#### Continuation of the Order

As a result of the determinations by Commerce and the ITC that revocation of the *Order* would likely lead to continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, Commerce hereby orders the continuation of the *Order*. U.S. Customs and Border Protection will continue to collect AD cash deposits at the rates in effect at the time of entry for all imports of subject merchandise.

The effective date of the continuation of the *Order* will be July 8, 2025.<sup>6</sup> Pursuant to section 751(c)(2) of the Act and 19 CFR 351.218(c)(2), Commerce intends to initiate the next five-year review of the *Order* not later than 30 days prior to fifth anniversary of the date of the last determination by the ITC.

This notice also serves as a final reminder to parties subject to an APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. #### SUPPLEMENTARY INFORMATION:

##### Background

On March 24, 2025, the U.S. Department of Commerce (Commerce) initiated less-than-fair-value (LTFV) investigations of imports of certain chassis and subassemblies thereof (chassis) from Mexico, Thailand, and Vietnam.<sup>1</sup> Currently, the preliminary determinations in these investigations are due to be issued no later than August 5, 2025.

##### Postponement of Preliminary Determinations

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in a LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1)(A)(b)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation if: (A) the petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a

request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On July 8, 2025, the petitioner<sup>2</sup> submitted a timely request that Commerce postpone the preliminary determinations in these LTFV investigations.<sup>3</sup> The petitioner stated that it requests postponement to allow Commerce time to issue supplemental questionnaires and receive responses prior to making its preliminary determinations. Moreover, the petitioner notes that these cases involve a complex product and there are a number of unique and complicated issues present in these cases that require additional time to conduct the proper analysis since this is the first time Commerce is examining the product in a market economy context.<sup>4</sup>

For the reasons stated above and because there are no compelling reasons to deny the petitioner's request, Commerce, in accordance with section 733(c)(1)(A) of the Act, is postponing the deadline for the preliminary determinations by 50 days (*i.e.*, 190 days after the date on which these investigations were initiated). As a result, Commerce will issue its preliminary determinations no later than September 24, 2025. In accordance with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determinations of these investigations will continue to be 75 days after the date of the preliminary determinations, unless postponed at a later date.
