Title: Application to Participate in Rural Digital Opportunity Fund Auction, FCC Form 183.

Form Number: FCC Form 183.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities, Not-for-profit institutions, and State, Local or Tribal governments.

Number of Respondents and Responses: 500 respondents and 500 responses.

Estimated Time per Response: 7 hours.

Frequency of Response: On occasion reporting requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained in 47 U.S.C. 154, 214, 254 and 303(r) of the Communications Act of 1934, as amended.

Total Annual Burden: 3,500 hours.

Total Annual Cost: No Cost.

Needs and Uses: The Commission will use the information collected to determine whether applicants are eligible to participate in the Rural Digital Opportunity Fund. On January 30, 2020 the Commission adopted the *Rural Digital Opportunity Fund Order*, WC Docket Nos. 19-126, 10-90, FCC 20-5 set a budget of up to \$20.4 billion to support broadband networks in rural America.

To implement the Rural Digital Opportunity Fund auction, the Commission adopted rules for the Rural Digital Opportunity Fund auction, including the adoption of a two-stage application process. Any entity that wished to participate in the Rural Digital Opportunity Fund auction was required to submit the FCC Form 183 short-form application to demonstrate its qualifications to bid. Accordingly, the Commission collects this information pursuant to section 54.804(a) of the Commission's rules 47 CFR 54.804(a). Based on the Commission's experience with auctions and consistent with the record, this two-stage collection of information balances the need to collect information essential to conduct a successful auction with administrative efficiency.

Under this information collection, the Commission will collect information that will be used to determine whether an applicant is legally qualified to participate in an auction for Rural Digital Opportunity Fund support. To aid in collecting this information, the Commission will use FCC Form 183, which the public will use to provide the necessary information and certifications. Commission staff will review the information collected on FCC Form 183 as part of the pre-auction process, prior to the start of the auction, and determine whether each applicant satisfies the Commission's requirements to participate in an auction for Rural Digital Opportunity Fund support. Without the information collected on FCC Form 183, the Commission will not be able to determine if an applicant is legally qualified to participate in the auction and has complied with the various applicable regulatory and statutory auction requirements for such participation. Any additional revisions or new collections for OMB review that address other reforms adopted in the *Rural Digital Opportunity Fund Order* will be submitted at a later date.
