Copies of the previous evaluation findings may be viewed and downloaded at <https://coast.noaa.gov/czm/evaluations>. A copy of the evaluation notification letter and most recent progress report may be obtained upon request by contacting Michael Migliori.

**SUPPLEMENTARY INFORMATION:** Section 312 of the Coastal Zone Management Act (CZMA) requires NOAA to conduct periodic evaluations of federally approved coastal management programs. The evaluation process includes holding one or more public meetings, considering public comments, and consulting with interested Federal, State, and local agencies and members of the public. During the evaluation, NOAA will consider the extent to which the State of Georgia has met the national objectives, adhered to the management program approved by the Secretary of Commerce, and adhered to the terms of financial assistance under the CZMA. When the evaluation is complete, NOAA's Office for Coastal Management will place a notice in the **Federal Register** announcing the availability of the final evaluation findings.

**CONSUMER PRODUCT SAFETY COMMISSION**

[Docket No. CPSC-2012-0058]

**Agency Information Collection Activities; Extension of Collection; Comment Request; Safety Standard for Walk-Behind Power Lawn Mowers**

**AGENCY:** Consumer Product Safety Commission.

**ACTION:** Notice of information collection; request for comment.

**SUMMARY:** As required by the Paperwork Reduction Act of 1995 (PRA), the Consumer Product Safety Commission (CPSC or Commission) requests comments on a proposed extension of approval of information collection requirements associated with the Safety Standard for Walk-Behind Power Lawn Mowers. The Office of Management and Budget (OMB) previously approved the collection of information under control number 3041-0091. OMB's most recent extension of approval will expire on November 30, 2025. The Commission will consider all comments received in response to this notice before requesting an extension of this collection of information from OMB.

**DATES:** Submit comments on the collection of information by November 24, 2025.

**ADDRESSES:** You may submit comments, identified by Docket No. CPSC-2012-0058, within 60 days of publication of this notice by any of the following methods:

*Electronic Submissions:* Submit electronic comments to the Federal eRulemaking Portal at: <https://www.regulations.gov>. Follow the instructions for submitting comments. Do not submit through this website: confidential business information, trade secret information, or other sensitive or protected information that you do not want to be available to the public. The Commission typically does not accept comments submitted by email, except as described below.

*Mail/Hand Delivery/Courier/Written Submissions:* CPSC encourages you to submit electronic comments by using the Federal eRulemaking Portal. You may, however, submit comments by mail/hand delivery/courier to: Office of the Secretary, U.S. Consumer Product Safety Commission, 4330 East-West Highway, Bethesda, MD 20814; telephone (301) 504-7479.

*Instructions:* All submissions received must include the agency name and docket number for this notice. CPSC may post all comments without change, including any personal identifiers,

contact information, or other personal information provided, to: <https://www.regulations.gov>. If you wish to submit confidential business information, trade secret information, or other sensitive or protected information that you do not want to be available to the public, you may submit such comments by mail, hand delivery, or courier, or you may email them to [cpsc-os@cpsc.gov](mailto:cpsc-os@cpsc.gov).

*Docket:* For access to the docket to read background documents or comments received, go to: <https://www.regulations.gov>, insert docket number CPSC-2012-0058 into the "Search" box, and follow the prompts.

**FOR FURTHER INFORMATION CONTACT:**

Cynthia Gillham, Consumer Product Safety Commission, 4330 East-West Highway, Bethesda, MD 20814; (301) 504-7791, or by email to: [pra@cpsc.gov](mailto:pra@cpsc.gov).

**SUPPLEMENTARY INFORMATION:** CPSC seeks to renew the following currently approved collection of information:

*Title:* Safety Standard for Walk-Behind Lawn Mowers.

*OMB Number:* 3041-0091.

*Type of Review:* Renewal of collection.

*Frequency of Response:* On occasion.

*Affected Public:* Manufacturers and importers of walk-behind power lawn mowers.

*General Description of Collection:* The Safety Standard for Walk-Behind Power Lawn Mowers (16 CFR part 1205) addresses blade contact injuries. Subpart B of the standard sets forth regulations prescribing requirements for a reasonable testing program to support certificates of compliance with the standard for walk-behind power lawn mowers. Section 14(a) of the CPSA requires manufacturers, importers, and private labelers of a consumer product subject to a consumer product safety standard to issue a certificate stating that the product complies with all applicable consumer product safety standards. 15 U.S.C. 2063(a). Section 14(a) of the CPSA also requires that the certificate of compliance must be based on a test of each product or upon a reasonable testing program. *Id.* The rule requires manufacturers (including importers) to establish and maintain written records showing that the certificates of compliance issued are based on a test of each mower or on a reasonable testing program. The records are to be maintained for a period of at least three years from the date of certification of each mower or each production lot. The rule also requires that the certificates be in the form of a label on the product stating (1) "Meets CPSC blade safety requirements"; (2) an

identification of the production lot; (3) the name of the person or firm issuing the certificate; (4) the location where the product was principally assembled; and (5) the month and year the product was manufactured. See 16 CFR 1205.35(a)–(b).

