which will benefit the Nation. With OMB's approval of the Mariana Archipelago Small Boat Fishery Economic Data Collection, NMFS will collect such economic data for that specific fishery.

Affected Public: Individuals or households and Business or other for-profit organizations.

Frequency: Once.

Respondent's Obligation: Voluntary.

Legal Authority: Magnuson-Stevens Fishery Conservation and Management Act (MSA).

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view the Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function and entering either the title of the collection or the OMB Control Number 0648–0823.

National Oceanic and Atmospheric Administration

Marine and Coastal Area-based Management Advisory Committee; Charter Renewal

AGENCY: National Oceanic and Atmospheric Administration (NOAA), Department of Commerce.

ACTION: Notice of renewed charter.

SUMMARY: Notice is hereby given of the two-year renewed charter for the Marine and Coastal Area-based Management Advisory Committee (MCAM), effective on December 6, 2024.

FOR FURTHER INFORMATION CONTACT: Lauren Wenzel, Director, NOAA's National Marine Protected Areas Center, Lauren.Wenzel@noaa.gov, (240) 533–0652; or Heather Sagar, Senior Policy Advisor, NOAA Fisheries, Heather.Sagar@noaa.gov, (301) 427–8019.

SUPPLEMENTARY INFORMATION:

I. Background

The Secretary of Commerce established MCAM in November 2022, to advise the Under Secretary of Commerce for Oceans and Atmosphere (Under Secretary) on science-based approaches to area-based protection, conservation, restoration, and management in coastal and marine areas, including the Great Lakes. The scope of MCAM's advice includes, but is not limited to, efforts consistent with the *America the Beautiful* initiative, called for by section 216(a) of Executive Order 14008 on *Tackling the Climate Crisis at Home and Abroad*, as well as other relevant issues that may be requested by the Under Secretary. The MCAM's charter must be renewed every two years from the date of the last renewal.

II. Charter Renewal

In accordance with the Federal Advisory Committee Act, as amended (FACA; 5 U.S.C. 1001 *et seq.*), the Secretary of Commerce has determined that the renewal of the charter for MCAM is in the public interest. The MCAM will function solely as an advisory body and in compliance with provisions of FACA. Copies of the MCAM's revised charter have been filed with the appropriate committees of the Congress and with the Library of Congress. The charter can be accessed

online at <https://oceanservice.noaa.gov/ocean/marine-coastal-fac/>.

John Armor,

Designated Federal Official, Marine and Coastal Area-based Management Advisory Committee; Director, Office of National Marine Sanctuaries, National Ocean Service, National Oceanic and Atmospheric Administration.
