Continuation of the Orders

As a result of the determinations by Commerce and the ITC that revocation of the *Orders* would likely lead to continuation or recurrence of dumping, countervailable subsidies, and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, Commerce hereby orders the continuation of the *Orders*. U.S. Customs and Border Protection will continue to collect AD and CVD cash deposits at the rates in effect at the time of entry for all imports of subject merchandise.

The effective date of the continuation of the *Orders* will be September 9, 2025.⁶ Pursuant to section 751(c)(2) of the Act and 19 CFR 351.218(c)(2), Commerce intends to initiate the next five-year reviews of the *Orders* not later than 30 days prior to fifth anniversary of the date of the last determination by the ITC.

Wooden Bedroom Furniture From the People's Republic of China: Final Results of Antidumping Duty Administrative Review; 2023

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that eight exporters of wooden bedroom furniture from the People's Republic of China (China) under review have not established their eligibility for a separate rate and are part of the China-wide entity. The period of review (POR) is January 1, 2023, through December 31, 2023.

DATES: Applicable September 17, 2025.

FOR FURTHER INFORMATION CONTACT: Krishna Hill, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–4037.

SUPPLEMENTARY INFORMATION:

Background

On May 14, 2025, Commerce published the *Preliminary Results* of this review in the **Federal Register** and invited interested parties to comment.¹ On June 4, 2025, the American Furniture Manufacturers Committee for Legal Trade and Vaughan-Bassett Furniture Company, Inc. (collectively, the petitioners) submitted a letter in lieu of a case brief in which they commented on the *Preliminary Results*.²

¹ See *Wooden Bedroom Furniture from the People's Republic of China: Preliminary Results and Rescission, in Part, of Antidumping Duty Administrative Review; 2023*, 90 FR 20456 (May 14, 2025) (*Preliminary Results*).

² See Petitioners' Letter, "Petitioners' Letter in Lieu of Case Brief," dated June 4, 2025.

Scope of the Order³

The merchandise covered by the *Order* is wooden bedroom furniture from China. For a full description of the scope of the *Order*, see the Issues and Decision Memorandum.⁴

Analysis of Comments Received

We addressed the issue raised by the petitioners in their letter in lieu of a case brief in the Issues and Decision Memorandum. The issue that the petitioners raised, and to which we responded in the Issues and Decision Memorandum, is identified in the appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Changes Since the Preliminary Results

We have not granted a separate rate to seven companies under review. For further details of the changes since the *Preliminary Results*, see the Issues and Decision Memorandum.

Separate Rates

The following companies did not file a no-shipments letter, a separate rate application or certification, and did not respond to Commerce's quantity and value questionnaire and additional questions in order to receive consideration for separate rate status: (1) Dorbest Ltd.; (2) Fine Furniture (Shanghai) Ltd.; (3) Rui Feng Lumber Development Co., Ltd.; (4) Rui Feng Woodwork Co., Ltd.; (5) Wanvog Furniture (Kunshan) Co., Ltd.; (6) Yeh Brothers World Trade Inc.; and (7) Zhongshan Fookyik Furniture Co., Ltd. Therefore, we have not granted a separate rate to these companies and have treated them as part of the China-wide entity.

Additionally, we continue to determine that Shenzhen New Fudu Furniture Co., Ltd. failed to demonstrate

that it qualifies for a separate rate status, and thus we have treated it as part of the China-wide entity.

Final Results of Review

We find that the following companies are part of the China-wide entity because they did not demonstrate their eligibility for a separate rate: (1) Dorbest Ltd.; (2) Fine Furniture (Shanghai) Ltd.; (3) Rui Feng Lumber Development Co., Ltd.; (4) Rui Feng Woodwork Co., Ltd.; (5) Wanvog Furniture (Kunshan) Co., Ltd.; (6) Yeh Brothers World Trade Inc.; (7) Zhongshan Fookyik Furniture Co., Ltd.; and (8) Shenzhen New Fudu Furniture Co., Ltd.

