

States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services for contacting Ms. Wallace. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

**SUPPLEMENTARY INFORMATION:** This sale is being held in response to a lease-by-application filed by Falkirk Mining Company. The Federal coal resources to be offered are within five tracts located on the following described lands:

**Fifth Principal Meridian, North Dakota**

T. 146 N., R. 82 W.,

Sec. 2, lots 3 and 4, and S $\frac{1}{2}$ NW $\frac{1}{4}$ ;

Sec. 3, lots 1 and 2, S $\frac{1}{2}$ NE $\frac{1}{4}$ , and SE $\frac{1}{4}$ .

T. 146 N., R. 83 W.,

Sec. 24, SE $\frac{1}{4}$ .

T. 144 N., R. 84 W.,

Sec. 12, NW $\frac{1}{4}$ .

The areas described aggregate 799.96 acres, according to the official plats of the surveys on file with the BLM.

The coal in the tracts have two coal beds, which are designated as the Hagel A and Hagel B coal beds. Both of these beds are considered minable. The Hagel A bed in all five tracts ranges from 4.7 to 7.02 feet thick. The Hagel B bed in the four tracts where it occurs ranges from 3.2 to 4.8 feet thick. The Hagel B bed is not found in T. 144 N., R. 84 W., sec. 12, NW $\frac{1}{4}$ . The tracts are located adjacent to or within Falkirk's current mining operation and contain approximately 12.09 million tons of Coal Reserve Base. The composite coal quality of the Hagel A and B coal beds are as follows: Heat Content (Btu/lb.) 6,112 Btu/lb.; Moisture 39.98 percent; Ash Content 9.64 percent, Sulfur Content 0.66 percent, Sodium in Ash 1.88 percent.

The tracts will be leased to the qualified bidder of the highest cash amount, provided that the high bid meets or exceeds the BLM's estimate of the fair market value (FMV) of the tracts. The minimum bid for the tract is \$100 per acre or fraction thereof. The minimum bid is not intended to represent FMV. The authorized officer will determine if the bids meet FMV.

The sealed bids should be sent by certified mail, return receipt requested, or be hand delivered to the Public Room, BLM Montana State Office (see **ADDRESSES**), and clearly marked "Sealed Bid for NDM 111489 Coal Sale—Not to be opened before 10 a.m. (Mountain Time) on September 10, 2025." The Public Room representative will issue a receipt for each hand-delivered bid. Bids received after 9:30 a.m. MT on

September 10 will not be considered. If identical high bids are received, the tying high bidders will be requested to submit follow-up sealed bids until a high bid is received. All tie-breaking sealed bids must be submitted within 15 minutes following the sale official's announcement at the sale that identical high bids have been received.

Prior to lease issuance, the high bidder, if other than the applicant, must pay the BLM the cost recovery fee in the amount of \$206,727.00, in addition to all processing costs incurred by the BLM after the date of this sale notice (43 CFR 3473.2(f)).

A lease issued as a result of this offering will require payment of an annual rental of \$3 per acre, or fraction thereof, and a royalty payable to the United States pursuant to section 7(a) of the Mineral Leasing Act (30 U.S.C. 207(a)) as amended.

Bidding instructions for the tracts offered and the terms and conditions of the proposed coal lease are included in the detailed statement of lease sale, with copies available at the BLM Montana State Office (see **ADDRESSES**).

Documents in case file NDM 111186 are available for public inspection at the BLM Montana State Office Public Room.

(Authority: 43 CFR 3422.3–2)

## DEPARTMENT OF THE INTERIOR

### Bureau of Safety and Environmental Enforcement

[Docket ID BSEE–2025–0101; EEEE500000–256E1700D2–ET1SF0000.EAQ000; OMB Control Number 1014–0004]

#### Agency Information Collection Activities; Oil and Gas Well-Completion Operations

**AGENCY:** Bureau of Safety and Environmental Enforcement, Interior.

**ACTION:** Notice of information collection; request for comment.

**SUMMARY:** In accordance with the Paperwork Reduction Act (PRA) of 1995, the Bureau of Safety and Environmental Enforcement (BSEE) proposes to renew an information collection.

**DATES:** Interested persons are invited to submit comments on or before October 7, 2025.

**ADDRESSES:** Send your comments on this information collection request (ICR)

by either of the following methods listed below:

- Electronically go to <http://www.regulations.gov>. In the Search box, enter BSEE–2025–0101 then click search. Follow the instructions to submit public comments and view all related materials. We will post all comments.

- Email [Kelly.Odom@bsee.gov](mailto:Kelly.Odom@bsee.gov), fax (703) 787–1775, or mail or hand-carry comments to the Department of the Interior; Bureau of Safety and Environmental Enforcement; Regulations and Standards Branch; ATTN: Kelly Odom; 45600 Woodland Road, Sterling, VA 20166. Please reference OMB Control Number 1014–0004 in the subject line of your comments.

