

in determining the appropriate sanction. See *Jones Total Health Care Pharmacy*, 881 F.3d at 834 & n.4. The Agency also considers the need to deter similar acts by an applicant and by the community of registrants. *Stein*, 84 FR at 46972–73.

Here, Applicant did not timely request a hearing, or timely or properly answer the allegations, and was therefore deemed to be in default. 21 CFR 1301.43(c)(1), (e), (f)(1); RFAA, at 1–4. To date, Applicant has not filed a motion with the Office of the Administrator to excuse the default. 21 CFR 1301.43(c)(1). Applicant has thus failed to answer the allegations contained in the OSC and has not otherwise availed himself of the opportunity to refute the Government's case. As such, Applicant has not accepted responsibility for the proven violations, has made no representations regarding his future compliance with the CSA, and has not made any demonstration that he can be trusted with registration.

Moreover, the evidence presented by the Government shows that Applicant supplied DEA with materially false information in his application for registration, further demonstrating that Applicant cannot be trusted with the responsibilities of holding a controlled substances registration. Additionally, the material information Applicant failed to disclose reveals that he has engaged in a pattern of dishonesty over many years with multiple state jurisdictions. RFAAX 2, at 3–6. Similarly, Applicant is deemed to have admitted that he “lacked candor during the course of [the] investigation by the DEA.” *Id.* at 8. If the Agency were to issue a registration to Applicant under these circumstances, it would send a dangerous message that submitting truthful, accurate, and complete information to DEA is not essential for obtaining a registration. Accordingly, the Agency will order the denial of Applicant's application.

Order

Pursuant to 28 CFR 0.100(b) and the authority vested in me by 21 U.S.C. 823 and 824, I hereby deny the pending application for a DEA Certificate of Registration, No. W24074770C, submitted by Hil Rizvi, M.D., as well as any other pending application of Hil Rizvi, M.D., for additional registration in Utah. This Order is effective November 20, 2025.

SUPPLEMENTARY INFORMATION:

Table of Contents

- I. Introduction
- II. Contents of Filing
- III. Commission Action
- IV. Ordering Paragraphs

I. Introduction

On October 14, 2025, pursuant to 39 CFR 3040.180, the Postal Service filed a request to make material changes to the product description for Competitive International Registered Mail in the *Mail Classification Schedule* (MCS) section 2615.2, and to make accompanying material changes to MCS sections 2335.5, 2510.3.5, 2510.7.5, and 2510.8.5 in which Competitive International Registered Mail is listed as an optional feature for First-Class Package International Service.¹

II. Contents of Filing

The Postal Service states that it proposes these material changes to the MCS so that its offerings will conform with certain changes to the Universal Postal Union (UPU) Universal Postal Convention (Convention) and the Convention Regulations that are related to international registered mail. Request at 1. The Postal Service states that it currently offers International Registered Mail as an optional feature for First-Class Mail International (FCMI) and First-Class Package International Service (FCPIS). *Id.* at 2. It states that FCMI corresponds with outbound small letters (P) and large letters (G) for letter-post items under the Convention, and FCPIS corresponds with outbound bulky letters (E) and small packets (E) for letter-post items under the Convention. *Id.*

According to the Postal Service, the UPU amended the Convention during the 2023 UPU Extraordinary Congress so that, effective January 1, 2026, international registered mail will be available for letter-post small letters (P), large letters (G), and bulky letters (E) format items containing documents only, but not for small packets (E) format items containing goods. *Id.* at 2–3 (citations omitted). In addition, the Postal Service states that the UPU further amended the Convention during the 2025 UPU Congress so that, effective January 1, 2027, bulky letters (E) will be discontinued, and documents will be

only eligible to be included in small letters (P) and large letters (G) format items when mailed internationally in letter post. *Id.* at 4 (citations omitted).

The Postal Service states that as a result of these amendments to the Convention, International Registered Mail will only be offered for small letters (P) and large letters (G) format items as FCMI. *Id.* at 5. Consequently, the Postal Service proposes to remove the outbound portion of Competitive International Registered Mail in MCS section 2615.2 and make conforming changes throughout the Competitive product list in the MCS to reflect that Competitive International Registered Mail will no longer be available as an optional feature for FCPIS. *Id.* at 5–6.

The Postal Service states that although the restriction of international registered mail to letter-post items containing documents only (not goods) is effective January 1, 2026, and the discontinuation of bulky letters (E) format is effective January 1, 2027, it proposes to implement both of the material changes to the MCS on January 1, 2026. *Id.* at 5.

The Postal Service includes a copy of Governors' Decision No. 25–3 supporting the Request in Attachment 1, a copy of the applicable sections of the MCS and the proposed changes in legislative format in Attachment 2, and an application for non-public treatment of materials filed under seal in Attachment 3. *Id.* at 2; *id.* Attachments 1–3. The Postal Service provides supporting justification for the proposed material changes to the MCS, including a description of and rationale for the proposed changes, why the proposed changes will not result in the violation of any of the standards of 39 U.S.C. 3633 and 39 CFR part 3035, and the likely impact that the proposed changes will have on users of the product and on competitors. *See* Request at 7–11.

III. Commission Action

The Commission establishes Docket No. MC2026–21 for consideration of matters raised by the Request.

The Commission invites comments on whether the Postal Service's filing is consistent with 39 U.S.C. 3633 and 39 CFR 3040.180 and 3040.181. Comments are due October 24, 2025. The public portions of the filings can be accessed via the Commission's website (<https://www.prc.gov>).

The Commission appoints Samuel Robinson to represent the interests of the general public (Public Representative) in this docket, pursuant to 39 CFR 3010.101(q)(3). The Public Representative does not represent any individual person, entity, or particular
