

Act and applicable federal regulations. 42 U.S.C. 7410(k); 40 CFR 52.02(a). Thus, in reviewing SIP submissions, the EPA's role is to approve state choices, provided that they meet the criteria of the CAA. Accordingly, this proposed action merely proposes to approve state law as meeting federal requirements and does not impose additional requirements beyond those imposed by state law. For that reason, this proposed action:

- Is not a significant regulatory action subject to review by the Office of Management and Budget under Executive Order 12866 (58 FR 51735, October 4, 1993);
 - Is not subject to Executive Order 14192 (90 FR 9065, February 6, 2025) because SIP actions are exempt from review under Executive Order 12866;
 - Does not impose an information collection burden under the provisions of the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*);
 - Is certified as not having a significant economic impact on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*);
 - Does not contain any unfunded mandate or significantly or uniquely affect small governments, as described in the Unfunded Mandates Reform Act of 1995 (Pub. L. 104-4);
 - Does not have federalism implications as specified in Executive Order 13132 (64 FR 43255, August 10, 1999);
 - Is not subject to Executive Order 13045 (62 FR 19885, April 23, 1997) because it proposes to approve a state program;
 - Is not a significant regulatory action subject to Executive Order 13211 (66 FR 28355, May 22, 2001); and
 - Is not subject to requirements of section 12(d) of the National Technology Transfer and Advancement Act of 1995 (15 U.S.C. 272 note) because application of those requirements would be inconsistent with the CAA.

In addition, the SIP is not approved to apply on any Indian reservation land or in any other area where the EPA or an Indian Tribe has demonstrated that a Tribe has jurisdiction. In those areas of Indian country, the rule does not have Tribal implications and will not impose substantial direct costs on Tribal governments or preempt Tribal law as specified by Executive Order 13175 (65 FR 67249, November 9, 2000).

[EPA-R09-RCRA-2024-0298; FRL-12239-01-R9]

Authorization of State Hazardous Waste Management Program Revisions: California

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: California has applied to the Environmental Protection Agency (EPA) for final authorization of changes to its hazardous waste program under the Resource Conservation and Recovery Act (RCRA), as amended. The EPA has reviewed California's application and has determined, subject to public comment, that these changes satisfy all requirements needed to qualify for final authorization. Therefore, in the "Rules and Regulations" section of this **Federal Register**, we are authorizing California for these changes as a final action without a prior proposed rulemaking. If we receive no adverse comment, we will not take further action on this proposed rule.

DATES: Comments must be received on or before October 14, 2025.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA-R09-RCRA-2024-0298, at <https://www.regulations.gov>. Follow the online instructions for submitting comments. Once submitted, comments cannot be edited or removed from www.regulations.gov. The EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. The EPA will generally not consider comments or comment contents located outside of the primary submission (*i.e.*, on the web,

cloud, or other file sharing system). For additional submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit <http://www.epa.gov/dockets/commenting-epa-dockets>.

The EPA encourages electronic submissions, but if you are unable to submit electronically or need other assistance, please contact Naimah Ali, the contact listed in the **FOR FURTHER INFORMATION CONTACT** section. Please also contact Naimah Ali if you need assistance in a language other than English or if you are a person with disabilities who needs a reasonable accommodation at no cost to you.

All documents in the docket are listed in the www.regulations.gov index. Publicly available docket materials are available electronically in www.regulations.gov. For alternative access to docket materials, please contact Naimah Ali, the contact listed in the **FOR FURTHER INFORMATION CONTACT** section.

SUPPLEMENTARY INFORMATION: This document proposes to take action on California's changes to its hazardous waste management program under the Resource Conservation and Recovery Act (RCRA), as amended. We have published a final action authorizing these changes in the "Rules and Regulations" section of this **Federal Register** because we view this as a noncontroversial action and anticipate no adverse comment. We have explained our reasons for this action in the preamble to the final action.

If we receive no adverse comment, we will not take further action on this proposed rule. If we receive adverse comment, we will either publish a withdrawal notification promptly in the **Federal Register** informing the public that the final action will not take effect, or we will publish a notification containing a response to comments that either reverses the decision or affirms that the final action will take effect. In the event that the final action is withdrawn, we would address all public comments and make a final decision on authorization in a subsequent final action.

We do not intend to institute a second comment period on this action. Any parties interested in commenting must do so at this time. For further information, please see the information provided in the **ADDRESSES** section of this document.

Dated: September 3, 2025.

Maryland: Final Approval of State Underground Storage Tank Program Revisions, Codification, and Incorporation by Reference

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: Pursuant to the Solid Waste Disposal Act of 1965, as amended (commonly known as the Resource Conservation and Recovery Act (RCRA)), the Environmental Protection Agency (EPA) is proposing to approve revisions to the State of Maryland's Underground Storage Tank (UST) program submitted by Maryland (Maryland or State). This action is based on EPA's determination that these revisions satisfy all the requirements needed for program approval. This action also proposes to codify EPA's approval of Maryland's state program and to incorporate by reference (IBR) those provisions of Maryland's regulations and statutes that EPA has determined meet the requirements for approval. The provisions will be subject to EPA's inspection and enforcement authorities under sections 9005 and 9006 of RCRA Subtitle I and other applicable statutory and regulatory provisions. In the "Rules and Regulations" section of this issue of the **Federal Register**, EPA is approving this action by a direct final rule. If no significant negative comment is received, EPA will not take further action on this proposed rulemaking, and the direct final rule will be effective 60 days from the date of publication in this **Federal Register**. If you want to comment on EPA's proposed approval of Maryland's revisions to its state UST program, you must do so at this time.

DATES: Send written comments by November 10, 2025.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA-R03-UST-2025-0091, by one of the following methods:

1. *Federal eRulemaking Portal:* <https://www.regulations.gov>. Follow the on-line instructions for submitting comments.

2. *Email:* uybarreta.thomas@epa.gov.

Instructions: Direct your comments to Docket ID No. EPA-R03-UST-2025-0091. EPA's policy is that all comments received will be included in the public docket without change and may be available online at <https://www.regulations.gov>, including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through <https://www.regulations.gov>, or email. The Federal website, <https://www.regulations.gov>, is an "anonymous access" system, which means EPA will not know your identity or contact

information unless you provide it in the body of your comment. If you send an email comment directly to EPA without going through <https://www.regulations.gov>, your email address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the internet. If you submit an electronic comment, EPA recommends that you include your name and other contact information in the body of your comment. If EPA cannot read your comment due to technical difficulties, and cannot contact you for clarification, EPA may not be able to consider your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses. EPA encourages electronic submissions, but if you are unable to submit electronically, please reach out to the EPA contact person listed in the notice for assistance. If you need assistance in a language other than English, or you are a person with disabilities who needs a reasonable accommodation at no cost to you, please reach out to the EPA contact person by email or phone. You can review and copy the documents that form the basis for this proposed action and associated publicly available materials through <https://www.regulations.gov>.
