## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Administration for Children and Families

[OMB #: 0970-0598]

### Submission for Office of Management and Budget Review; National Human Trafficking Hotline (NHTH) Performance Indicators

**AGENCY:** Office on Trafficking in Persons, Administration for Children and Families, U.S. Department of Health and Human Services.

**ACTION:** Request for public comments.

**SUMMARY:** The Administration for Children and Families (ACF) is requesting a 3-year extension of an approved information collection: National Human Trafficking Hotline (NHTH) Performance Indicators (Office of Management and Budget (OMB) Number: 0970-0598, expiration October 31, 2025). There are no changes requested to the form.

**DATES:** *Comments due October 27, 2025.* OMB must decide about the collection of information between 30 and 60 days after publication of this document in the

**Federal Register.** Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication.

**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function. You can also obtain copies of the proposed collection of information by emailing [infocollect@acf.hhs.gov](mailto:infocollect@acf.hhs.gov). Identify all emailed requests by the title of the information collection.

**SUPPLEMENTARY INFORMATION:** Section 107(b)(1)(B)(ii) of the Trafficking Victims Protection Act (TVPA) of 2000, codified at 22 U.S.C. 7105(b)(1)(B)(ii), authorizes the Secretary of the U.S. Department of Health and Human Services (HHS) to make grants for a national communication system, the NHTH, to assist victims of severe forms of trafficking in persons in communicating with service providers. The objectives of the NHTH are to:

1. Operate the NHTH's telephone, text services, chat services, and website via a coordinated national communications system available 24 hours a day;
2. Provide timely information and service referrals to victims of human trafficking;
3. Notify law enforcement and child welfare agencies of potential cases of human trafficking, as required by law and in other situations where appropriate;
4. Establish and maintain a comprehensive online directory of community-based service providers across the U.S. and its territories.

The NHTH grant recipient collects information about signalers (individuals who contact the hotline) and from signalers regarding potential human trafficking situations and potential victims. The NHTH grant recipient summarizes and reports this information to HHS in the aggregate. HHS uses this information to assess the extent to which the grant recipient fulfills required program activities and to:

- Continuously monitor and mitigate factors impacting NHTH operations;
- Disseminate insights to inform anti-trafficking strategies and policies; and
- Provide information to congress, other federal agencies, stakeholders, and the public on the aggregate outcomes of NHTH operations.

**Respondents:** Potential victims, representatives of governmental entities, law enforcement, first responders, members of the community, representatives of nongovernmental entities supporting individuals in the United States who may have been subjected to severe forms of trafficking in persons who utilize the NHTH as signalers.

### Annual Burden Estimates

The estimated number of respondents has been decreased to reflect review of operational data reviewed from the past five years. The updated estimate is an average number of respondents over the next three years based on that most recent data. The estimated time per response remains consistent but overall total estimates are lower due to the reduction in estimated number of respondents.

Instrument	Total number of respondents	Total number of responses per respondent	Average burden hours per response	Total burden hours	Annual burden hours
NHTH Performance Indicators .....	51,000	1	0.5	25,500	8,500
NHTH Grant Recipient .....	1	15	24.13	362	121
Estimated Total Annual Burden Hours .....	.....	.....	.....	.....	8,621

### Health Resources and Services Administration

### National Vaccine Injury Compensation Program; List of Petitions Received

**AGENCY:** Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS).

**ACTION:** Notice.

**SUMMARY:** HRSA is publishing this notice of petitions received under the National Vaccine Injury Compensation Program (the Program), as required by the Public Health Service (PHS) Act, as amended. While the Secretary of HHS is named as the respondent in all proceedings brought by the filing of petitions for compensation under the Program, the United States Court of Federal Claims is charged by statute with responsibility for considering and acting upon the petitions.

**FOR FURTHER INFORMATION CONTACT:** For information about requirements for filing petitions, and the Program in general, contact Lisa L. Reyes, Clerk of Court, United States Court of Federal Claims, 717 Madison Place, NW, Washington, DC 20005, (202) 357-6400. For information on HRSA's role in the Program, contact the Director, Division of Injury Compensation Programs, 5600 Fishers Lane, Room 14W-18, Rockville, Maryland 20857; 1-800-338-2382, or visit our website at: <https://www.hrsa.gov/vaccine-compensation>.

**SUPPLEMENTARY INFORMATION:** The Program provides a system of no-fault compensation for certain individuals who have been injured by specific vaccines. Subtitle 2 of Title XXI of the PHS Act, 42 U.S.C. 300aa-10 *et seq.*, provides that those seeking compensation are to file a petition with the United States Court of Federal Claims and to serve a copy of the petition to the Secretary of HHS, who is named as the respondent in each proceeding. The Secretary has delegated this responsibility under the Program to HRSA. The Court is directed by statute to appoint special masters who take evidence, conduct hearings as appropriate, and make initial decisions as to eligibility for, and amount of, compensation.

A petition may be filed with respect to injuries, disabilities, illnesses, conditions, and deaths resulting from vaccines described in the Vaccine Injury Table (the Table) set forth at 42 CFR 100.3. This Table lists for each covered vaccine the conditions that may lead to compensation and, for each condition, the time period for occurrence of the first symptom or manifestation of onset or of significant aggravation after vaccine administration. Compensation may also be awarded for conditions not listed in the Table and for conditions that are manifested outside the time periods specified in the Table, but only if the petitioner shows that the condition was caused by one of the listed vaccines.

Section 2112(b)(2) of the PHS Act, 42 U.S.C. 300aa-12(b)(2), requires that “[w]ithin 30 days after the Secretary receives service of any petition filed under section 2111 the Secretary shall publish notice of such petition in the **Federal Register**.” Set forth below is a list of petitions received by HRSA on August 1, 2025, through August 31, 2025. This list provides the name of the petitioner, city, and state of vaccination (if unknown then the city and state of the person or attorney filing the claim), and case number. In cases where the Court has redacted the name of a

petitioner and/or the case number, the list reflects such redaction.

Section 2112(b)(2) also provides that the special master “shall afford all interested persons an opportunity to submit relevant, written information” relating to the following:

1. The existence of evidence “that there is not a preponderance of the evidence that the illness, disability, injury, condition, or death described in the petition is due to factors unrelated to the administration of the vaccine described in the petition,” and

2. Any allegation in a petition that the petitioner either:

a. “[S]ustained, or had significantly aggravated, any illness, disability, injury, or condition not set forth in the Vaccine Injury Table but which was caused by” one of the vaccines referred to in the Table, or

b. “[S]ustained, or had significantly aggravated, any illness, disability, injury, or condition set forth in the Vaccine Injury Table the first symptom or manifestation of the onset or significant aggravation of which did not occur within the time period set forth in the Table but which was caused by a vaccine” referred to in the Table.

In accordance with Section 2112(b)(2), all interested persons may submit written information relevant to the issues described above in the case of the petitions listed below. Any person choosing to do so should file an original and three (3) copies of the information with the Clerk of the United States Court of Federal Claims at the address listed above (under the heading **FOR FURTHER INFORMATION CONTACT**), with a copy to HRSA addressed to Director, Division of Injury Compensation Programs, Health Systems Bureau, 5600 Fishers Lane, 14W-18, Rockville, Maryland 20857. The Court's caption (Petitioner's Name v. Secretary of HHS) and the docket number assigned to the petition should be used as the caption for the written submission. Chapter 35 of Title 44, United States Code, related to paperwork reduction, does not apply to information required for purposes of carrying out the Program.

Administrator.**
