

unnecessary, and we are issuing this regulation as a final rule.

In addition, for the reasons cited above, we find good cause for dispensing with the 30-day delay in the effective date of this final rule. 5 U.S.C. 553(d)(3). We are not making any substantive changes to the listings in these body systems. Without an extension of the expiration date for these listings, we will not have the criteria we need to assess medical impairments in these 13 body systems at step three of the sequential evaluation processes. We therefore find it is in the public interest to make this final rule effective on the publication date.

Executive Order 12866, as Supplemented by Executive Order 13563

We consulted with the Office of Management and Budget (OMB) and determined that this final rule does not meet the requirements for a significant regulatory action under Executive Order 12866, as supplemented by Executive Order 13563. Therefore, OMB did not review it. We also determined that this final rule meets the plain language requirement of Executive Order 12866.

Regulatory Flexibility Act

We certify that this final rule does not have a significant economic impact on a substantial number of small entities because it affects only individuals. Therefore, a regulatory flexibility analysis is not required under the Regulatory Flexibility Act, as amended.

Paperwork Reduction Act

This final rule only extends the date for the medical listings cited above, but does not create any new or affect any existing collections, or otherwise change any content of the currently published rules. Accordingly, it does not impose any burdens under the Paperwork Reduction Act and does not require OMB approval.

(Federal Assistance Listing Nos. 96.001, Social Security—Disability Insurance; 96.002, Social Security—Retirement Insurance; 96.004, Social Security—Survivors Insurance; 96.006, Supplemental Security Income)

List of Subjects in 20 CFR Part 404

Administrative practice and procedure, Blind, Disability benefits, Old-age, Survivors and disability insurance, Reporting and recordkeeping requirements, Social Security.

For the reasons set out in the preamble, we are amending appendix 1 to subpart P of part 404 of chapter III of title 20 of the Code of Federal Regulations as set forth below.

PART 404—FEDERAL OLD-AGE, SURVIVORS AND DISABILITY INSURANCE (1950—)

Subpart P—Determining Disability and Blindness

■ 1. The authority citation for subpart P of part 404 continues to read as follows:

Authority: 42 U.S.C. 402, 405(a)–(b) and (d)–(h), 416(i), 421(a) and (h)–(j), 422(c), 423, 425, 902(a)(5), and 1320e–3; sec. 211(b), Pub. L. 104–193, 110 Stat. 2105, 2189; sec. 202, Pub. L. 108–203, 118 Stat. 509 (42 U.S.C. 902 note).

■ 2. Amend appendix 1 to subpart P of part 404 in the introductory text by revising items 1 through 5, 7 and 8, and 10 through 15 to read as follows:

Appendix 1 to Subpart P of Part 404—Listing of Impairments

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 100

[Docket Number USCG–2025–0586]

RIN 1625–AA08

Special Local Regulation; Galveston Channel, Galveston, TX

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is establishing a special local regulation for the safety of life on certain waters of the Galveston Channel in Galveston County, TX. These regulations will be enforced during a boat parade which will be held annually, on the third Saturday in September. This proposed rulemaking prohibits entry of non-participants into the regulated area unless specifically authorized by the Captain of the Port, Sector Houston-Galveston (COTP) or designated representative.

DATES: This rule is effective September 16, 2025.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG–2025–0586 in the search box and click “Search.” Next, in the Document Type column, select “Supporting & Related Material.”

FOR FURTHER INFORMATION CONTACT: If you have questions about this proposed rulemaking, call or email Lieutenant Ignacio J. Fernández-Cuervo, Marine Safety Unit Texas City, Waterways Management Division, U.S. Coast Guard; telephone (281) 309–1617, email MSUTexasCityWaterways@uscg.mil.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
COTP Captain of the Port, Houston-Galveston
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
PATCOM Patrol Commander
§ Section
SLR Special Local Regulation
U.S.C. United States Code

II. Background Information and Regulatory History

Coast Guard regulations define “regatta or marine parade” as an organized water event of limited duration which is conducted according to a prearranged schedule. 33 CFR

100.05(a). And, as explained in 33 CFR 100.15, the Coast Guard requires that an organization planning to hold a regatta or marine event apply for a permit if the event, by its nature, circumstances, or location, will introduce extra or unusual hazards to the safety of life on the navigable waters of the United States. Upon the approval of an application, under 33 CFR 100.35(a), the COTP may promulgate such “Special Local Regulations” (SLR’s) as he or she deems necessary to ensure safety of life on the navigable waters immediately prior to, during, and immediately after the event.

