AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) is conducting an administrative review of the antidumping duty order on certain softwood lumber products (softwood lumber) from Canada. The period of review (POR) is January 1, 2023, through December 31, 2023. Commerce preliminarily determines that the producers/exporters subject to this review made sales of subject merchandise at less than normal value.

DATES: Applicable March 5, 2025.

FOR FURTHER INFORMATION CONTACT: Jeff Pedersen (Canfor) and Maisha Cryor (West Fraser), AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2769 and (202) 482-5831, respectively.

SUPPLEMENTARY INFORMATION:**Background**

On January 3, 2018, Commerce published in the **Federal Register** the antidumping duty order on softwood lumber from Canada.¹ On March 5, 2024, based on timely requests for administrative reviews, Commerce initiated an administrative review covering 309 companies and has not rescinded the review of any of these companies.² Thus, the review covers 309 producers/exporters of the subject merchandise, including mandatory respondents Canfor³ and West Fraser, as identified in Appendix II of this notice.⁴ On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.⁵ On September 6, 2024, we extended the deadline to issue these preliminary results by 120 days.⁶ On December 9, 2024, Commerce tolled certain deadlines in this administrative proceeding by 90 days.⁷ The current deadline for the preliminary results is May 7, 2025.⁸

Scope of the Order

The product covered by this *Order* is softwood lumber from Canada. For a full description of the scope, see the Preliminary Decision Memorandum.⁹

(collectively, Canfor) as a single entity. See Memorandum, “Decision Memorandum for Preliminary Results of the Antidumping Duty Administrative Review of Certain Softwood Lumber Products from Canada; 2023,” dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum), at 5–6.

Rate for Non-Individually Examined Companies

Generally, when calculating margins for non-selected respondents, Commerce looks to section 735(c)(5) of the Act for guidance, which provides instructions for calculating the all-others rate in a less-than-fair-value (LTVF) investigation. Section 735(c)(5)(A) of the Act provides that when calculating the all-others rate, Commerce will exclude any zero and *de minimis* weighted-average dumping margins, as well as any weighted-average dumping margins based entirely on facts available. Accordingly, Commerce’s practice has been to average the margins for selected respondents, excluding margins that are zero, *de minimis*, or based entirely on facts available.

In this review, we calculated a weighted-average dumping margin of 34.61 percent for Canfor and 9.48 percent for West Fraser. In accordance with section 735(c)(5)(A) of the Act, Commerce has preliminarily assigned the weighted-average of these two calculated weighted-average dumping margins based on their publicly ranged sales data, 20.07 percent, to the non-selected companies.¹⁰

Preliminary Results of Review

We preliminarily determine that the following estimated weighted-average dumping margins exist for the period January 1, 2023, through December 31, 2023:

¹⁰ See Memorandum, “Calculation of the Rate for Non-Selected Respondents,” dated concurrently with this notice, and Attachment II (containing a list of the non-selected companies under review).

| Exporter/producer | Weighted-average dumping margin (percent) |
|--|---|
| Canfor Corporation/Canadian Forest Products Ltd./Canfor Wood Products Marketing Ltd./Canfor Fox Creek Ltd./Canfor Whitecourt Ltd | 34.61 |
| West Fraser Mills Ltd./Blue Ridge Lumber Inc./Manning Forest Products Ltd./Sundre Forest Products Inc | 9.48 |
| Review-Specific Rate for Non-Selected Companies | 20.07 |

Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties in these preliminary results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Public Comment

Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs to the Assistant Secretary for Enforcement and Compliance not later than 21 days after the date of publication of this notice, unless Commerce alters the time limit. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.¹¹ Interested parties who submit case or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.¹²

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this administrative review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.¹³ Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically filed document must be received successfully in its entirety via ACCESS by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice.¹⁵ Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act, unless extended.

Assessment Rate

Upon issuance of the final results, Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.¹⁶ If a respondent's weighted-average dumping margin is above *de minimis* in the final results of this review, we will calculate an importer-specific assessment rate based on the ratio of the total amount of dumping calculated for each importer's examined sales and the total entered value of the sales in accordance with 19 CFR 351.212(b)(1).¹⁷ If a respondent's weighted-average dumping margin or an

¹⁵ See 19 CFR 351.310(c).

¹⁶ See 19 CFR 351.212(b).

¹⁷ In these preliminary results, Commerce applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Duty Proceedings; Final Modification*, 77 FR 8101 (February 14, 2012) (*Final Modification for Reviews*).

importer-specific assessment rate is zero or *de minimis* in the final results of review, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties in accordance with the *Final Modification for Reviews*.¹⁸ The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise under review and for future deposits of estimated duties, where applicable. Commerce intends to issue assessment instructions to CBP no earlier than 41 days after the date of publication of the final results of this review in the **Federal Register**, in accordance with 19 CFR 356.8(a). If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements for estimated antidumping duties will be effective upon publication of the notice of final results of this review for all shipments of softwood lumber from Canada entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for companies subject to this review will be equal to the dumping margin established in the final results of the review; (2) for merchandise exported by companies not covered in this review but covered in a prior segment of this proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value (LTFV) investigation but the producer is, the cash deposit rate will be the rate established for the most recently completed segment for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be the 6.04 percent, the all-others rate established

in the LTFV investigation.¹⁹ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties and/or countervailing duties prior to liquidation of the relevant entries during this period of review. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

Notification to Interested Parties

Commerce is issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.221(b)(4).
