International Trade Administration
[A–821–840]

Unwrought Palladium From the Russian Federation: Initiation of Less-Than-Fair-Value Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable August 19, 2025.

FOR FURTHER INFORMATION CONTACT: Rebecca Janz, Office II, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–2972.

SUPPLEMENTARY INFORMATION:

The Petition

On July 30, 2025, the U.S. Department of Commerce (Commerce) received an antidumping duty (AD) Petition concerning imports of unwrought palladium from the Russian Federation (Russia), filed in proper form on behalf of Stillwater Mining Company d/b/a Sibanye-Stillwater and the United Steel Paper, and Forestry, Rubber, Manufacturing, Energy, Industrial and Service Workers International Union, AFL–CIO, CLC (the petitioners), a domestic producer of unwrought palladium and a certified union, which represents workers engaged in the production of unwrought palladium in the United States.¹ The AD Petition was accompanied by a countervailing duty (CVD) Petition concerning imports of unwrought palladium from Russia.²

Between August 4 and 11, 2025, Commerce requested supplemental

information pertaining to certain aspects of the Petition in supplemental questionnaires.³ Between August 6 and 11, 2025, the petitioners filed timely responses to these requests for additional information.⁴

In accordance with section 732(b) of the Tariff Act of 1930, as amended (the Act), the petitioners allege that imports of unwrought palladium from Russia are being, or are likely to be, sold in the United States at less than fair value (LTFV) within the meaning of section 731 of the Act, and that imports of such products are materially injuring, or threatening material injury to, the unwrought palladium industry in the United States. Consistent with section 732(b)(1) of the Act, the Petition was accompanied by information reasonably available to the petitioners supporting their allegations.

Commerce finds that the petitioners filed the Petition on behalf of the domestic industry, because the petitioners are interested parties, as defined in sections 771(9)(C) and (D) of the Act. Commerce also finds that the petitioners demonstrated sufficient industry support for the initiation of the requested LTFV investigation.⁵
