

Officer—Nuha Elmaghribi—Office of the Chief Data Officer, Board of Governors of the Federal Reserve System, nuha.elmaghrabi@frb.gov, (202) 452–3884.

SUPPLEMENTARY INFORMATION: On June 15, 1984, OMB delegated to the Board authority under the Paperwork Reduction Act (PRA) to approve and assign OMB control numbers to collections of information conducted or sponsored by the Board. In exercising this delegated authority, the Board is directed to take every reasonable step to solicit comment. In determining whether to approve a collection of information, the Board will consider all comments received from the public and other agencies.

During the comment period for this proposal, a copy of the proposed PRA OMB submission, including the draft reporting form and instructions, supporting statement (which contains more detail about the information collection and burden estimates than this notice), and other documentation, will be made available on the Board's public website at <https://www.federalreserve.gov/apps/reportingforms/review> or may be requested from the agency clearance officer, whose name appears above. On the page displayed at the link above, you can find the supporting information by referencing the collection identifier, FR 4004. Final versions of these documents will be made available at <https://www.reginfo.gov/public/do/PRAMain>, if approved.

Request for Comment on Information Collection Proposal

The Board invites public comment on the following information collection, which is being reviewed under authority delegated by the OMB under the PRA. Comments are invited on the following:

a. Whether the proposed collection of information is necessary for the proper performance of the Board's functions, including whether the information has practical utility;

b. The accuracy of the Board's estimate of the burden of the proposed information collection, including the validity of the methodology and assumptions used;

c. Ways to enhance the quality, utility, and clarity of the information to be collected;

d. Ways to minimize the burden of information collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

e. Estimates of capital or startup costs and costs of operation, maintenance,

and purchase of services to provide information.

At the end of the comment period, the comments and recommendations received will be analyzed to determine the extent to which the Board should modify the proposal.

Proposal Under OMB Delegated Authority To Extend for Three Years, Without Revision, the Following Information Collection

Collection title: Written Security Program for State Member Banks.

Collection identifier: FR 4004.

OMB control number: 7100–0112.

General description of collection: FR 4004 arises from a recordkeeping requirement contained in section 208.61 of the Board's Regulation H—Membership of State Banking Institutions in the Federal Reserve System (12 CFR 208), which requires each state member bank to develop and maintain a written security program for the bank's main office and branches within 180 days of becoming a member of the Federal Reserve System. A written security program contains minimum standards needed to deter crimes against financial institutions and assist in the apprehension of perpetrators of such crimes.

Frequency: On occasion.

Respondents: State member banks.

Total estimated number of respondents: 14.

Total estimated annual burden hours: 70.

Board of Governors of the Federal Reserve System, March 24, 2025.

Benjamin W. McDonough,

Deputy Secretary and Ombuds of the Board.
