#### Background

On July 23, 2025, the Coalition of Freight Coupler Producers, comprised of McConway & Torley LLC, Pittsburgh, Pennsylvania, and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union, Pittsburgh, Pennsylvania, filed petitions with the Commission and Commerce, alleging that an industry in the United States is materially injured or threatened with material injury by reason of subsidized imports of freight rail couplers from India and LTFV imports of freight rail couplers from Czech Republic and India. The Commission conducted its conference on August 13, 2025. All persons who requested the opportunity were permitted to participate.

The Commission made these determinations pursuant to §§ 703(a) and 733(a) of the Act (19 U.S.C. 1671b(a) and 1673b(a)). It completed and filed its determinations in these investigations on September 8, 2025. The views of the Commission are contained in USITC Publication 5670 (September 2025), entitled *Freight Rail Couplers and Parts Thereof from Czech Republic and India: Investigation Nos. 701-TA-775 and 731-TA-1759-1760 (Preliminary)*.
