

additional information if the submission is not fully responsive to any of the requirements or if ineligible activities are proposed. Following the review of all applicable information, HRSA reviews and awards management officials will determine if special conditions are required, and what level of funding is appropriate. Award decisions and funding levels are discretionary and are not subject to appeal. Continued funding depends on congressional appropriation of funds, satisfactory performance, and a decision that continued funding would be in the government's best interest.

As part of HRSA's required review of risk posed by applicants for this program, as described in 2 CFR 200.206 (Federal Agency Review of Risk Posed by Applicants, see <https://www.ecfr.gov/current/title-2/subtitle-A/chapter-II/part-200/subpart-C/section-200.205>), HRSA will consider additional factors. These factors include, but are not limited to, past performance and the results of HRSA's assessment of the financial stability of your organization. HRSA reserves the right to conduct site visits and/or use the current compliance status to inform final funding decisions.

**Award Notice:** HRSA anticipates issuing the Notice of Award on or near January 31, 2026.
