

DEPARTMENT OF LABOR**Agency Information Collection Activities; Submission for OMB Review; Survey of Occupational Injuries and Illnesses**

ACTION: Notice of availability; request for comments.

SUMMARY: The Department of Labor (DOL) is submitting this Bureau of Labor Statistics (BLS)-sponsored information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (PRA). Public comments on the ICR are invited.

DATES: The OMB will consider all written comments that the agency receives on or before September 8, 2025.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

Comments are invited on: (1) whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) the accuracy of the agency’s estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

FOR FURTHER INFORMATION CONTACT: Nicole Bouchet by telephone at 202–693–0213, or by email at DOL_PRA_PUBLIC@dol.gov.

SUPPLEMENTARY INFORMATION: The Survey of Occupational Injuries and Illnesses is the primary indicator of the Nation’s progress in providing every working man and woman safe and healthful working conditions. The survey measures the overall rate of work injuries and illnesses by industry. Survey data are also used to evaluate the effectiveness of Federal and State programs and to prioritize scarce resources. Respondents include employers who maintain Occupational Safety and Health Administration records in accordance with the

Occupational Safety and Health Act and employers who are normally exempt from OSHA recordkeeping. Each year a sample of exempt employers is required to keep records and participate in the survey. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on April 18, 2025 (90 FRN 16559).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

NATIONAL SCIENCE FOUNDATION**Request for Public Comment: National Plan for Arctic Research**

AGENCY: National Science Foundation.

ACTION: Request for public comment; extension of comment period.

SUMMARY: On July 21, 2025, the National Science Foundation (NSF) published in the **Federal Register** a document entitled “Request for Public Comment: National Plan for Arctic Research.” In response to requests by prospective commenters that they would benefit from additional time to adequately consider and respond to the RFI, NSF has determined that an extension of the comment period until Saturday, November 15, 2025, at 11:59 p.m. (eastern), is appropriate.

DATES: The end of the comment period for the document entitled “Request for Information” published on July 21, 2025 (90 FR 34302), is extended from October 15, 2025, until November 15, 2025.

ADDRESSES: Interested individuals and organizations should submit comments electronically via email to IARPCPlan@nsf.gov. Send written submissions to Roberto Delgado, Office of Polar Programs, National Science Foundation, 2415 Eisenhower Avenue, Alexandria, VA 22314. Alternatively, you may submit your comments, identified by Docket ID No. NSF–2025–OGC–0002, at <https://www.regulations.gov>. For comments submitted at [Regulations.gov](https://www.regulations.gov), follow the online instructions for submitting comments. Once submitted, comments cannot be edited or removed from [Regulations.gov](https://www.regulations.gov).

Instructions: Response to this RFI is voluntary. Please note that all submissions received in response to this notice may be publicly posted or otherwise released in their entirety. Do not include in your submissions any copyrighted material; information of a confidential nature, such as personal or proprietary information; or any information you would not like to be made publicly available. NSF will not respond to individual submissions. A response to this RFI will not be viewed as a binding commitment to develop or pursue the project or ideas discussed. This RFI is not accepting applications for financial assistance or financial incentives. Responses containing references, studies, research, and other empirical data that are not widely published should include copies of or electronic links to the referenced materials. Responses from minors, or responses containing profanity, vulgarity, threats, or other inappropriate language or content will not be considered. Comments submitted in response to this notice are subject to the Freedom of Information Act (FOIA). Please note that the United States Government will not pay for response preparation, or for the use of any information contained in a response.