The Texian Navy submitted a marine event permit application in 2024 for a boat parade, and the event was permitted by the Coast Guard with a temporary SLR created for the event, which expired after the 2024 event completion. The Texian Navy submitted a new marine event permit application again in 2025 and expressed intent to submit applications annually to hold the event on the same day each year (the third Saturday in September). In response, on August 8, 2025, the Coast Guard published a notice of proposed rulemaking (NPRM) titled Special Local Regulation; Galveston Channel, Galveston, TX (90 FR 38423). There we stated why we issued the NPRM and invited comments on our proposed regulatory action related to this boat parade. During the comment period that ended August 18, 2025, we received no comments.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to the public interest because prompt action is needed to respond to the potential safety hazards associated with the 2025 boat parade scheduled for September 20, 2025.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under the authority in 46 U.S.C. 70041. The Captain of the Port Sector Houston-Galveston (COTP) has determined that potential hazards associated with the boat parade will be a safety concern for anyone within a 200-yard radius of the parade in the Galveston Channel. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the regulated areas while the parade is ongoing.

IV. Discussion of Comments, Changes, and the Rule

As noted above, we received no comments on our NPRM published

August 8, 2025. There are no changes in the regulatory text of this rule from the proposed rule in the NPRM.

This rule modifies 33 CFR 100.801 by listing a new recurring marine event in Table 3 of § 100.801, which covers the Coast Guard Sector Houston-Galveston COTP Zone. The regulated area created by this rule would encompass three zones to include a Pre-Staging Zone, Spectator Zone, and Parade Transit Zone as described below:

Pre-Staging Zone: This area is the pre-staging area for participating vessels to line up. It will include all waters within a 200-yard radius of 29°20′23″ N, 094°46′37″ W.

Spectator Zone: All vessels that will be viewing the event will be required to stay within a designated area. The sponsor is responsible for marking the spectator zone with four buoys on the outer corners and ensuring that all vessels within the area are anchored and remain in the area during parade transit. The following coordinates are the approximate location of the Spectator Zone: 29°19′17″ N, 094°46′36″ W, thence to 29°19′37″ N, 094°46′53″ W, and both points connecting to the eastern shore.

Parade Transit Zone: This area is exclusive to vessels participating in the parade. It will include all waters within the following areas: 29°19′07.02″ N, 094°47′10.98″ W, thence to 29°18′55.43″ N, 094°47′04.23″ W, thence to 29°20′29.45″ N, 094°46′14.18″ W, thence to 29°20′32.68″ N, 094°46′29.94″ W, and along the shore line back to the beginning point.

A person or vessel not registered with the event sponsor as a participant or assigned as official patrols would be considered a spectator. A spectator vessel must not loiter within the navigable channel while within the regulated area. Official patrol vessels would direct spectators to the designated spectator zone. Official Patrols are any vessel assigned or approved by the Commander, Coast Guard Sector Houston-Galveston with a commissioned, warrant, or petty officer onboard and displaying a Coast Guard ensign. Official Patrols enforcing this regulated area can be contacted on VHF-FM channel 12. All non-participants will be prohibited from entering the established pre-staging and parade transit zones without obtaining permission from the on-water Safety Officer or designated representative. To seek permission to enter, contact the COTP or the COTP’s representative by VHF Radio Channel 12. Those in the regulated area must comply with all lawful orders or directions given to

them by the COTP or the designated representative.

The term “designated representative” means Coast Guard Patrol Commanders, including Coast Guard coxswains, petty officers, and other officers operating Coast Guard vessels, and Federal, state, and local officers designated by or assisting the Captain of the Port Houston-Galveston in the enforcement of the regulated areas.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders.

A. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received no comments from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities for the following reasons. The zone will be for only one day each year. Vessel traffic will be able to safely transit around the regulated areas which would impact a small, designated area of the Galveston Channel for less than five hours. The Coast Guard will issue a Broadcast Notice to Mariners via VHF-FM marine channel 16 about the zone, and the rule will allow vessels to seek permission to enter the regulated areas.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule will affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business

Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

B. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

C. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial

direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

D. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

E. Environment

We have analyzed this rule under Department of Homeland Security Directive 023-01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321-4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a

marine event and special local regulation lasting only five hours that will prohibit entry within 200 yards of the vessel staging area, parade transit zone, and designate a vessel spectator zone. It is categorically excluded from further review under paragraph L61 of Appendix A, Table 1 of DHS Instruction Manual 023-01-001-01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the ADDRESSES section of this preamble.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways. For the reasons discussed in the preamble, the Coast Guard is proposing to amend 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

- 1. The authority citation for part 100 continues to read as follows:

Authority: 46 U.S.C. 70041; 33 CFR 1.05-1.
- 2. In § 100.801, amend table 3 by adding a new entry at the end of the table to read as follows:

§ 100.801 Annual Marine Events in the Eighth Coast Guard District.

* * * * *

BILLING CODE 9110–04–P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

[EPA–R08–OAR–2025–0204; FRL–12942–02–R8]

Air Plan Approval; Wyoming; R–35 Wyoming Air Quality Standards and Regulations Rule Package

AGENCY: Environmental Protection
Agency (EPA).

ACTION: Direct final rule.