**Estimated Number of Respondents:** CPSC estimates approximately 34 lawn-mower suppliers will respond to the collection annually.

**Estimated Time per Response:** Based on subject matter knowledge and previous experience during compliance inspections conducted for lawn mowers subject to the standard, CPSC estimates that each respondent expends eight hours daily engaged in compiling and maintaining a testing record to support the certification of a production lot of lawn mowers. This may involve testing approximately five to six lawn mowers per day and recording test results in some form of a retrievable record system. CPSC assumes testing is performed over 130 estimated yearly production days, based on a highly seasonal production period. Thus, total hour burden to respondents for the recordkeeping associated with testing to support certification is estimated to be 1,040 hours per respondent ( $8 \times 130$ ). For the specified labeling requirements, the information should be readily available, and it could take a manufacturer an additional hour per production day to collect the information and place it on the label. Therefore, an additional 130 hours per respondent have been added to the total burden, which is 1,170 hours ( $1,040 + 130$ ).

**Total Estimated Annual Burden:** CPSC estimates that the annual burden for compiling and maintaining a testing record to support certification is estimated to be 35,360 hours ( $34 \text{ respondents} \times 1,040 \text{ hours}$ ). The estimated additional burden related to labeling is 4,420 hours. The total annual burden hours related to recordkeeping associated with certification, and labeling are estimated to be 39,780 hours for the collection of information annually ( $35,360 + 4,420$ ).

**Total Estimated Annual Cost to Respondents:** CPSC estimates that the cost of collecting information related to testing is approximately \$2,729,438.40 based on  $35,360 \text{ hours} \times \$77.19$  (total compensation for management, professional, and related workers in goods-producing industries) and annual cost burden related to labeling is estimated to be \$183,827.80 based on  $4,420 \text{ hours} \times \$41.59$  (total compensation for all sales and office workers in goods-producing

industries).<sup>1</sup> Therefore, total annual burden costs related to the information collection are estimated to be \$2,913,266.20 ( $\$2,729,438.40 + \$183,827.80$ ).

#### Request for Comments

The Commission solicits written comments from all interested persons about the proposed collection of information. The Commission specifically solicits information relevant to the following topics:

- whether the collection of information described above is necessary for the proper performance of the Commission's functions, including whether the information would have practical utility;
- whether the estimated burden of the proposed collection of information is accurate;
- whether the quality, utility, and clarity of the information to be collected could be enhanced; and
- whether the burden imposed by the collection of information could be minimized by use of automated, electronic or other technological collection techniques, or other forms of information technology.

[Docket ID: DoD–2025–HA–0218]

#### Submission for OMB Review; Comment Request

**AGENCY:** Office of the Assistant Secretary of Defense for Health Affairs (OASD(HA)), Department of Defense (DoD).

**ACTION:** 30-Day information collection notice.

**SUMMARY:** The DoD has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act.

**DATES:** Consideration will be given to all comments received by October 23, 2025.

**ADDRESSES:** Written comments and recommendations for the proposed

information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). #### SUPPLEMENTARY INFORMATION:

**Title; Associated Form; and OMB Number:** TRICARE Prime Enrollment, Disenrollment, and Change of Primary Care Manager (PCM); DD 2876; OMB Control Number 0720–0008.

**Type of Request:** Renewal.

**Number of Respondents:** 953,841.

**Responses per Respondent:** 2.

**Annual Responses:** 1,907,682.

**Average Burden per Response:** 15 minutes.

**Annual Burden Hours:** 476,920.5.

**Needs and Uses:** The information collection is necessary to obtain non-active-duty TRICARE beneficiary's personal information, which is needed to (1) Complete enrollment into TRICARE Prime health plan, (2) change the beneficiary's enrollment (new Primary Care Manager, enrolled region, add/drop a dependent, etc.), or (3) disenroll the beneficiary. This information is required to ensure the beneficiary's benefits and claims are administered based on their plan of choice. Without this information, each non-active-duty TRICARE beneficiary is automatically defaulted into direct care only, limiting their health care options to military hospitals and clinics. These beneficiaries would have no TRICARE coverage when using the TRICARE network of providers for services not available at their local military hospital or clinic.

**Affected Public:** Individuals or households.

**Frequency:** As required.

**Respondent's Obligation:** Voluntary.

**DOD Clearance Officer:** Mr. Reginald Lucas.

**Dated:** September 19, 2025.
