Data Collection Available for Public Comments

ACTION: 60-Day notice and request for comments.

SUMMARY: The Small Business Administration (SBA) intends to request approval from the Office of Management and Budget (OMB) for the collection of information described below. The Paperwork Reduction Act (PRA) requires federal agencies to publish a notice in the **Federal Register** concerning each proposed collection of information before submission to OMB, and to allow 60 days for public comment in response to the notice. This notice complies with that requirement.

DATES: Submit comments on or before November 4, 2025.

ADDRESSES: Send all comments to Kevin Valdes, kevin.valdes@sba.gov, Office of Surety Guarantees, Small Business Administration.

FOR FURTHER INFORMATION CONTACT: Kevin Valdes, Management Analyst, Office of Surety Guarantees, kevin.valdes@sba.gov, (202) 816–0137 and Shauniece Carter, Interim Agency

Clearance Officer, shauniece.carter@sba.gov, (202) 935–6942.

SUPPLEMENTARY INFORMATION: Under its Surety Bond Guarantee Program (SBG Program), the U.S. Small Business Administration is authorized to guarantee a bid bond, payment bond, performance bond, as well as any required related ancillary bonds, on a contract issued to a small business contractor up to \$9 million or up to \$14 million if a Federal contracting officer certifies that SBA’s guarantee is necessary. See Title IV of the Small Business Investment Act (SBIA), part B, 15 U.S.C. 694a *et seq.* The SBG Program was created to encourage surety companies to issue bonds for small business contractors. The SBIA authorizes SBA to establish the terms and conditions for providing surety bond guarantee assistance and for paying claims resulting from any contractor defaults.

This information collection consists of forms relating to the application process for an SBA-guaranteed bond and claims for the reimbursement of losses, including SBA Forms 990, 991, 994, 994B, 994F, 994H, a new Prior Approval surety participation agreement form, and a new Preferred Surety Bond (PSB) surety participation agreement form. Except in the case of SBA Form 994H and the surety participation agreement forms, SBA uses the information to evaluate whether the small business applicant meets the eligibility requirements for a surety bond, as well as the likelihood that the small business will successfully complete the bonded contract. The information collected for this purpose includes: Demographics on all owners of the bond applicant, which has no bearing on the approval decision; the status of any current or past SBA financial assistance provided to the applicant; NAICS code for applicant’s industry; financial statements; contract amount and nature of contract performance; and in the event performance has begun, evidence that applicant has paid all suppliers and subcontractors. With respect to SBA Form 994H, SBA uses the information collected to evaluate the surety’s claim for reimbursement of losses. Surety is required to provide information regarding the date the small business defaulted on the contract; the reason for the default, the amount of any recoveries, and any additional information that would support the surety’s claim for reimbursement. With respect to the new surety participation forms, SBA uses the information collected to document the

acknowledgement, by participating sureties and agencies, of the program's statutory and regulatory requirements for participation, and certification that the executing parties will comply with all requirements during their participation. The forms will only collect execution by a qualified representative of the surety and the date of execution.

Solicitation of Public Comments

SBA is requesting comments on (a) whether the collection of information is necessary for the agency to properly perform its functions; (b) whether the burden estimates are accurate; (c) whether there are ways to minimize the burden, including through the use of automated techniques or other forms of information technology; and (d) whether there are ways to enhance the quality, utility, and clarity of the information.

Specially Designated Global Terrorist Designations of Los Choneros and Los Lobos

Acting under the authority of and in accordance with section 1(a)(ii)(A) of Executive Order 13224, as amended ("E.O. 13224" or "Order"), I hereby determine that the persons known as Los Choneros (also known as The Choneros, Aguilas, Fatales); and Los Lobos (also known as The Lobos, Los Lobos Drug Trafficking Organization) are foreign persons who have committed or have attempted to commit, pose a significant risk of committing, or have participated in training to commit acts of terrorism that threaten the security of U.S. nationals or the national security, foreign policy, or economy of the United States.

Consistent with the determination in section 10 of E.O. 13224 that prior notice to persons determined to be subject to the Order who might have a constitutional presence in the United States would render ineffectual the blocking and other measures authorized in the Order because of the ability to transfer funds instantaneously, I determine that no prior notice needs to be provided to any person subject to this determination who might have a constitutional presence in the United States, because to do so would render ineffectual the measures authorized in the Order.

This determination shall be published in the **Federal Register**.
