*Form Number:* FCC Form 323.

*Type of Review:* Extension of a currently approved collection.

*Respondents:* Business or other for-profit entities; not-for-profit institutions; State, Local, or Tribal Governments.

*Number of Respondents:* 4,340 respondents; 4,340 responses.

*Estimated Time per Response:* 1.5 to 2.5 hours.

*Frequency of Response:* On occasion reporting requirement; biennial reporting requirement.

*Obligation to Respond:* Required to obtain or retain benefits. Statutory authority for these collections are contained in 47 U.S.C. 151, 152(a), 154(i), 257, 303(r), 307, 309, and 310.

*Total Annual Burden:* 9,620 hours.

*Total Annual Cost:* \$10,220,980.

*Needs and Uses:* On January 20, 2016, the Commission released a Report and Order, Second Report and Order, and Order on Reconsideration in MB Docket Nos. 07–294, 10–103, and MD Docket No. 10–234 (Second Report and Order). The Second Report and Order refines the collection of data reported on FCC Form 323, Ownership Report for Commercial Broadcast Stations, and FCC Form 323–E, Ownership Report for Noncommercial Broadcast Stations. Specifically, the Second Report and Order implements a Restricted Use FRN (RUFNRN) within the Commission’s Registration System (CORES) that individuals may use solely for the purpose of broadcast ownership report filings; eliminates the availability of the Special Use FRN (SUFNRN) for broadcast station ownership reports, except in very limited circumstances; prescribes revisions to Form 323–E that conform the reporting requirements for noncommercial educational (NCE) broadcast stations more closely to those for commercial stations; and makes a number of significant changes to the Commission’s reporting requirements that reduce the filing burdens on broadcasters, streamline the process, and improve data quality. These

enhancements enable the Commission to obtain data reflecting a useful, accurate, and thorough assessment of minority and female broadcast station ownership in the United States while reducing certain filing burdens.

Currently, Form 323, Section II–A/II–B, Question 2.c asks “Does the Respondent or any interest holder reported in response to Question 2(a) hold an attributable interest in any newspaper entities in the same market as any station for which this report is filed, as defined in 47 CFR 73.3555?” This question was relevant to the Commission’s Newspaper/Broadcast Cross-Ownership Rule, which prohibited common ownership of a full-power broadcast station and a daily newspaper if the station’s contour (defined separately by type of station) completely encompassed the newspaper’s city of publication and the station and newspaper were in the same relevant Nielsen market. On November 20, 2017, the Commission released an Order on Reconsideration and Notice of Proposed Rulemaking in MB Docket Nos. 04–256, 07–294, 09–182, 14–50, and 17–289 (Order on Reconsideration). Among other things, the Order on Reconsideration repealed the Newspaper/Broadcast Cross-Ownership Rule. Accordingly, Section II–A/II–B, Question 2.c will be eliminated from Form 323.

Licenses of commercial AM, FM, and full power television broadcast stations, as well as licenses of Class A and Low Power Television stations, must file FCC Form 323 every two years. Biennial Ownership Reports shall provide information accurate as of October 1 of the year in which the Report is filed. Form 323 shall be filed by December 1 in all odd-numbered years.

In addition, Licensees and Permittees of commercial AM, FM, and full power television stations must file Form 323 following the consummation of a transfer of control or an assignment of a commercial AM, FM, or full power television station license or construction permit; a Permittee of a new commercial AM, FM, or full power television station must file Form 323 within 30 days after the grant of the construction permit; and a Permittee of a new commercial AM, FM, or full power television broadcast station must file Form 323 to update the

initial report or to certify the continuing accuracy and completeness of the previously filed report on the date that the Permittee applies for a license to cover the construction permit.

In the case of organizational structures that include holding companies or other forms of indirect ownership, a separate Form 323 must be filed for each entity in the organizational structure that has an attributable interest in the Licensee or Permittee.

We request two non-substantive changes to Section II–B, Question 2(a) (see page 6 of the updated form for the collection). Specifically, we ask to change the text that currently reads “Citizenship, Gender, Ethnicity, and Race Information” to read “Citizenship, Sex, Ethnicity, and Race Information.” Similarly, we ask to change prompt to the right that reads “Gender” to read “Sex” instead. We also request to make parallel modifications to the form’s instructions for Section II–B, Question 2(a) (see top of second column of page 14 of the updated Instructions), replacing the two instances of the word “gender” with the word “sex.” We request the foregoing non-substantive changes to comply with President Trump’s recent Executive Order 14168, *Defending Women From Gender Ideology Extremism and Restoring Biological Truth to the Federal Government* (Jan. 20, 2025).
