**Abstract:** The National Underground Railroad Network to Freedom Act of 1998 (54 U.S.C. 308301, *et seq.*) authorizes the NPS to collect information from applicants requesting to join the Network to Freedom Program (Network). The NPS uses Form 10–946, “National Underground Railroad Network to Freedom Application”, to evaluate potential participants and determine eligibility to become part of the Network. Through the Network, we coordinate preservation and education efforts nationwide, and are working to integrate local historical sites, museums, and interpretive programs associated with the Underground Railroad movement.

All entities that apply to join the Network must have a verifiable association with the historic Underground Railroad movement and must complete and submit Form 10–946 available on our website at <http://www.nps.gov/subjects/ugrr/index.htm>. Respondents must (1) verify associations and characteristics through descriptive texts that are the result of historical research and (2) submit supporting documentation (*e.g.*, copies of rare documents, photographs, and maps).

Network Partners work with the NPS to help validate the efforts of local and regional organizations, making it easier for them to share their expertise and communicate with us and each other. Prospective partners must submit a letter with the following information:

- Name and address of the agency, company or organization.
- Name, address, and phone, fax, and email information of principal contact.
- Abstract not to exceed 200 words describing the partner’s activity or mission statement.
- Brief description of the entity’s association to the Underground Railroad.

**Title of Collection:** National Underground Railroad Network to Freedom Program.

**OMB Control Number:** 1024–0232.

**Form Number:** NPS Form 10–946, “National Underground Railroad Network to Freedom Application.”

**Type of Review:** Extension of a currently approved collection.

**Respondents/Affected Public:** Individuals; businesses; nonprofit organizations; and Federal, State, Local, and Tribal governments.

**Total Estimated Number of Annual Respondents:** 27.

**Total Estimated Number of Annual Responses:** 27.

**Estimated Completion Time per Response:** Varies; up to 40 hours, depending on activity.

**Total Estimated Number of Annual Burden Hours:** 1,001 hours.

**Respondent’s Obligation:** Required to obtain or retain a benefit.

**Frequency of Collection:** On occasion.

**Total Estimated Annual Non hour Burden Cost:** None.

## DEPARTMENT OF THE INTERIOR

### National Park Service

[NPS–WASO–CONC–40551; PPWOBADCO, PPMVSCS1Y.Y00000]

### Notice of Intent To Extend and Continue Concession Contracts and Award Temporary Concession Contracts

**AGENCY:** National Park Service, Interior.

**ACTION:** Public notice.

**SUMMARY:** Under the terms of the concession contracts identified in the tables below and its regulations, the

National Park Service (NPS) gives public notice that it intends to: extend each concession contract listed in table 1 below until the date shown in the “Extension Expiration Date” column or until the effective date of a new contract, whichever comes first; continue each concession contract listed in table 2 below until the date shown in the “Continuation Expiration Date” column or until the effective date of a new contract, whichever comes first; and award the temporary concession contracts listed in table 3 below

**DATES:** The NPS intends that the concession contract extensions, continuations, and temporary concession contracts will be effective on the dates shown in the tables below, as applicable, except for the extension of BISO001–14, which the NPS already awarded.

**FOR FURTHER INFORMATION CONTACT:** Kurt Rausch, Program Chief, Commercial Services Program, National Park Service, 1849 C Street NW, Mail Stop

2410, Washington, DC 20240; Telephone: 202–513–7156.

**SUPPLEMENTARY INFORMATION:** Under 36 CFR 51.23, the NPS proposes to extend each contract listed in table 1 until the date shown in the “Extension Expiration Date” column or until the effective date of a new contract, whichever comes first, except for the extension of BISO001–14, which the NPS already awarded. The NPS has determined that the proposed extensions are necessary to avoid an interruption of visitor services and has taken all reasonable and appropriate steps to consider alternatives to avoid such an interruption. The extension of the existing contracts does not confer or affect any rights with respect to the award of new contracts.

The concession contracts listed in table 2 below have been extended for the maximum time allowable under 36 CFR 51.23. Under the provisions of the existing contracts and pending the issuance of prospectuses and the completion of the public solicitation process to award new concession

contracts, the NPS intends to continue the existing contracts until the date shown in the “Continuation Expiration Date” column or until the effective date of a new contract, whichever comes first. The continuation of the existing contracts does not confer or affect any rights with respect to the award of new concession contracts.

