[NASA Document Number: 25-039]

Name of Information Collection: Crew Health and Performance Exploration Analog Crew Application

AGENCY: National Aeronautics and Space Administration (NASA).

ACTION: Notice of new information collection.

SUMMARY: NASA, as part of its continuing effort to reduce paperwork and respondent burden, under the Paperwork Reduction Act, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections.

DATES: Comments are due by October 20, 2025.

ADDRESSES: Written comments and recommendations for this information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain.

Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to NASA PRA Clearance Officer, Stayce Hoult, NASA Headquarters, 300 E Street SW, JC0000, Washington, DC 20546, phone 256–714–8575, or email hq-ocio-pra-program@mail.nasa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

This collection of information supports the Crew Health and Performance Analog (CHAPEA) with the evaluation and selection of individuals to participate in NASA CHAPEA Candidate Selection. The NASA CHAPEA project is located at the Lyndon B. Johnson Space Center (JSC) in Houston, Texas. The CHAPEA project is responsible for selecting analog crew candidates for one of three Mars realistic simulated analog missions. In evaluating an applicant for the CHAPEA project, it is important that the selection committee have the benefit of qualitative and quantitative information. Including employment status, medical history, and information from the respondent specific to previously related activities or job functions.

This information will be used by the NASA CHAPEA selection committee, during the candidate selection process (approx. 1 year duration), to gain insight into the candidates’ work ethic and professionalism as demonstrated in previous related employment activities.

NASA is committed to effectively performing the Agency’s communication function in accordance with the Space Act Section 203(a)(3) to “provide for the widest practicable and appropriate dissemination of information concerning its activities and the results thereof,” and to enhance public understanding of, and participation in, the nation’s aeronautical and space program in accordance with the NASA Strategic Plan.
