

of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information; to search data sources; to complete and review the collection of information; and to

transmit or otherwise disclose the information. The total annual burden hours estimated for this ICR are summarized in the table below.

Following comments received after the publication of the 60-day notice, HRSA decreased the average burden per response and total burden hours.

Burden will be reduced by consolidating information into Salesforce, rather than entities needing to maintain data in multiple locations to report back to FORHP.

Total Estimated Annualized Burden Hours:

Form name	Number of respondents	Number of responses per respondent	Total responses	Average burden per response (in hours)	Total burden hours
Performance Improvement Measurement System	45	1	45	55	2,475
Total	45		45		2,475