#### FOR FURTHER INFORMATION CONTACT:

Kelly Odom by email at [Kelly.Odom@bsee.gov](mailto:Kelly.Odom@bsee.gov) or by telephone at (703) 787–1775. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

**SUPPLEMENTARY INFORMATION:** In accordance with the PRA and 5 CFR 1320.8(d)(1), all information collections require approval under the PRA. We may not conduct, or sponsor and you are not required to respond to a collection of information unless it displays a currently valid OMB control number.

As part of our continuing effort to reduce paperwork and respondent burdens, we invite the public and other Federal agencies to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

We are especially interested in public comment addressing the following:

- (1) Whether or not the collection of information is necessary for the proper performance of the functions of the agency, including whether or not the information will have practical utility;
- (2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) How might the agency minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

**Abstract:** The regulations at 30 CFR part 250, subpart E, pertain to oil and gas well-completion operations and are the subject of this collection. This request also covers the related Notices to Lessees and Operators (NTLs) that BSEE issues to clarify, supplement, or provide additional guidance on some aspects of our regulations.

The BSEE uses the information collected under subpart E to ensure that planned well-completion operations will protect personnel and natural resources. They use the analysis and evaluation results in the decision to approve, disapprove, or require modification to the proposed well-completion operations. Specifically, BSEE uses the information to ensure:

- compliance with personnel safety training requirements;
- crown block safety device is operating and can be expected to function to avoid accidents;
- proposed operation of the annular preventer is technically correct and provides adequate protection for personnel, property, and natural resources;
- blowout prevention equipment complies with the most recent WCR and API Standard 53;
- well-completion operations are conducted on well casings that are structurally competent; and
- sustained casing pressures are within acceptable limits.

**Title of Collection:** 30 CFR part 250, subpart E, “Oil and Gas Well-Completion Operations.”

**OMB Control Number:** 1014–0004.

**Form Number:** None.

**Type of Review:** Extension of a currently approved collection.

**Respondents/Affected Public:**

Potential respondents include Federal OCS oil, gas, and sulfur lessees and/or operators and holders of pipeline rights-of-way.

**Total Estimated Number of Annual Respondents:** Currently there are approximately 550 Federal OCS oil, gas, and sulfur lessees and holders of pipeline rights-of-way. Not all the potential respondents will submit information in any given year, and some may submit multiple times.

**Total Estimated Number of Annual Responses:** 5,898.

**Estimated Completion Time per Response:** Varies from 1.5 hours to 13 hours, depending on activity.

**Total Estimated Number of Annual Burden Hours:** 17,985.

**Respondent's Obligation:** Mandatory.

**Frequency of Collection:** Generally submitted weekly, biennially, and on occasion, depending on the requirement.

**Total Estimated Annual Nonhour Burden Cost:** We have identified no non-hour cost burdens associated with this collection of information.

An agency may not conduct, or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

The authority for this action is the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

**Kenneth C. Stevens,**

*Principal Deputy Director, Exercising the Delegated Authorities of the Director Bureau of Safety and Environmental Enforcement.*

## INTERNATIONAL TRADE COMMISSION

**[Investigation Nos. 701–TA–750 and 731–TA–1728 (Final)]**

### **Sol Gel Alumina-Based Ceramic Abrasive Grains From China; Cancellation of Hearing for Antidumping and Countervailing Duty Investigations**

**AGENCY:** United States International Trade Commission.

**ACTION:** Notice.

**DATES:** August 5, 2025.

**FOR FURTHER INFORMATION CONTACT:**

Keysha Martinez (202–205–2136), Office of Investigations, U.S. International

Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202–205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

**SUPPLEMENTARY INFORMATION:** On May 22, 2025, the Commission established a schedule for the conduct of the final phase of the subject investigations (90 FR 23359, June 2, 2025). On July 28, 2025, counsel for Saint-Gobain Ceramics & Plastics, Inc. filed a request that the Commission cancel the scheduled hearing for these investigations and indicated a willingness to respond to any Commission questions in lieu of an actual hearing. On August 1, 2025, counsel for Saint-Gobain Ceramics & Plastics, Inc. filed a request to appear at the hearing. No other parties submitted a request to appear at the hearing. Consequently, the public hearing in connection with these investigations, scheduled to begin at 9:30 a.m. on Thursday, August 7, 2025, is cancelled. Parties to these investigations should respond to any written questions posed by the Commission in their posthearing briefs, which are due to be filed on August 14, 2025.

For further information concerning this proceeding, see the Commission's notice cited above and the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

**Authority:** This investigation is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.21 of the Commission's rules.

By order of the Commission.

Issued: August 5, 2025.

**Lisa Barton,**

*Secretary to the Commission.*
