The information collected on the Request for Special Priorities Assistance is limited to: (1) Name, address, and contact information of the person making the request for priority rating of a contract, (2) Name, address, and contact information of the vendor supplying the item, (3) Items the person is requesting for a priority rating on a contract, including 'required by shipping dates' and (4) Explanatory section for the person to include circumstances requiring this request.

Failure to collect and maintain the data collected on the form will limit or eliminate USDA's ability to prepare for, respond to, and conduct emergency recovery actions because of an actual or impending hazard.
