

packaging, labeling, or compounding necessary to prepare the substance for that delivery.” *Id.* section 24:21–2.

Here, the undisputed evidence in the record is that Registrant currently lacks authority to dispense controlled substances in New Jersey because Registrant’s New Jersey controlled dangerous substance license is inactive. As discussed above, an individual must hold a New Jersey controlled dangerous substance license to dispense a controlled substance in New Jersey. Thus, because Registrant lacks authority to handle controlled substances in New Jersey, Registrant is not eligible to maintain a DEA registration. Accordingly, the Agency will order that Registrant’s DEA registration be revoked.

Order

Pursuant to 28 CFR 0.100(b) and the authority vested in me by 21 U.S.C. 824(a), I hereby revoke DEA Certificate of Registration No. BM8723795 issued to Serge Menkin, M.D. Further, pursuant to 28 CFR 0.100(b) and the authority vested in me by 21 U.S.C. 823(g)(1), I hereby deny any pending applications of Serge Menkin, M.D., to renew or modify this registration, as well as any other pending application of Serge Menkin, M.D., for additional registration in New Jersey. This Order is effective July 10, 2025.

SUPPLEMENTARY INFORMATION:

I. Background

The Department of Labor’s VETS administers funds for the Homeless Veterans’ Reintegration Program (HVRP) grant on an annual basis. These competitive grants are codified under 38 U.S.C. 2021, 2021A, and 2023. VETS provides funds to grant recipients through annual Funding Opportunity Announcements (FOA) and incremental funding throughout the grant’s three-year (12 quarters) period of performance. The total number of grant recipients varies from year to year based on the amount of available funds. Grants are awarded up to \$500,000 each year, for a total of up to \$1,500,000 for the three-year period of performance.

The Assistant Secretary for Veterans’ Employment and Training monitors and supervises the distribution and use of those funds as required by 38 U.S.C. 2021 and 38 U.S.C. 2021A. Additionally, and in accordance with 38 U.S.C. 2021(d), the Secretary shall collect such information as that Secretary considers appropriate to monitor and evaluate the distribution and expenditure of funds appropriated to carry out this section.

The approval of this form will create the use of standardized formats for grant recipients’ preparation of the budget and budget narrative. In accordance with 2 CFR appendix-I-to-part-200(b)(4)(ii)(I), VETS’ annual FOA requires the submission of a budget narrative for VETS’ applicants to show that their proposed costs are allowable under 2 CFR 200.403 and are necessary and reasonable for carrying out the HVRP grant. Collecting this information via this form helps to ensure that
