SUPPLEMENTARY INFORMATION: The UCX law (5 U.S.C. 8521–8523) requires state workforce agencies (SWAs) to administer the UCX program in accordance with the same terms and conditions of the paying state’s unemployment insurance law, which apply to unemployed claimants who worked in the private sector. Each state agency needs to obtain certain military service information on claimants filing for UCX benefits to enable them to determine his/her eligibility for benefits. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on March 11, 202 (90 FR 11750).

Comments are invited on: (1) whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) the accuracy of the agency’s estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. SUPPLEMENTARY INFORMATION: The Health Insurance Portability and Accountability Act of 1996 (HIPAA), codified as part 7 of title I of the Employee Retirement Security Act of 1974 (ERISA), was enacted to improve the portability and continuity of health care coverage for participants and beneficiaries of group health plans. HIPAA also added section 101(g) to ERISA, providing the Secretary of Labor (Secretary) with authority to require, by regulation, multiple employer welfare arrangements (MEWAs) as defined in section 3(40) of ERISA, that offer or provide coverage for medical benefits but which are not group health plans (non-plan MEWAs), to report annually for the purpose of determining compliance with part 7 requirements. While the statutory authority was directed at non-plan MEWAs, based on the authority in ERISA sections 101(g), 505, and 734, the Department of Labor (Department) in 2003 promulgated a regulation at 29 CFR 2520.101–2 that required the administrators of both plan MEWAs and non-plan MEWAs that offer or provide coverage for medical benefits, as well certain entities that claim not to be a MEWA solely due to the exception in section 3(40)(A)(i) of ERISA (referred to as “Entities Claiming Exception” or “ECEs”), to file the Form M–1 on an annual basis (Form M–1 annual report).

The Patient Protection and Affordable Care Act and the Health Care and Education Reconciliation Act of 2010 (these are collectively known as the “Affordable Care Act” or “ACA”) amended section 101(g) of ERISA to require non-plan MEWAs that provide benefits consisting of medical care to register with the Secretary before operating in a State. In 2011, the Department amended the Form M–1 reporting regulations to enact the ACA required provisions by requiring all MEWAs (plan and non-plan MEWAs) that offer or provide coverage for medical benefits and ECEs to register with the Secretary upon occurrence of certain registration events, such as prior to operating in a State, in addition to continued reporting on an annual basis regarding compliance with part 7 of ERISA. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on January 6, 2025 (90 FR 671).

SUPPLEMENTARY INFORMATION: Section 203A(a) of the Investment Advisers Act of 1940 (and the implementing SEC regulations) provides thresholds for when investment advisers must register with the SEC or with one or more states to qualify as investment manager under ERISA, investment advisers that register with a state, rather than with the SEC, must satisfy ERISA’s section 3(38) requirement to file a copy of the State registration with the Department by electronically registering through the Investment Adviser Registration Depository (IARD). This is a centralized electronic filing system operated by the SEC in conjunction with State securities regulation authorities. Because the IARD was established by the SEC and the states, and made mandatory for advisers required to file with SEC, and because all States permit filing through IARD even for advisers who do not file with SEC, the Department determined that use of the IARD would eliminate the duplication of filing paper copies of State registration forms with the Department and facilitate creation of a uniform and efficient “one-stop” filing system for state-registered filings by advisers who wished to meet the “investment manager” definition of ERISA section 3(38). For additional substantive information about this ICR, see the related notice published in the **Federal Register** on January 6, 2025 (90 FR 671).
