SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A. The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on December 11, 2024 at 89 FR 99896.

A. Overview of Information Collection

Title of Information Collection: Disaster Response Survey and Disaster Recovery Survey.

OMB Approval Number: 2502–0615.

Type of Request: Revision of a currently approved collection.

Form Number: None.

Description of the need for the information and proposed use: The two Disaster Surveys (Disaster Response Survey and Disaster Recovery Survey) will assess the operational and capacity status of Housing Counseling Agencies impacted disasters through the life cycle of the disasters. These Surveys are necessary to assess the impact of the disasters on the operation of HUD-approved housing counseling agencies. These surveys will more accurately assess the current operating status and capacity of housing counseling agencies impacted by disasters through the life cycle of disasters. The information collected will be used to identify the needs of the housing counseling agency and to inform OHC about the types of support that would be the most responsive to the needs of agencies and their clients.

Information collection	Number of respondents	Frequency of response	Responses per annum	Burden hour per response	Annual burden hours	Hourly cost per response	Annual cost
Disaster Recovery Survey	1,250	1	1,250	1	1,250	\$64.00	\$80,000.00
