

- A subgrant budget (using LSC's Subgrant Budget Template)

Applicants seeking to subgrant to a new subrecipient that is not a current LSC grantee, or to renew a subgrant with an organization that is not a current LSC grantee in a year in which the applicant is required to submit a full funding application, must also upload:

- The subrecipient's accounting manual;
- The subrecipient's most recent audited financial statements;
- The subrecipient's current cost allocation policy (if not in the accounting manual); and
- The recipient's 45 CFR part 1627 Policy (required under 45 CFR 1627.7).

A list of subgrant application questions, the Subgrant Agreement Template, and the Subgrant Budget Template are available on LSC's website at <https://www.lsc.gov/grants-grantee-resources/grantee-guidance/how-apply-subgrant>.

LSC encourages applicants to use LSC's Subgrant Agreement Template as a model subgrant agreement. If the applicant does not use LSC's Template, the proposed agreement must include, at a minimum, the substance of the provisions of the Template.

Once submitted, LSC will evaluate the application and provide applicants with instructions on any needed modifications to the submitted documents or Draft Agreement provided with the application. The applicant must then upload a final and signed subgrant agreement through GrantEase by the date requested.

As required by 45 CFR 1627.4(b)(3), LSC will inform applicants of its decision to disapprove or approve an application for a 2025 mid-year subgrant no later than the subgrant's proposed effective date. As required by 45 CFR 1627.4(b)(1)(ii), LSC will inform applicants of its decision to disapprove or approve a 2026 calendar-year subgrant no later than the date LSC informs applicants of LSC's 2026 Basic Field Grant funding decisions.
