#### Notice of Inventory Completion: Ohio History Connection, Columbus, OH

**AGENCY:** National Park Service, Interior.

**ACTION:** Notice.

**SUMMARY:** In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Ohio History Connection has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

**DATES:** Repatriation of the human remains and associated funerary objects in this notice may occur on or after October 10, 2025.

**ADDRESSES:** Send written requests for repatriation of the human remains and associated funerary objects in this notice to Stephanie Kline, Ohio History Connection, 800 E 17th Avenue, Columbus, OH 43211, email [nagpra@ohiohistory.org](mailto:nagpra@ohiohistory.org).

**SUPPLEMENTARY INFORMATION:** This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Ohio History Connection, and additional information

on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

#### Abstract of Information Available

Human remains representing, at least, five individuals have been identified. The 721 associated funerary objects are one biface, two cores, 174 debitage, one drill, 101 faunal remains, 56 fire-cracked rock, 29 flora remains, one gorget fragment, one hammerstone, one unknown object, four projectile points, 72 raw materials, 275 ceramic sherds, and three stones have been identified as unassociated funerary objects. The individuals were excavated from the Seiple site in Wood County east of the Portage River. The site was identified by surface disturbance and then excavated by G. Michael Pratt in the 1980's and 90's and is dated to 800 BCE–CE 900. The individuals and belongings were then donated to the Ohio History Connection by Heidelberg University in 2018 (OHC Accession number A 5391). There are no known contaminants or treatments.

#### Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location or acquisition history of the human remains and associated funerary objects described in this notice.

#### Determinations

The Ohio History Connection has determined that:

- The human remains described in this notice represent the physical remains of five individuals of Native American ancestry.
- The 721 objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between the human remains and associated funerary objects described in this notice and the Match-e-be-nash-she-wish Band of Pottawatomi Indians of Michigan; Miami Tribe of Oklahoma; Nottawaseppi Huron Band of the Potawatomi, Michigan; Pokagon Band of Potawatomi Indians, Michigan and Indiana; and the Saginaw Chippewa Indian Tribe of Michigan.

#### Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary

objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.

2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains and associated funerary objects described in this notice to a requestor may occur on or after October 10, 2025. If competing requests for repatriation are received, the Ohio History Connection must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The Ohio History Connection is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

*Authority:* Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

#### Notice of Inventory Completion: Indiana University, Bloomington, IN

**AGENCY:** National Park Service, Interior.

**ACTION:** Notice.

**SUMMARY:** In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), Indiana University has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

**DATES:** Repatriation of the human remains and associated funerary objects

in this notice may occur on or after October 10, 2025.

**ADDRESSES:** Send written requests for repatriation of the human remains and associated funerary objects in this notice to Dr. Jayne-Leigh Thomas, Indiana University, Student Building 318, 701 E Kirkwood Avenue, Bloomington, IN 47405, email [thomajay@iu.edu](mailto:thomajay@iu.edu).

**SUPPLEMENTARY INFORMATION:** This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of Indiana University, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

#### Abstract of Information Available

Human remains representing, at least, nine individuals have been identified. The two associated funerary objects are one lot of faunal bones and one lot of ceramic fragments. Two of the ancestors and one lot of faunal bones were discovered from the Ramey Farm section of Cahokia Mounds (11Ms2), Madison County, Illinois. Seven of the ancestors and the one lot of ceramics were found in the Crenshaw Refuse Pit, Cahokia, Madison County, Illinois. There is no record of hazardous substances being used on this collection.

#### Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains and associated funerary objects described in this notice.

#### Determinations

Indiana University has determined that:

- The human remains described in this notice represent the physical remains of nine individuals of Native American ancestry.
- The two objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between the human remains and associated funerary objects described in this notice and the Eastern Shawnee Tribe of Oklahoma; Kaw Nation, Oklahoma; Match-e-be-nash-she-wish Band of Pottawatomi Indians of Michigan; Miami Tribe of Oklahoma; Peoria Tribe of Indians of

Oklahoma; Pokagon Band of Potawatomi Indians, Michigan and Indiana; Ponca Tribe of Nebraska; Quapaw Nation; Sac & Fox Nation, Oklahoma; Shawnee Tribe; and The Osage Nation.

#### Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains and associated funerary objects described in this notice to a requestor may occur on or after October 10, 2025. If competing requests for repatriation are received, Indiana University must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. Indiana University is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and any other consulting parties.

**Notice of Intended Repatriation:**  
**California State University, Stanislaus,**  
**Turlock, CA, and East Bay Municipal**  
**Utility District, Valley Springs, CA**

**AGENCY:** National Park Service, Interior.  
**ACTION:** Notice.

**SUMMARY:** In accordance with the Native American Graves Protection and

Repatriation Act (NAGPRA), the California State University, Stanislaus and East Bay Municipal Utility District (EBMUD) intend to repatriate certain cultural items that meet the definition of objects of cultural patrimony and that have a cultural affiliation with the Indian Tribes or Native Hawaiian organizations in this notice.

**DATES:** Repatriation of the cultural items in this notice may occur on or after October 10, 2025.

**ADDRESSES:** Send additional, written requests for repatriation of the cultural items in this notice to Jake Malsbury, NAGPRA/CalNAGPRA Repatriation Coordinator, Office of the President, California State University, Stanislaus, One University Circle, Turlock, CA 95382, email [jmalsbury@csustan.edu](mailto:jmalsbury@csustan.edu), and Charles Beckman, Manager of Watershed and Recreation, East Bay Municipal Utility District, 15083 Camanche Parkway South, Valley Springs, CA 95252, email [charles.beckman@ebmud.com](mailto:charles.beckman@ebmud.com).

**SUPPLEMENTARY INFORMATION:** This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the California State University, Stanislaus and EBMUD, and additional information on the determinations in this notice, including the results of consultation, can be found in the summary or related records. The National Park Service is not responsible for the determinations in this notice.

#### Abstract of Information Available

A total of 204 cultural items have been requested for repatriation. The objects of cultural patrimony were removed from a site in Calaveras County, CA. The archaeologist, Lewis K. Napton from the Institute of Archaeological Research at the California State University, Stanislaus, removed the items in 1993 from the site CA-CAL-228 (also known as Valley View Site). At the time of removal, the land was owned by the East Bay Municipal Utility District. The objects of cultural patrimony include lithic flakes, shatters, a scraper, quartz minerals, and soil samples.

#### Determinations

The California State University, Stanislaus and EBMUD have determined that:

- The 204 objects of cultural patrimony described in this notice have ongoing historical, traditional, or cultural importance central to the Native American group, including any
