FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060-0291; FR ID 312331]

Information Collection Being Reviewed by the Federal Communications Commission Under Delegated Authority

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as

required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

DATES: Written PRA comments should be submitted on or before November 17, 2025. If you anticipate that you will be submitting comments but find it difficult to do so within the period of time allowed by this notice, you should

advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email *PRA@fcc.gov* and to *Cathy.Williams@fcc.gov*.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418-2918.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0291.
Title: Section 90.477(a), (b)(2), (d)(2), and (d)(3), Interconnected Systems.
Form No.: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit, not-for-profit institutions and state, local or tribal government.

Number of Respondents: 773 respondents; 773 responses.

Estimated Time per Response: .25 hours-2 hours.

Frequency of Response: On occasion reporting requirement, recordkeeping requirement and third party disclosure requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained in 47 U.S.C. 332(a).

Total Annual Burden: 246 hours.

Total Annual Cost: No cost.

Needs and Uses: The rule sections that govern interconnection of private land mobile radio service stations with

the public switched telephone network are as follows:

(a) 47 CFR 90.477(a), licensees of interconnected land stations must maintain as part of their station records a detailed description of how interconnection is accomplished.

(b) 47 CFR 90.477(b)(2), and (d)(2), at least one licensee participating in any cost sharing arrangement for telephone service must maintain cost sharing records, the costs must be distributed at least once a year, and a report of the distribution must be placed in the licensee's station records and made available to participants in the sharing arrangement and the Commission upon request.

(c) 47 CFR 90.477(d)(3), licensees in the Industrial/Business Pool and those licensees who establish eligibility pursuant to 47 CFR 90.20(a)(2), other than persons or organizations charged with specific fire protection activities, persons or organizations charged with specific forestry-conservation activities, or medical emergency systems in the 450–470 MHz band, and who seek to connect within 120 km (75 mi.) of 25 cities specified in § 90.477(d)(3), must obtain the consent of all co-channel licensees located both within 120 km (75 mi.) of the center of the city, and within 120 km (75 mi.) of the interconnected base station transmitter. Consensual agreements must specifically state the terms agreed upon and a statement must be submitted to the Commission indicating that all co-channel licensees have consented to the use of interconnection.

Federal Communications Commission.

Technological Advisory Council; Re-Establishment

AGENCY: Federal Communications Commission.

ACTION: Notice of re-establishment of the Technological Advisory Council.

SUMMARY: The Federal Communications Commission (Commission) hereby announces that the Technological Advisory Council (hereinafter Council or TAC) will be reestablished for a two-year period pursuant to the Federal Advisory Committee Act (FACA), following consultation with the

Committee Management Secretariat, General Services Administration.

ADDRESSES: Federal Communications Commission, 45 L St. NE, Washington, DC 20554.

FOR FURTHER INFORMATION CONTACT:

Martin Doczkat, Designated Federal Officer, Federal Communications Commission, Office of Engineering and Technology, (202) 418–2435 or email: TAC@fcc.gov.

SUPPLEMENTARY INFORMATION: After consultation with the General Services Administration, the Commission intends to re-establish the charter, providing the Council with authorization to operate for a period of two years.

The purpose of the TAC is to provide technical advice to the Federal Communications Commission and to make recommendations on the issues and questions presented to it by the FCC. The TAC will focus on key issues affecting the development and deployment of emerging communications technologies to spur opportunities for innovation, competition, adoption, greater efficiencies, job creation, and other national priorities.

Advisory Committee

The Council will be organized under, and will operate in accordance with, the provisions of the FACA (5 U.S.C. Ch. 10). The Council will be solely advisory in nature. Consistent with FACA and its requirements, each meeting of the Council will be open to the public unless otherwise notified. A notice of each meeting will be published in the **Federal Register** at least fifteen (15) days in advance of the meeting. Records will be maintained of each meeting and made available for public inspection. All activities of the Council will be conducted in an open, transparent, and accessible manner. The Council shall terminate two (2) years from the filing date of its charter, or earlier upon the completion of its work as determined by the Chair of the FCC, unless its charter is renewed prior to the termination date.

During the Council's next term, it is anticipated that the Council will meet in Washington, DC, and/or virtually, at the discretion of the Commission, approximately four (4) times a year. The first meeting date and agenda topics will be described in a Public Notice issued and published in the **Federal Register** at least fifteen (15) days prior to the first meeting date.

In addition, as needed, subcommittees will be established to facilitate the Council's work between meetings of the full Council.

Federal Communications Commission.

Andrew Hendrickson,

Acting Chief, Office of Engineering and Technology.
