Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the publication date of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

### Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the companies listed in the final results of this review will be equal to the weighted-average dumping margins established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for merchandise exported by a company not covered in this review, but covered in a prior segment of the proceeding, the cash deposit rate will be the company-specific rate published for the most recently-completed segment in which it was reviewed; (3) if the exporter is not a firm covered in this review or in the original LTFV investigation, but the producer is, then the cash deposit rate will be the rate established for the most recently-completed segment of this proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 5.87 percent, the all-others rate established in the LTFV investigation as adjusted for the export-subsidy rate in the companion countervailing duty investigation.<sup>16</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

<sup>14</sup> See *Investigation Final Determination*, 83 FR at 26965, unchanged in *Second Amended Final Determination and Order*.

### Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

### Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during the POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

### Notification to Interested Parties

Commerce is issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(h)(2) and 351.221(b)(4).

### Scope of the Order

The merchandise covered by the Order is glycine from India. For a complete description of the scope of the Order, see the Preliminary Decision Memorandum.<sup>7</sup>

### Rescission of Administrative Review, in Part

In accordance with 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if all parties that requested the review withdraw their requests within 90 days of the date of publication of the notice of initiation of the requested review. On October 25, 2024, Deer Park Glycine, LCC (the petitioner) withdrew its request for review of 21 companies within the 90-day deadline, pursuant to 19 CFR 351.213(d)(1).<sup>8</sup> For each of the 17 companies for which all requests for review were timely withdrawn and which are not cross-owned with a mandatory respondent,<sup>9</sup> we are rescinding this review, in part, with respect to these companies, pursuant to 19 CFR 351.213(d)(1). For a list of these companies, see Appendix II.

### Methodology

Commerce is conducting this administrative review in accordance with 751(a)(1)(A) of the Act. For each of the subsidy programs found countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an "authority" that gives rise to a benefit to the recipient, and that the subsidy is specific.<sup>10</sup> For a full description of the methodology underlying our conclusions, including

<sup>7</sup> *Id.*

<sup>8</sup> See Memorandum, "Notice of Intent to Rescind Review, in Part," dated November 15, 2024.

<sup>9</sup> Bajaj Healthcare Limited (Bajaj) requested a review of itself that was not withdrawn, and Reliance Corporation, Rexistize Rasayan Industries, and Rudraa International are cross-owned with mandatory respondent Kumar Industries, India (Kumar). Therefore, these companies remain under review.

<sup>10</sup> See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

our reliance, in part, on facts otherwise available with adverse inferences pursuant to sections 776(a) and (b) of the Act, see the Preliminary Decision Memorandum.

### Companies Not Selected for Individual Review

The Act and Commerce's regulations do not address the establishment of a rate to apply companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, Commerce normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation. Section 777A(e)(2) of the Act provides that "the individual countervailable subsidy rates determined under subparagraph (A) shall be used to determine the all-others rate under section 705(c)(5) {of the Act}." Section 705(c)(5)(A) states that for companies not investigated, in general, we will determine an all-others rate by weight averaging the countervailable subsidy rates established for each of the companies individually investigated, excluding zero and *de minimis* rates or any rates based solely on facts available.

Accordingly, to determine the rate for companies not selected for individual examination, Commerce's practice is to weight average the net subsidy rates for the selected mandatory respondents, excluding rates that are zero, *de minimis*, or based entirely on facts available.<sup>11</sup> In this administrative review, Commerce calculated a preliminary individual estimated countervailable subsidy rate for Kumar the only individually examined exporter/producer in this review. Because the only individually calculated subsidy rate is not zero, *de minimis*, or based entirely on facts otherwise available, the subsidy rate calculated for Kumar is the rate assigned to the company under review that was not selected for individual examination (*i.e.*, Bajaj), pursuant to section 705(c)(5)(A)(i) of the Act.<sup>12</sup>

<sup>11</sup> See, *e.g.*, *Certain Pasta from Italy: Final Results of the 13th (2008) Countervailing Duty Administrative Review*, 75 FR 37386, 37387 (June 29, 2010).

<sup>12</sup> Bajaj is the only company that will be assigned the subsidy rate calculated for companies under review that were not selected for individual examination. See Memorandum, "Correction of Notice of Intent to Rescind Review, in Part," dated August 21, 2025.

### Preliminary Results of Review

Commerce preliminarily determines that the following net countervailable subsidy rates exist for the period, January 1, 2023, through December 31, 2023:<sup>13</sup>

Company	Subsidy rate (percent <i>ad valorem</i> )
Kumar Industries, India .....	9.41
Bajaj Healthcare Limited .....	9.41

### Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties for these preliminary results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

### Verification

Commerce received a timely request from the petitioner to verify the information submitted in this administrative review, pursuant to 19 CFR 307(b)(1)(iv).<sup>14</sup> As provided in section 782(i)(3) of the Act, Commerce intends to verify the information relied upon in making its final results.

An electronically filed document must be received successfully

We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>18</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants and whether any participants are foreign nationals; and (3) a list of issues to be discussed. Oral presentations at the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, Commerce will inform parties of the scheduled date for the hearing.<sup>19</sup>

#### Assessment Rates

Consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review.

For the companies listed in Appendix II for which the review is being rescinded, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or

withdrawal from warehouse, for consumption, during the period January 1, 2023, through December 31, 2023, in accordance with 19 CFR

351.212(c)(1)(i). Commerce intends to issue rescission instructions to CBP no earlier than 35 days after the date of publication of this notice in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

#### Cash Deposit Rates

Pursuant to section 751(a)(2)(C) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amount indicated above with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit instructions, when imposed, shall remain in effect until further notice.

#### Final Results

Unless the deadline is extended, we intend to issue the final results of this administrative review, which will include our analysis of the issues raised in the case briefs, within 120 days after the date of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).
