Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

**Abstract:** All diversion of mainstream Colorado River water must be in accordance with the Colorado River water entitlement pursuant to the Boulder Canyon Project Act (43 U.S.C. 617; Pub. L. 70–642, 45 Stat. 1057). The Consolidated Decree of the United States Supreme Court in *Arizona v. California*, 547 U.S. 150 (2006) requires the Secretary of the Interior to account for all diversions of mainstream Colorado River water along the lower Colorado River, including water drawn from the mainstream by underground pumping. To meet the water entitlement and accounting obligations, an inventory of wells and river pumps is required along the lower Colorado River that gathers specific information concerning these wells, such as water level, pumping volume, and permit number.

**Title of Collection:** Lower Colorado River Well Inventory.

**OMB Control Number:** 1006–0014.

**Form Number:** Form LC–25.

**Type of Review:** Extension of a currently approved collection.

**Respondents/Affected Public:** Well and river-pump owners and operators along the lower Colorado River in Arizona, California, and Nevada. Each diverter (including well pumpers) must be identified and their diversion locations and water use determined.

**Total Estimated Number of Annual Respondents:** 50.

**Total Estimated Number of Annual Responses:** 50.

**Estimated Completion Time per Response:** An average of 20 minutes is required to interview individual well and river-pump owners or operators.

**Total Estimated Number of Annual Burden Hours:** 17 hours.

**Respondent's Obligation:** Required to obtain or retain a benefit.

**Frequency of Collection:** These data are collected only once for each well or river-pump owner or operator as long as changes in water use, or other changes that would impact contractual or

administrative requirements, are not made. A respondent may request that the data for its well or river pump be updated after the initial inventory.

**Total Estimated Annual Nonhour Burden Cost:** 0.

An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

The authority for this action is the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

**Leonard Schilling,**

*Acting Regional Director, Lower Colorado Basin Region.*

## INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701–TA–772–774 and 731–TA–1756–1758 (Preliminary)]

### Crystalline Silicon Photovoltaic Cells, Whether or Not Assembled Into Modules, From India, Indonesia, and Laos; Institution of Antidumping and Countervailing Duty Investigations and Scheduling of Preliminary Phase Investigations

**AGENCY:** United States International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** The Commission hereby gives notice of the institution of investigations and commencement of preliminary phase antidumping and countervailing duty investigation Nos. 701–TA–772–774 and 731–TA–1756–1758 (Preliminary) pursuant to the Tariff Act of 1930 to determine whether there is a reasonable indication that an industry in the United States is materially injured or threatened with material injury, or the establishment of an industry in the United States is materially retarded, by reason of imports of crystalline silicon photovoltaic cells, whether or not assembled into modules, from India, Indonesia, and Laos, provided for in subheadings 8541.42.00 and 8541.43.00 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value and alleged to be subsidized by the governments of India, Indonesia, and Laos. Unless the Department of Commerce (“Commerce”) extends the time for initiation, the Commission must reach preliminary determinations in antidumping and countervailing duty investigations in 45 days, or in this case

by September 2, 2025. The Commission’s views must be transmitted to Commerce within five business days thereafter, or by September 9, 2025.

**DATES:** July 17, 2025.

**FOR FURTHER INFORMATION CONTACT:**

Celia Feldpausch 202–205–2387, Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission’s TDD terminal on 202–205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for these investigations may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>.

**SUPPLEMENTARY INFORMATION:**

**Background.**—These investigations are being instituted, pursuant to sections 703(a) and 733(a) of the Tariff Act of 1930 (19 U.S.C. 1671b(a) and 1673b(a)), in response to petitions filed on July 17, 2025, by the Alliance for American Solar Manufacturing and Trade.

For further information concerning the conduct of these investigations and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A and B (19 CFR part 207).

**Participation in the investigations and public service list.**—Persons (other than petitioners) wishing to participate in the investigations as parties must file an entry of appearance with the Secretary to the Commission, as provided in §§ 201.11 and 207.10 of the Commission’s rules, not later than seven days after publication of this notice in the **Federal Register**. Industrial users and (if the merchandise under investigation is sold at the retail level) representative consumer organizations have the right to appear as parties in Commission antidumping duty and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to these investigations upon the expiration of the period for filing entries of appearance.

**Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.**—Pursuant to

§ 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in these investigations available to authorized applicants representing interested parties (as defined in 19 U.S.C. 1677(9)) who are parties to the investigations under the APO issued in the investigations, provided that the application is made not later than seven days after the publication of this notice in the **Federal Register**. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

**Conference.**—The Office of Investigations will hold a staff conference in connection with the preliminary phase of these investigations beginning at 9:30 a.m. on August 7, 2025. Requests to appear at the conference should be emailed to [preliminaryconferences@usitc.gov](mailto:preliminaryconferences@usitc.gov) (DO NOT FILE ON EDIS) on or before noon on August 5, 2025. Please provide an email address for each conference participant in the email. Information on conference procedures, format, and participation, including guidance for requests to appear as a witness via videoconference, will be available on the Commission's Public Calendar (Calendar (USITC) | United States International Trade Commission). A nonparty who has testimony that may aid the Commission's deliberations may request permission to participate by submitting a short statement.

Please note the Secretary's Office will accept only electronic filings during this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

**Written submissions.**—As provided in §§ 201.8 and 207.15 of the Commission's rules, any person may submit to the Commission on or before 5:15 p.m. on August 12, 2025, a written brief containing information and arguments pertinent to the subject matter of the investigations. Parties shall file written testimony and supplementary material in connection with their presentation at the conference no later than 4:00 p.m. on August 6, 2025. All written submissions must conform with the provisions of § 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at [https://www.usitc.gov/documents/handbook\\_on\\_filing\\_procedures.pdf](https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf),

elaborates upon the Commission's procedures with respect to filings.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

**Certification.**—Pursuant to § 207.3 of the Commission's rules, any person submitting information to the Commission in connection with these investigations must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will acknowledge that any information that it submits to the Commission during these investigations may be disclosed to and used: (i) by the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of these or related investigations or reviews, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel, solely for cybersecurity purposes. All contract personnel will sign appropriate nondisclosure agreements.

**Authority:** These investigations are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.12 of the Commission's rules.

By order of the Commission.

Issued: July 18, 2025.

## DEPARTMENT OF JUSTICE

### Drug Enforcement Administration

#### Thomas Draschil, M.D.; Decision and Order

On February 19, 2025, the Drug Enforcement Administration (DEA or Government) issued an Order to Show Cause (OSC) to Thomas Draschil, M.D., of Salt Lake City, Utah (Registrant). Request for Final Agency Action (RFAA), Exhibit (RFAAX) 2, at 1, 4. The OSC proposed the revocation of Registrant's DEA Certificate of Registration No. FD9980118, alleging

that Registrant is “currently without authority to . . . handle controlled substances in the State of Utah, the state in which [he is] registered with DEA.” *Id.* at 2 (citing 21 U.S.C. 824(a)(3)).

The OSC notified Registrant of his right to file a written request for hearing, and that if he failed to file such a request, he would be deemed to have waived his right to a hearing and be in default. *Id.* at 2–3 (citing 21 CFR 1301.43). Here, Registrant did not request a hearing. RFAA, at 2–3.<sup>1</sup> “A default, unless excused, shall be deemed to constitute a waiver of the registrant's/applicant's right to a hearing and an admission of the factual allegations of the [OSC].” 21 CFR 1301.43(e).

Further, “[i]n the event that a registrant . . . is deemed to be in default . . . DEA may then file a request for final agency action with the Administrator, along with a record to support its request. In such circumstances, the Administrator may enter a default final order pursuant to [21 CFR] 1316.67.” *Id.* at 1301.43(f)(1). Here, the Government has requested final agency action based on Registrant's default pursuant to 21 CFR 1301.43(c), (f), and 1301.46. RFAA, at 1, 4; *see also* 21 CFR 1316.67.

### Findings of Fact

The Agency finds that, in light of Registrant's default, the factual allegations in the OSC are deemed admitted. According to the OSC, Registrant's Utah physician license and Utah controlled substance license were voluntarily surrendered on July 29, 2024. RFAAX 2, at 1–2; *see also* RFAAX 3, at 1–8. According to Utah online records, of which the Agency takes official notice,<sup>2</sup> Registrant's Utah licenses continue to have a status of “Surrendered.” Utah DOPL License Search, <https://secure.utah.gov/llv/search/index.html> (last visited date of signature of this Order). Accordingly, the Agency finds that Registrant is not licensed as a practitioner in Utah, the

<sup>1</sup> Based on the Government's submissions in its RFAA dated March 28, 2025, the Agency finds that service of the OSC on Registrant was proper. The included declaration from a DEA Diversion Investigator (DI) indicates that on February 19, 2025, DI personally served Registrant with a copy of the OSC and Registrant signed a delivery receipt. RFAA, at 2; *see also* RFAAX 1, at 1, 3.

<sup>2</sup> Under the Administrative Procedure Act, an agency “may take official notice of facts at any stage in a proceeding—even in the final decision.” United States Department of Justice, Attorney General's Manual on the Administrative Procedure Act 80 (1947) (Wm. W. Gaunt & Sons, Inc., Reprint 1979).
