In accordance with the requirements of § 100.911, entry into, transiting, or anchoring within these regulated areas during the enforcement periods is

prohibited unless authorized by the Coast Guard patrol commander (PATCOM). Those seeking permission to enter the regulated areas may request permission from the PATCOM. Vessels permitted to enter this regulated area must operate at a no-wake speed and in a manner that will not endanger race participants or any other craft.

The PATCOM may direct the anchoring, mooring, or movement of any vessel within this regulated area. A succession of sharp, short signals by whistle or horn from vessels patrolling the area under the direction of the PATCOM shall serve as a signal to stop. Vessels so signaled shall stop and shall comply with the orders of the PATCOM. Failure to do so may result in expulsion from the area, a Notice of Violation for failure to comply, or both. Additionally, vessels shall yield right-of-way for event participants and event safety craft and shall follow directions given by the Coast Guard's on-scene representative or by event representatives during the event.

If it is deemed necessary for the protection of life and property, the PATCOM may terminate the marine event or the operation of any vessel within the regulated area.

In accordance with the general regulations in § 100.40 of this part, the Coast Guard will patrol the regatta area under the direction of a designated Coast Guard Patrol Commander (PATCOM). The PATCOM, or his designated "on-scene representative", may be contacted on Channel 16 (156.8 MHz) by the call sign "Coast Guard Patrol Commander."

In addition to this notice of enforcement in the **Federal Register**, the Coast Guard will provide the maritime community with advance notification of this enforcement period via Broadcast Notice to Mariners or Local Notice to Mariners. If the Captain of the Port determines that any of these special local regulations need not be enforced for the full duration stated in this document, he may suspend such enforcement and notify the public of the suspension via a Broadcast Notice to Mariners.

Dated: April 22, 2025.

Richard P. Armstrong,
Captain, U.S. Coast Guard, Captain of the Port Detroit.

BILLING CODE 9110-04-P

DEPARTMENT OF THE INTERIOR

Office of the Secretary

43 CFR Part 4

[Docket No. DOI-2022-0010; Deposit Account]

RIN 1094-AA57

Practices Before the Department of the Interior; Delay of Effective Date

AGENCY: Office of Hearings and Appeals, Interior.

ACTION: Interim final rule; further delay of effective date.

SUMMARY: In accordance with the memorandum of January 20, 2025, from President Donald J. Trump, entitled "Regulatory Freeze Pending Review," this action provides a third notification to delay the effective date of the interim final rule published on January 10, 2025, until June 4, 2025.

DATES: As of May 2, 2025, the effective date of the rule published at 90 FR 2332 on January 10, 2025, and delayed February 10, 2025 (90 FR 9222), and delayed March 13, 2025 (90 FR 12461) is further delayed to June 4, 2025.

FOR FURTHER INFORMATION CONTACT:

Rachel R. Lukens, telephone: (703) 235-3810, email: Rachel.Lukens@oha.doi.gov. Individuals in the United States who are deaf, blind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or Tele Braille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: The interim final rule, "Practices Before the Department of the Interior," published on January 10, 2025, at 90 FR 2332, included a 30-day public comment period that ended on February 10, 2025. The effective date of the interim final rule was February 10, 2025. The Office of Hearings and Appeals (OHA) is taking this action in accordance with Memorandum M-25-10 of January 20, 2025, from the Executive Office of the President, Office of Management and Budget, Implementation of Regulatory Freeze, regarding the postponement of effective dates of certain published regulations. The memorandum directed the heads of Executive Departments and Agencies to consider postponing for sixty days from the date of the memorandum the effective date for any rules that have been published in the **Federal Register**, or any rules that have been issued in any manner but have not

taken effect, for the purpose of reviewing any questions of fact, law, and policy that the rule may raise. On February 10, 2025, OHA delayed the effective date (90 FR 9222) for the interim final rule to March 21, 2025. On March 13, 2025, OHA published a second document further delaying the effective date (90 FR 12461) to May 5, 2025. OHA is further delaying the effective date to June 4, 2025, to provide for further Department review.

OHA is extending the effective date of the interim final rule without opportunity for public comment and making the extension effective immediately, based on the good cause exemptions in 5 U.S.C. 553(b)(B) and 553(d)(3), in that seeking public comment on the extension is impracticable, unnecessary, and contrary to the public interest. This third delay of the effective date until June 4, 2025, is necessary to give Department officials the opportunity for further review and consideration of new regulations, consistent with the memorandum of the President, dated January 20, 2025. Given the imminence of the effective date of the interim final rule, seeking prior public comment on this delay is impractical, and contrary to the public interest in the orderly promulgation and implementation of regulations. For the foregoing reasons, the good cause exception in 5 U.S.C. 553(d)(3) also applies to OHA's decision to make this action effective immediately.

Tyler Hassen,

Acting Assistant Secretary—Policy, Management and Budget.
