SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Investigative Interview Survey; OMB Control Number 0705-0004.

Needs and Uses: The information collected on the Investigative Interview Survey (IIS) form is used to evaluate the investigative procedure exhibited by the investigator, the investigator's professionalism, and the information discussed and reported by Federal or Federal contract investigator. Completion of the IIS is voluntary. No personally identifiable information (PII) is collected in the IIS, however, there may be some instances when a respondent reports PII despite that survey instructions reflect not to provide PII. The IIS is mailed by DCSA, to a random sampling of record and personal sources who were contacted during the background investigation process by investigators performing fieldwork. The IIS is used as a quality control instrument designed to ensure the accuracy and integrity of the investigative product. In addition to the preformatted response options, DCSA invites the recipients to respond with any other relevant comments or suggestions. Results from the IIS are disseminated internally within the agency.
