Biomim GmbH; Filing of Food Additive Petition (Animal Use)

ACTION: Notification of petition.

SUMMARY: The Food and Drug Administration (FDA or we) is announcing that we have filed a food additive petition, submitted by Biomim GmbH, proposing that we amend our food additive regulations to provide for the safe use of zeaxanthin hydrolyase to

degrade zearalenone in swine food at no less than 10 U/kg complete feed (U = the five-fold enzymatic activity that hydrolyzes 1 μ mol zearalenone per minute in a solution of 5 mg/L zearalenone).

DATES: The food additive petition was filed on August 6, 2025.

ADDRESSES: For access to the docket to read background documents or comments received, go to <https://www.regulations.gov> and insert the docket number found in brackets in the heading of this document into the "Search" box and follow the prompts, and/or go to the Dockets Management Staff, 5630 Fishers Lane, Rm. 1061, Rockville, MD 20852.

SUPPLEMENTARY INFORMATION: Under section 409(b)(5) of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 348(b)(5)), we are giving notice that we have filed a food additive petition (FAP 2324), submitted by Biomin GmbH, Erber Campus 1, 3131 Getzersdorf, Austria. The petition proposes that we amend our food additive regulations in 21 CFR part 573—Food Additives Permitted in Feed and Drinking Water of Animals, to provide for the safe use of Zearalenone hydrolase to degrade zearalenone in swine food at no less than 10 U/kg complete feed (U = the five-fold enzymatic activity that hydrolyzes 1 μ mol zearalenone per minute in a solution of 5 mg/L zearalenone).

The petitioner has claimed that this action is categorically excluded under 21 CFR 25.32(r) because it is of a type that does not individually or cumulatively have a significant effect on the human environment. In addition, the petitioner has stated that, to their knowledge, no extraordinary circumstances exist that may significantly affect the quality of the human environment. If FDA determines a categorical exclusion applies, neither an environmental assessment nor an environmental impact statement is required. If FDA determines a categorical exclusion does not apply, we will request an environmental assessment and make it available for public inspection.

Deputy Commissioner for Policy, Legislation, and International Affairs.

DEPARTMENT OF THE TREASURY

Internal Revenue Service

26 CFR Part 301

[REG-129260-16]

RIN 1545-BN96

Disclosure of Returns and Return Information in Connection With Written Contracts or Agreements for the Acquisition of Property or Services for Tax Administration Purposes; Withdrawal

AGENCY: Internal Revenue Service (IRS), Treasury.

ACTION: Withdrawal of notice of proposed rulemaking.

SUMMARY: This document withdraws a notice of proposed rulemaking that has been determined to be unnecessary. The notice of proposed rulemaking proposed to authorize the Department of State (State Department) to disclose returns and return information to its contractors who assist the State Department in carrying out certain responsibilities related to revoking or denying a passport of any individual certified to have a seriously delinquent tax debt.

DATES: The notice of proposed rulemaking that was published in the **Federal Register** on March 13, 2018, is withdrawn as of September 3, 2025.

FOR FURTHER INFORMATION CONTACT: Alexander Wu of the Office of Associate Chief Counsel (Procedure and Administration), (202) 317-6845 (not a toll-free number).

SUPPLEMENTARY INFORMATION:

Background

Section 7345 of the Internal Revenue Code (Code), which was added to the Code by section 32101(a) of the Fixing America's Surface Transportation (FAST) Act, Public Law 114-94, 129 Stat. 1312 (2015), requires the IRS to notify the State Department about any tax debt of an individual that the IRS certifies as seriously delinquent. Section 32101(e) of the FAST Act requires the State Department to deny such individual a passport (or the renewal of a passport) if the IRS notifies the State Department that the individual has been certified as having a seriously delinquent tax debt. Section 32101(e) of the FAST Act also permits the State Department to revoke a passport previously issued to such person. The State Department procures services from outside contractors in connection with carrying out its responsibilities under the FAST Act.

Under section 6103(a) of the Code, returns and return information are confidential unless the Code otherwise authorizes disclosure. Section 6103(n) authorizes, pursuant to regulations prescribed by the Secretary of the Treasury or the Secretary's delegate (Secretary), the disclosure of returns and return information to any person for purposes of tax administration to the extent necessary in connection with, among other things, a written contract for services. Section 6103(b)(4) defines the term "tax administration" to include "the administration, management, conduct, direction, and supervision of the execution and application of the internal revenue laws or related statutes." Because implementation of the FAST Act relates to the administration, management, conduct, direction, and supervision of the execution and application of the internal revenue laws and related statutes, disclosure of return information for the purpose of carrying out responsibilities under the FAST Act is a tax administration purpose.

On March 13, 2018, the Department of the Treasury (Treasury Department) and the IRS published a notice of proposed rulemaking in the **Federal Register** (83 FR 10811) containing proposed regulations that would add the State Department to the list of agencies in § 301.6103(n)-1(a)(1) whose officers and employees may disclose returns and return information to any person or to an officer or employee of such person for tax administration purposes to the extent necessary in connection with a written contract for the acquisition of property or services. The proposed regulations would authorize the State Department to disclose returns and return information to its contractors providing services in connection with the revocation or denial of passports pursuant to the requirements of the FAST Act and section 7345.

The proposed regulations are unnecessary because the State Department is already authorized under § 301.6103(n)-1(a)(2)(ii) to disclose returns and return information to its contractors providing services in connection with the revocation or denial of passports pursuant to the FAST Act and section 7345, so long as the IRS authorizes the disclosure in writing and the disclosure conforms to the other provisions of § 301.6103(n)-1. Under § 301.6103(n)-1(a)(2)(ii), if an officer or employee of the Treasury Department has disclosed returns or return information to the State Department for purposes of the provision of services in furtherance of tax administration, then the State