SUMMARY: The Environmental Protection Agency (EPA) is taking direct final action to approve revisions to the Wyoming State Implementation Plan (SIP) submitted by the Wyoming Department of Environmental Quality (WDEQ) on December 16, 2024. WDEQ requested the EPA approve the revised rules for Chapters 2, 3, 4, 8, and 14 in the Wyoming Air Quality Standards and Regulations (WAQSR). The revised rules include non-substantive updates to rule language that ensure consistent grammar, formatting, and written clarity as well as updated references to the Code of Federal Regulations (CFR). The EPA is taking this action pursuant to the Clean Air Act (CAA).

DATES: This direct final rule is effective on November 10, 2025, without further notice, unless the EPA receives adverse comments by October 14, 2025. If adverse comments are received, the EPA will publish a timely withdrawal of the direct final rule in the **Federal Register** informing the public that the rule will not take effect.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA–R08–OAR–2025–0204, to the Federal Rulemaking Portal: <https://www.regulations.gov>. Follow the online instructions for submitting comments. Once submitted, comments cannot be edited or removed from <https://www.regulations.gov>. The EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written

comment. The written comment is considered the official comment and should include discussion of all points you wish to make. The EPA will generally not consider comments or comment contents located outside of the primary submission (*i.e.*, on the web, cloud, or other file sharing system). For additional submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit <https://www.epa.gov/dockets/commenting-epa-dockets>.

Docket: The EPA has established a docket for this action under Docket ID No. EPA–R08–OAR–2025–0204. All documents in the docket are listed on the <https://www.regulations.gov> website. Although listed in the index, some information is not publicly available, *e.g.*, CBI or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, is not placed on the internet and will be publicly available only in hard copy form. Publicly available docket materials are available through <https://www.regulations.gov>, or please contact the person identified in the **FOR FURTHER INFORMATION CONTACT** section for additional availability information.

FOR FURTHER INFORMATION CONTACT: Chelsea Cancino, Air and Radiation Division, EPA, Region 8, Mailcode 8ARD–IO, 1595 Wynkoop Street, Denver, Colorado 80202–1129, telephone number: (303) 312–6276, email address: cancino.chelsea@epa.gov.

SUPPLEMENTARY INFORMATION: Throughout this document “we,” “us,” and “our” means the EPA.

I. Background

WDEQ reviewed its regulations and concluded that rule revisions were needed to modify the wording of selected text to correct typographical errors and reflect new formatting guidelines. WDEQ adopted these various minor revisions and updated their rules on April 30, 2024, and then requested that the EPA approve these revisions into the Wyoming SIP in a submittal dated December 16, 2024.

II. The EPA’s Evaluation

WDEQ has requested that the EPA approve revised rules under Chapter 2, 3, 4, 8, and 14 of the WAQSR. These revisions adopt minor changes in rule language to meet updated state style and formatting guidelines. These revisions also include Incorporation by Reference (IBR) material in Wyoming’s SIP. IBR

allows state agencies to comply with the requirement to adopt certain Federal rules by referring to materials already published in the CFR. In this SIP revision, Wyoming is incorporating by reference 40 CFR parts 50, 51, 53, 60, 81, and 93 as published on July 1, 2023. No terms or definitions were added or removed from the revised sections. Since the revisions are minor in nature, do not make this rule less stringent, and do not affect the scope or intent of the rules, the EPA finds that the revisions to these chapters are approvable.

With regard to the approval of WAQSR Chapter 02, Section 04, “Ambient Standards for Sulfur Oxides,” we note that the December 16, 2024 submittal supersedes the revisions to this section contained in WDEQ’s February 10, 2014 SIP submittal that the EPA had not previously acted on.¹

III. Final Action

The EPA is approving the December 16, 2024, submission by WDEQ as a revision to the Wyoming SIP. Specifically, the EPA is approving updates to WAQSR Chapters 2, 3, 4, 8, and 14 as detailed in table 1 below.

We are publishing this action without a prior proposed rule because we view these SIP revisions as noncontroversial and anticipate no relevant adverse comment. The revisions are administrative in nature and do not constitute substantive changes to Wyoming’s SIP. However, in the “Proposed Rules” section of this **Federal Register** publication, we are publishing a separate action to approve the revisions to Wyoming’s SIP submitted by the WDEQ on December 16, 2024 if adverse comments are received on this direct final rule. We will not institute a second comment period on this action. Any parties interested in commenting must do so at this time. For further information about commenting on this rule, see the **ADDRESSES** section of this document.

If the EPA receives adverse comment, we will publish a timely withdrawal in the **Federal Register** informing the public that this direct final rule, or the relevant provisions of this rule, will not take effect. We would address all public comments in any subsequent final rule based on the proposed rule. If we receive adverse comment on a distinct provision of this rulemaking, we will publish a timely withdrawal in the

¹ See 80 FR 45608, July 31, 2015, in which the EPA did not act on the State’s proposed revisions to WAQSR Chapter 02, Section 04(a), 4(a)(i) and 4(a)(ii). These provisions are removed from Chapter 02, Section 04 as submitted December 16, 2024, and the EPA considers this submittal to supersede that of February 10, 2014.
