

obtain the legal and technical information required to facilitate the integration of ATCs into MSS networks in the L-Band and the 1.6/2.4 GHz Bands; and to ensure that ATC licensees meet the Commission's legal and technical requirements to develop and maintain their MSS networks and operate their ATC systems without causing harmful interference to other radio systems.

This information collection is used by the Commission to license commercial ATC radio communication services in the United States, including low-power ATC. The revised collection is to be used by the Commission to regulate equipment manufacturers and licensees of low-power ATC networks. Without the collection of information that would result from these final rules, the Commission would not have the necessary information to grant entities the authority to operate commercial ATC stations and provide telecommunications services to consumers.

OMB Control No.: 3060–1108.

Title: Consummation of Assignments and Transfers of Control of Authorization.

Form No.: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities.

Number of Respondents: 251 respondents; 251 responses.

Estimated Time per Response: 1 hour.

Frequency of Response: On occasion reporting requirement.

Obligation To Respond: Required to obtain or retain benefits. The Commission has authority for this information collection pursuant to 47 U.S.C. 154(i) of the Communications Act of 1934, as amended.

Total Annual Burden: 251 hours.

Annual Cost Burden: \$37,500.

Needs and Uses: This collection will be submitted to the Office of Management and Budget (OMB) as an extension after this 60 day comment period has ended in order to obtain the full three-year clearance from OMB.

Without this collection of information, the Commission would not have critical information such as a change in a controlling interest in the ownership of the licensee. The Commission would not be able to carry out its duties under the Communications Act and to determine the qualifications of applicants to provide international telecommunications service, including applicants that are affiliated with foreign entities, and to determine whether and under what conditions the

authorizations are in the public interest, convenience, and necessity. Furthermore, without this collection of information, the Commission would not be able to maintain effective oversight of U.S. providers of international telecommunications services that are affiliated with, or involved in certain co-marketing or similar arrangements with, foreign entities that have market power.

Federal Communications Commission.

Marlene Dortch,
Secretary.

BILLING CODE 6712–01–P

FEDERAL MARITIME COMMISSION

[Docket No. 25–12]

Dollar General Logistics, LLC, Complainant v. Yang Ming Marine Transport Corp., Respondent.

Served: July 1, 2025

Notice of Filing of Complaint and Assignment

Notice is given that a complaint has been filed with the Federal Maritime Commission (the “Commission”) by Dollar General Logistics, LLC (the “Complainant”) against Yang Ming Marine Transport Corp. (the “Respondent”). Complainant states that the Commission has subject-matter jurisdiction over the complaint pursuant to the Shipping Act of 1984, as amended, 46 U.S.C. 40101 *et seq.*, and personal jurisdiction over Respondent as an ocean common carrier, as defined in 46 U.S.C. 40102(18), that has entered into a service contract, as defined in 46 U.S.C. 40102(21), with Complainant.

Complainant is a corporation existing under the laws of the state of Tennessee with its principal place of business located in Goodlettsville, Tennessee.

Complainant identifies Respondent as a company existing under the laws of Taiwan with its principal place of business in Keelung City, Taiwan, whose agent in the United States is Yang Ming (America) Corp., a company existing under the laws of the state of New York with its principal place of business in Newark, New Jersey.

Complainant alleges that Respondent violated 46 U.S.C. 41102(c); 41104(a)(2) and (a)(10). Complainant alleges these violations arose from a practice of systematically failing to meet service commitments, causing Complainant to pursue alternate transportation arrangements for cargo at an increased price, and other acts or omissions of the Respondent.

An answer to the complaint must be filed with the Commission within 25 days after the date of service.

The full text of the complaint can be found in the Commission's electronic Reading Room at <https://www2.fmc.gov/readingroom/proceeding/25-12/>. This proceeding has been assigned to the Office of Administrative Law Judges. The initial decision of the presiding judge shall be issued by July 1, 2026, and the final decision of the Commission shall be issued by January 15, 2027.

(Authority: 46 U.S.C. 41301; 46 CFR 502.61(c).)

David Eng,
Secretary.

BILLING CODE 6730–02–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Medicare & Medicaid Services

[Document Identifiers: CMS–116]

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Centers for Medicare & Medicaid Services, Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: The Centers for Medicare & Medicaid Services (CMS) is announcing an opportunity for the public to comment on CMS' intention to collect information from the public. Under the Paperwork Reduction Act of 1995 (PRA), federal agencies are required to publish notice in the **Federal Register** concerning each proposed collection of information (including each proposed extension or reinstatement of an existing collection of information) and to allow 60 days for public comment on the proposed action. Interested persons are invited to send comments regarding our burden estimates or any other aspect of this collection of information, including the necessity and utility of the proposed information collection for the proper performance of the agency's functions, the accuracy of the estimated burden, ways to enhance the quality, utility, and clarity of the information to be collected, and the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

DATES: Comments must be received by September 5, 2025.
