### Federal Aviation Administration

#### Notice of Intent of Waiver With Respect to Land;

Wabash Municipal Airport, Wabash, Indiana

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Notice.

**SUMMARY:** The FAA is considering a proposal to change 0.382 acres of airport land from aeronautical use to non-aeronautical use and to authorize the sale of airport property located at Wabash Municipal Airport, Wabash, Indiana. The aforementioned land is not needed for aeronautical use. The subject property is located south of County Road 400 S and west of the Wabash Municipal Airport's terminal building. The property is part of a larger parcel that was purchased for aeronautical development and used as vacant land compatible with the airport's aeronautical purpose.

**DATES:** Comments must be received on or before October 23, 2025.

**ADDRESSES:** All requisite and supporting documentation will be made available for review by appointment at the FAA Chicago Airports District Office, Jeremy Riley, Program Manager, 2300 E. Devon Ave., Des Plaines, IL 60018 Telephone: (847) 294-7214/Fax: (847) 294-7046

and City of Wabash, 202 S. Wabash St., Wabash, IN 46992.

Written comments on the Sponsor's request may be submitted using any of the following methods:

- **Federal eRulemaking Portal:** Go to <http://www.regulations.gov>, and follow the instructions for sending your comments electronically.

- **Mail:** Jeremy Riley, Program Manager, Federal Aviation Administration, Chicago Airports District Office, 2300 E. Devon Ave., Des Plaines, IL 60018.

- **Hand Delivery:** Deliver to mail address above between 8 a.m. and 5 p.m. Monday through Friday, excluding Federal holidays.

- **FAX:** (847) 294-7046.

**FOR FURTHER INFORMATION CONTACT:**

Jeremy Riley, Program Manager, Federal Aviation Administration, Chicago Airports District Office, E. Devon Ave., Des Plaines, IL 60018. Telephone Number: (847) 294-7214/FAX Number: (847) 294-7046.

**SUPPLEMENTARY INFORMATION:** In accordance with section 47107(h) of Title 49, United States Code, this notice is required to be published in the **Federal Register** 30 days before modifying the land-use assurance that requires the property to be used for an aeronautical purpose.

The subject property is currently maintained as vacant but compatible airport property. The property was originally acquired under Airport Development Aid Program (ADAP) grant 5-18-0084-02 in 1981. The subject property is proposed to be sold and exchanged for a parcel adjacent to the airport that will allow for a project that will enhance safety at the Wabash Municipal Airport. Fair market value will be realized as the parcels to be exchanged are similarly situated and are the same exact size.

The disposition of proceeds from the sale of this airport property will be in accordance with section 47107(c)(2)(b) of Title 49, United States Code.

This notice announces that the FAA is considering the release of the subject airport property at the Wabash Municipal Airport, Wabash, Indiana from federal land covenants, subject to a reservation for continuing right of flight as well as restrictions on the released property as required in FAA Order 5190.6B section 22.16. Approval does not constitute a commitment by the FAA to financially assist in the disposal of the subject airport property nor a determination of eligibility for grant-in-aid funding from the FAA.

#### SUPPLEMENTARY INFORMATION:

*Title:* Fast Track Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery.

*Abstract:* The information collection activity will garner qualitative customer and stakeholder feedback in an efficient, timely manner, in accordance with the Department’s commitment to improving service delivery. By qualitative feedback we mean information that provides useful insights on perceptions and opinions but are not statistical surveys that yield quantitative results that can be generalized to the population of study. This feedback will provide insight into customer or stakeholder perceptions, opinions, experiences and expectations, provide an early warning of issues with service, or focus attention on areas where communication, training or changes in operations might improve delivery of products or services. These collections will allow for ongoing, collaborative and actionable communications between the Department of Transportation and its customers and stakeholders. It will also allow feedback to contribute directly to the improvement of program management. Feedback or information collected under this generic clearance will provide useful information, but it