The NPS proposes awarding temporary concession contracts, in accordance with 36 CFR 51.24(a), to provide the visitor services currently provided under the contracts listed in table 3 below. The temporary contracts will have a term not to exceed 3 years and will be awarded to a qualified person. The NPS anticipates that the temporary contracts will be effective on the date shown in the “Effective Date” column. This notice is not a request for proposals.

The publication of this notice reflects the intent of the NPS but does not bind the NPS to extend, continue, or award any of the contracts listed below, except for the extension of BISO001–14, which the NPS already awarded.

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701–TA–746 and 731–TA–1724 (Final)]

Overhead Door Counterbalance Torsion Springs From China; Determinations

On the basis of the record <sup>1</sup> developed in the subject investigations, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that an industry in the United States is materially injured by reason of imports of overhead door counterbalance torsion springs from China, provided for in subheading 7320.20.50 of the Harmonized Tariff Schedule of the United States, that have been found by the U.S. Department of Commerce (“Commerce”) to be sold in the United States at less than fair value (“LTFV”), and imports of the subject merchandise from China that have been found to be subsidized by the government of China.<sup>2 3</sup>

Background

The Commission instituted these investigations effective October 29, 2024, following receipt of petitions filed

with the Commission and Commerce by IDC Group, Inc., Minneapolis, Minnesota, Iowa Spring Manufacturing, Inc., Adel, Iowa, and Service Spring Corp., Maumee, Ohio.<sup>4</sup> The final phase of the investigations was scheduled by the Commission following notification of preliminary determinations by Commerce that imports of overhead door counterbalance torsion springs from China were subsidized within the meaning of section 703(b) of the Act (19 U.S.C. 1671b(b)) and sold at LTFV within the meaning of 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission’s investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing notices in the **Federal Register** on June 11, 2025 (90 FR 24665) and June 23 (90 FR 26608). The public hearing in connection with the investigations was cancelled.<sup>5</sup>

The Commission made these determinations pursuant to §§ 705(b) and 735(b) of the Act (19 U.S.C. 1671d(b) and 19 U.S.C. 1673d(b)). It completed and filed its determinations in these investigations on September 30, 2025. The views of the Commission are contained in USITC Publication 5675 (Sept. 2025), entitled *Overhead Door Counterbalance Torsion Springs from China: Investigation Nos. 701–TA–746 and 731–TA–1724 (Final)*.

By order of the Commission.

<sup>1</sup> The record is defined in § 207.2(f) of the Commission’s Rules of Practice and Procedure (19 CFR 207.2(f)).  
<sup>2</sup> 90 FR 39369 (Aug. 15, 2025); 90 FR 39374 (Aug. 15, 2025).  
<sup>3</sup> The Commission also finds that imports subject to Commerce’s affirmative critical circumstances determinations are not likely to undermine seriously the remedial effect of the countervailing and antidumping duty orders on overhead door counterbalance torsion springs from China.

<sup>4</sup> The petitions alleged that an industry in the United States is materially injured and threatened with material injury by reason of subsidized and LTFV imports of overhead door counterbalance torsion springs from China and India. The investigations regarding overhead door counterbalance torsion springs from India are ongoing.

[Investigation Nos. 701–TA–779 and 731–TA–1765–1766 (Preliminary)]

Chromium Trioxide From India and Turkey; Institution of Antidumping and Countervailing Duty Investigations and Scheduling of Preliminary Phase Investigations.

AGENCY: United States International Trade Commission.  
ACTION: Notice.

**SUMMARY:** The Commission hereby gives notice of the institution of investigations and commencement of preliminary phase antidumping and countervailing duty investigation Nos. 701–TA–779 and 731–TA–1765–1766 (Preliminary) pursuant to the Tariff Act of 1930 to determine whether there is a reasonable indication that an industry in the United States is materially injured or threatened with material injury, or the establishment of an industry in the United States is materially retarded, by reason of imports of chromium trioxide from India and Turkey, provided for in subheading 2819.10.00 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value and imports of chromium trioxide from India are alleged to be subsidized by the government of India. Unless the Department of Commerce (“Commerce”) extends the time for initiation, the Commission must reach a preliminary determination in antidumping and countervailing duty investigations in 45
