LEGAL SERVICES CORPORATION

Notice of Revisions to Performance Area One of the LSC Performance Criteria

AGENCY: Legal Services Corporation.

ACTION: Request for comments.

SUMMARY: The Legal Services Corporation (LSC) proposes to revise Performance Area One of its Performance Criteria. In Performance Area One, LSC establishes the indicators that LSC will use to evaluate grant recipients' processes for identifying the most pressing and emerging legal needs in their service areas and determining how they will deliver legal services tailored to most effectively address those needs. LSC proposes to introduce a new criterion assessing strategic planning as well as to revise the existing criteria examining grant recipients' conduct of needs assessments, implementation of strategies to address legal needs, and self-examination of their effectiveness in delivering legal services.

DATES: Comments must be received by 11:59 p.m. Eastern on December 1, 2025.

ADDRESSES: You may send comments by any of the following methods:

Include "Comments on Performance Area 1" in the subject line of the message.

- *Mail:* Legal Services Corporation, 1825 I Street NW, Suite 800, Washington, DC 20006, ATTN: Stefanie K. Davis, Deputy General Counsel, Comments on Performance Area 1.

FOR FURTHER INFORMATION CONTACT:

Stefanie K. Davis, Deputy General Counsel, Legal Services Corporation, 1825 I Street NW, Suite 800, Washington, DC 20006, 202-295-1563, performancearea1@lsc.gov.

SUPPLEMENTARY INFORMATION: LSC introduced the Performance Criteria in 1994 as a tool to support both LSC's evaluation and grant recipients' self-evaluation of program quality. The Performance Criteria are structured into four Performance Areas. Each Performance Area is designed to allow users to evaluate a discrete aspect of a legal services organization's operations:

- Performance Area One establishes criteria for examining an LSC grant recipient's effectiveness in identifying the most pressing civil legal issues in its service area and directing resources toward addressing those needs.

- Performance Area Two establishes criteria for examining a grant recipient's effectiveness in engaging and serving the low-income population across its service area.
