SUPPLEMENTARY INFORMATION: The DSEIS describes the purpose and need for the project; alternatives considered; the existing environment that could be affected; the potential impacts resulting from each of the alternatives; and proposed best management practices and impact reduction and mitigation measures. The DSEIS also includes the Draft Finding of No Practicable Alternative (FONPA), which provides a floodplain assessment and statement of findings as a result of construction in a floodplain in the project area.

Public Comment Period

The views and comments of the public are necessary in helping GSA in its decision-making process with impacts to environmental and cultural impacts. The meeting will be an informal open house, where visitors may speak with GSA representatives and provide written comments. No formal presentation will be provided. All comments received will be considered equally and will become part of the public record. Further information on the project, including an electronic copy of the DSEIS, may also be found online at the following website: <https://www.gsa.gov/about-us/regions/welcome-to-the-pacific-rim-region-9/land-ports-of-entry/raul-hector-castro-land-port-of-entry>.
