BILLING CODE 4163-18-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Submission for Office of Management and Budget Review; National Medical Support Notice Part A (Office of Management and Budget #: 0970-0222)

AGENCY: Office of Child Support Services, Administration for Children and Families, U.S. Department of Health and Human Services.

ACTION: Request for public comments.

SUMMARY: The Office of Child Support Services (OCSS), Administration for Children and Families (ACF) is requesting the Office of Management and Budget (OMB) to approve the National Medical Support Notice (NMSN) Part A, with minor changes, for an additional 3 years. The current OMB approval expires November 30, 2025. To allow states to program the changes to the proposed NMSN Part A, OCSS requests that the current NMSN Part A be extended 1 year.

DATES: *Comments due October 16, 2025.*

ADDRESSES: The public may view and comment on this information collection request at: https://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=202509-0970-004. You can also obtain copies of the proposed collection of information by emailing infocollection@acf.hhs.gov. Identify all emailed requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: The Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA) requires all child support orders under title IV-D of the Social Security Act to provide medical support coverage. The Child Support Performance and Incentive Act of 1998 (CSPIA) requires compliance through the NMSN Part A. The NMSN Part A expedites requests for medical coverage between state child support agencies, employers, and health care administrators. OCSS maintains Part A of the NMSN. States populate it and send it to the parent's employer to complete. Then the employer's health

care administrator enrolls the children in the health care plan. OCSS provides the NMSN Part A Sample and Instructions for employers as a resource to review while completing the information collection. Minor deletions and changes have been made to the NMSN Part A, the instructions, and the sample language for clarification.

Respondents: States, employers, and health care administrators.

Annual Burden Estimates

The estimated time per response remains the same, but the estimated number of respondents and number of responses has been updated to reflect assumptions for the next three years. OCSS estimates it will take state child

support agencies about a year to implement the revised form. Table 1 below shows burden hour estimates for respondents to continue to use the currently approved NMSN during an initial implementation period for the updated version. Table 2 shows the burden estimates for respondents once the new version of the NMSN is fully implemented in 2026.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Health Center Program Performance Period Extensions

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services.

ACTION: Notice of 3-month extension for Bronx Community Health Network, Inc. (BCHN).

SUMMARY: To avoid a gap in services to its service area between the end of BCHN's current period of performance and the next Service Area Competition (SAC), BCHN will receive a 3-month Extension with Funds to extend the end date of its period of performance from January 31, 2026, to April 30, 2026. BCHN currently has a period of performance ending on January 31, 2026. Extending BCHN's total period of

performance to April 30, 2026, will prevent interruption in access to critical primary health care services in the community currently served by BCHN. Since there will be no SAC competition released for health centers with a period of performance end date of January 31, 2026, this extension will also permit BCHN to apply to the SAC application cycle for health centers with a period of performance end date of April 30, 2026.

FOR FURTHER INFORMATION CONTACT: Erica Clift, Division Director, Office of Program and Policy Development, Bureau of Primary Care, HRSA, at eclift@hrsa.gov and 301–443–0741.

SUPPLEMENTARY INFORMATION:

Intended Recipient of the Award: BCHN, which serves the Bronx, New York service area. The Bronx is a community that is vulnerable to a lapse in access to comprehensive primary care services.

Amount of Award(s): 1 award for \$2,377,440.
