The statute requires the Commission to consider the effects of that remedy upon the public interest. The public interest factors the Commission will consider include the effect that an exclusion order and cease and desist orders would have on: (1) the public health and welfare, (2) competitive conditions in the U.S. economy, (3) U.S. production of articles that are like or directly competitive with those that are subject to investigation, and (4) U.S. consumers. The Commission is therefore interested in receiving written submissions that address the aforementioned public interest factors in the context of this investigation.

If the Commission orders some form of remedy, the U.S. Trade Representative, as delegated by the President, has 60 days to approve, disapprove, or take no action on the Commission's determination. See Presidential Memorandum of July 21, 2005, 70 FR 43251 (July 26, 2005). During this period, the subject articles would be entitled to enter the United States under bond, in an amount determined by the Commission and prescribed by the Secretary of the Treasury. The Commission is therefore interested in receiving submissions concerning the amount of the bond that should be imposed if a remedy is ordered.

Written Submissions: The parties to the investigation are requested to file written submissions on the issues identified in this notice. Parties to the investigation, interested government agencies, and any other interested parties are encouraged to file written submissions on the issues of remedy, the public interest, and bonding. Such submissions should address the recommended determination by the ALJ on remedy and bonding.

In the initial submission, Complainant is also requested to identify the remedy sought and Complainant and OUII are requested to submit proposed remedial orders for the Commission's consideration. Complainant is further requested to provide the HTSUS subheadings under which the accused products are imported, and to supply the identification information for all known importers of the products at issue in this investigation. All initial written submissions from the parties and/or third parties/interested government agencies, and proposed remedial orders

from the parties must be filed no later than close of business on September 25, 2025. All reply submissions must be filed no later than the close of business on October 2, 2025. Opening submissions from the parties are limited to 75 pages. Reply submissions from the parties are limited to 45 pages. All submissions from third parties and/or interested government agencies are limited to 10 pages. No further submissions on any of these issues will be permitted unless otherwise ordered by the Commission.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above pursuant to 19 CFR 210.4(f). Submissions should refer to the investigation number ("Inv. No. 337-TA-1378") in a prominent place on the cover page and/or the first page. (See Handbook for Electronic Filing Procedures, https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf). Persons with questions regarding filing should contact the Secretary, (202) 205-2000.

Any person desiring to submit a document to the Commission in confidence must request confidential treatment by marking each document with a header indicating that the document contains confidential information. This marking will be deemed to satisfy the request procedure set forth in Rules 201.6(b) and 210.5(e)(2) (19 CFR 201.6(b) & 210.5(e)(2)). Documents for which confidential treatment by the Commission is properly sought will be treated accordingly. Any non-party wishing to submit comments containing confidential information must serve those comments on the parties to the investigation pursuant to the applicable Administrative Protective Order. A redacted non-confidential version of the document must also be filed with the Commission and served on any parties to the investigation within two business days of any confidential filing. All information, including confidential business information and documents for which confidential treatment is properly sought, submitted to the Commission for purposes of this investigation may be disclosed to and used: (i) by the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel, solely for cybersecurity

purposes. All contract personnel will sign appropriate nondisclosure agreements. All nonconfidential written submissions will be available for public inspection on EDIS.

The Commission vote for this determination took place on September 11, 2025.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 21) issued by the presiding administrative law judge (“ALJ”) granting a joint motion to terminate the above-captioned investigation based on a settlement agreement, consent order stipulation, and consent order. A consent order is issued to the remaining respondent Honeylove Sculptwear, Inc. of Los Angeles, CA (“Honeylove”). The investigation is terminated.

FOR FURTHER INFORMATION CONTACT: Paul Lall, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205-2043. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission’s TDD terminal, telephone (202) 205-1810.

SUPPLEMENTARY INFORMATION: On February 6, 2025, the Commission instituted this investigation based on a complaint filed on behalf of Spanx, LLC (“Spanx”) of Atlanta, Georgia. 90 FR 9083-84 (Feb. 6, 2025). The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“Section 337”), based upon the importation into the United States, the sale for importation, or sale within the United States after importation of certain shapewear garments by reason of the infringement of certain claims of U.S. Patent Nos. 9,179,713; 9,930,916; 10,455,866; D707,920 (“the ‘920 patent”); D796,780; and D796,784 (“the ‘784 patent”). *Id.* at 9083. The Commission’s notice of investigation named the following respondents: (1) Honeylove; (2) Guangzhoushi Chiping Dianzi Maoyi Co. Ltd. of Guangzhou, China; (3) Daerwene Inc. of Boulder, CO; (4) Guangzhoushi Cedong Shangmao Youxiangongsi of Guangzhou, China; (5) Bingrong Co., Ltd. of Shenzhen, China; and (6) Dolce Vita Intimates LLC of Harrison, NJ. *Id.* at 9084. The Office of Unfair Import Investigations (“OUII”) was also named as a party in this investigation. *Id.*

On April 1, 2025, the Commission terminated this investigation in part based on withdrawal of the complaint with respect to (1) all allegations against respondents Guangzhoushi Chiping Dianzi Maoyi Co. Ltd., Daerwene Inc., Guangzhoushi Cedong Shangmao Youxiangongsi, Bingrong Co., Ltd., and Dolce Vita Intimates LLC; and (2) allegations based on the ‘784 and ‘920 patents brought against respondent Honeylove. *See* Order No. 6 (Mar. 10, 2025), *unreviewed by Comm’n* Notice (Apr. 1, 2025).

On August 12, 2025, Spanx and Honeylove, the only remaining respondent, filed a joint motion to terminate this investigation based on a consent order stipulation and proposed consent order. On August 22, 2025, OUII filed a response supporting the motion.

On August 28, 2025, the presiding ALJ issued the subject ID (Order No. 21) granting the joint motion pursuant to Commission Rule 210.21 (19 CFR 210.21). ID at 2. The ID finds that the

joint motion includes the statement that “there are no other agreements, written or oral, express or implied between the parties concerning the subject matter of the investigation.” *Id.* The ID finds that the motion attaches a consent order stipulation that complies with Commission Rule 210.21(c)(3) (19 CFR 210.21(c)(3)) and a consent order that complies with Commission Rule 210.21(c)(4) (19 CFR 210.21(c)(4)). *Id.* The ID also finds that “there is no evidence indicating that terminating this investigation based on the settlement agreement and consent order would be contrary to the public interest.” *Id.* at 3.

No party filed a petition for review of the subject ID.

The Commission has determined not to review the subject ID (Order No. 21). The investigation is terminated in its entirety based on a consent order issued herewith to the remaining respondent Honeylove.

The Commission vote for this determination took place on September 22, 2025.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).
