

grant plus all the other Federal funds you receive exceed \$10,000,000.

#### Award Administration Information

1. *Award Notices:* If your application is successful, we will notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN), or we may send you an email containing a link to access an electronic version of your GAN. We also may notify you informally.

If your application is not evaluated or not selected for funding, we will notify you.

2. *Administrative and National Policy Requirements:* Administrative and national policy requirements are identified in the application package and referenced in the *Applicable Regulations* section of the competition's NIA. The regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of the competition notice include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Open Licensing Requirements:* Unless an exception applies and is identified in the NIA, if you are awarded a grant by the Department, you will be required to openly license to the public grant deliverables created in whole, or in part, with Department grant funds. When the deliverable consists of modifications to pre-existing works, the license extends only to those modifications that can be separately identified and only to the extent that open licensing is permitted under the terms of any licenses or other legal restrictions on the use of pre-existing works. Additionally, a grantee that is awarded competitive grant funds must have a plan to disseminate these public grant deliverables. This dissemination plan can be developed and submitted after your application has been reviewed and selected for funding. For additional information on the open licensing requirements please refer to 2 CFR 3474.20.

4. *Reporting:* (a) If you apply for a grant, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements should you receive funding under the competition. This does not apply if you have an exception.

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multiyear award, you must submit an annual performance report that provides the most current performance and financial expenditure

information as directed by the Secretary. The Secretary may also require more frequent performance reports.

(c) The Secretary may provide a grantee with additional funding for data collection analysis and reporting. In this case the Secretary establishes a data collection period.

5. *Continuations:* When applicable, in making a continuation award, the Secretary considers, among other things: whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; if the Secretary has established performance measurement requirements, whether the grantee has made substantial progress in achieving the performance targets in the grantee's approved application; and whether the continuation of the project is in the best interest of the Federal Government.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances and specific conditions in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department.

*Accommodations; Accessible Format:* Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section in the competition NIA. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual's application remains subject to all other requirements and limitations in the competition NIA.

On request to the person listed under **FOR FURTHER INFORMATION CONTACT**, individuals with disabilities can obtain this document and a copy of the application package in an accessible format. The Department will provide the requestor with an accessible format that may include Rich Text Format (RTF) or text format (txt), a thumb drive, an MP3 file, braille, large print, audiotape, compact disc, or other accessible format.

[Docket No.: ED-2025-SCC-0023]

#### Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Comment Request; Transition and Postsecondary Programs for Students With Intellectual Disabilities (TPSID) Evaluation Protocol

**AGENCY:** Office of Postsecondary Education (OPE), Department of Education (ED).

**ACTION:** Notice.

**SUMMARY:** In accordance with the Paperwork Reduction Act (PRA) of 1995, the Department is proposing a revision of a currently approved information collection request (ICR).

**DATES:** Interested persons are invited to submit comments on or before September 29, 2025.

**ADDRESSES:** Written comments and recommendations for proposed information collection requests should be submitted within 30 days of publication of this notice. Click on this link [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain) to access the site. Find this information collection request (ICR) by selecting "Department of Education" under "Currently Under Review," then check the "Only Show ICR for Public Comment" checkbox. *Reginfo.gov* provides two links to view documents related to this information collection request. Information collection forms and instructions may be found by clicking on the "View Information Collection (IC) List" link. Supporting statements and other supporting documentation may be found by clicking on the "View Supporting Statement and Other Documents" link.

**FOR FURTHER INFORMATION CONTACT:** For specific questions related to collection activities, please contact Shedita Alston, 202-453-7090.

**SUPPLEMENTARY INFORMATION:** The Department is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in

response to this notice will be considered public records.

*Title of Collection:* Transition and Postsecondary Programs for Students With Intellectual Disabilities (TPSID) Evaluation Protocol.

*OMB Control Number:* 1840–0825.

*Type of Review:* A revision of a currently approved ICR.

*Respondents/Affected Public:* Private Sector.

*Total Estimated Number of Annual Responses:* 40.

*Total Estimated Number of Annual Burden Hours:* 788.

*Abstract:* The Transition and Postsecondary Programs for Students with Intellectual Disabilities Coordinating Center (TPSID–CC) program is the evaluation arm for the work that is being completed by the TPSID program grantees. TPSID–CC uses data collected from the work that the TPSID program grantees are doing on behalf of the TPSID program participants, to establish a comprehensive research and evaluation protocol for TPSID program grantees, non-TPSID program CTP

(comprehensive transition programs) and pertinent stakeholders. TPSID program grantees can use the evidence-based information they receive from the data that is collected by the TPSID–CC to find ways to apply what they have learned to their respective TPSID program projects. Simultaneously, the TPSID–CC is also providing technical assistance to build the capacity of IHEs across the country to make college possible for students with intellectual disabilities who want to go to college. Data must be collected by the TPSID–CC on accreditation standards and communications with recognized accrediting agencies; descriptions and analyses of funding streams, and the impact of the TPSID–CC’s technical assistance activities related to outreach and dissemination.

In October 2020, the Institute for Community Inclusion (ICI), UMass Boston received a five-year cooperative agreement from the Office of Postsecondary Education to serve as the National Coordinating Center (NCC) for colleges and universities implementing inclusive higher education programs for students with intellectual disabilities, including 22 model demonstration projects aimed at creating inclusive comprehensive transition and postsecondary programs for students with intellectual disabilities known as Transition and Postsecondary Programs for Students with Intellectual Disabilities (TPSIDs).

To reduce respondent burden, the NCC has streamlined and simplified the

previously approved evaluation system for the TPSID programs. The NCC will enhance the collection and analyses of longitudinal follow-up data from TPSID model programs via an already developed and previously OMB approved evaluation system for the TPSID programs. The revised data collection system is part of an evaluation effort. The system will collect program data at the institutions from TPSID program staff via an online, secure data management system.