Disclosure

Normally, Commerce discloses the calculations and analysis performed for the final results of review within five days of the date of publication of the notice of final results of review in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, because Commerce did not calculate any dumping margins in this review, there are no calculations to disclose.

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.212(b), Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise covered by the final results of this review. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication date of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

We intend to instruct CBP to liquidate entries of subject merchandise exported by the companies list above that failed to qualify for a separate rate at the China-wide entity rate.

Cash Deposit Requirements

The following cash deposit requirements for estimated antidumping duties will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register** as provided by section 751(a)(2)(C) of the Act: (1) for any previously investigated or reviewed China or non-China exporter that has a

separate rate, the cash deposit rate will continue to be the exporter's existing cash deposit rate; (2) for all China exporters of subject merchandise that do not have a separate rate, including those exporters that failed to establish their separate rate eligibility in this review, the cash deposit rate will be equal to the dumping margin assigned to the China-wide entity, which is 216.01 percent; and (3) for all non-China exporters of subject merchandise that do not have a separate rate, the cash deposit rate will be equal to the dumping margin applicable to the China exporter(s) that supplied that non-China exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order (APO)

This notice also serves as the only reminder to parties subject to an APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation subject to sanction.

Notification to Interested Parties

We are issuing these final results of administrative review and publishing this notice in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.213(h)(2) and 351.221(b)(5).

Dated: September 11, 2025.

Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

Notification of Fees for Seafood Inspection Services

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of fee schedule.

SUMMARY: The NMFS Seafood Inspection Program (SIP) is notifying program participants that its fee schedule for fiscal year 2026 will remain as established on November 1, 2022.

DATES: The fee schedule applies to services rendered as of October 1, 2025, until notified otherwise.

FOR FURTHER INFORMATION CONTACT: Jenny Stephenson, Office of International Affairs, Trade, and Commerce, 301-427-8307 or at jenny.stephenson@noaa.gov.

SUPPLEMENTARY INFORMATION: NMFS operates a fee-for-service Seafood Inspection Program under the authorities of the Agricultural Marketing Act of 1946, as amended, the Fish and Wildlife Act of 1956, and the Reorganization Plan No. 4 of 1970. The regulations implementing the SIP are contained in 50 CFR part 260. The SIP offers inspection, grading, and certification services, including the use of official quality grade marks which indicate that specific products have

been federally inspected. Those wishing to participate in the program must request the services and submit specific compliance information. Since 1992, NMFS implemented inspection services based on guidelines recommended by the National Academy of Sciences, known as Hazard Analysis Critical Control Point (HACCP).

Under the implementing regulations for the SIP, fees are reviewed at least annually to ascertain that the hourly fees charged are adequate to recover the costs of the services rendered. Any necessary adjustments to fees are made in accordance with the requirements of 50 CFR 260.30. This **Federal Register** notice serves to inform program participants of the fee schedule, which remains unchanged.

SIP costs used for the calculation of user fees include all relevant direct and indirect costs to the program, and applicable administrative overhead and surcharges. SIP fees must be set to promote full cost recovery of the program absent other appropriations.

SIP costs include all field operations, program administrative overhead, and management, and include expenses for labor for inspectors, facilities, information technology infrastructure, and other operational costs. SIP fees are set to recover those costs based on revenue projections from expected billable service hours and the number of certificates requests. Forecasts of demand for services use historical data on actual billed services that are adjusted annually for inflation, known events that might affect the predicted output of billable services, and seasonality of when forecasted services will take place throughout the year.

NMFS will assess its fees as outlined in this notice, which will apply until notified otherwise. Fees will be charged to contract and non-contract customers requesting services as listed below. The cost of other applicable services rendered will be recovered through fee collection using the base rate of \$238 per hour.

Fees and Charges for the U.S. Department of Commerce Seafood Inspection Program

The per hour fees and charges for fishery products inspection services are not being revised and will remain as established on November 1, 2022, for fiscal year 2026 and will be assessed as follows. Any travel associated with a billable service will be an additional charge.
