

III. Findings

Under the applicable standard set forth in Section 766.24 of the Regulations and my review of the entire record, I find that the evidence presented by BIS demonstrates that Rossiya has acted in violation of the Regulations and the TDO; that such violations have been significant, deliberate; and that given the foregoing and the nature of the matters under investigation, there is a likelihood of imminent violations. Moreover, I find that renewal for an extended period is appropriate because Rossiya has engaged in a pattern of repeated, ongoing and/or continuous apparent violations of the EAR. Therefore, renewal of the TDO for one year is necessary in the public interest to prevent imminent violation of the Regulations and to give notice to companies and individuals in the United States and abroad that they should avoid dealing with Rossiya, in connection with export and reexport transactions involving items subject to the Regulations and in connection with any other activity subject to the Regulations.

IV. Order

It is therefore ordered:

First, Rossiya Airlines, Pilotov St 18–4, St. Petersburg, Russia, 196210, when acting for or on their behalf, any successors or assigns, agents, or employees may not, directly or indirectly, participate in any way in any transaction involving any commodity, software or technology (hereinafter collectively referred to as “item”) exported or to be exported from the United States that is subject to the EAR, or in any other activity subject to the EAR including, but not limited to:

A. Applying for, obtaining, or using any license (except directly related to safety of flight), license exception, or export control document;

B. Carrying on negotiations concerning, or ordering, buying, receiving, using, selling, delivering, storing, disposing of, forwarding, transporting, financing, or otherwise servicing in any way, any transaction involving any item exported or to be exported from the United States that is subject to the EAR except directly related to safety of flight and authorized by BIS pursuant to Section 764.3(a)(2) of the Regulations, or engaging in any other activity subject to the EAR except directly related to safety of flight and authorized by BIS pursuant to Section 764.3(a)(2) of the Regulations; or

C. Benefitting in any way from any transaction involving any item exported

or to be exported from the United States that is subject to the EAR, or from any other activity subject to the EAR except directly related to safety of flight and authorized by BIS pursuant to Section 764.3(a)(2) of the Regulations.

Second, that no person may, directly or indirectly, do any of the following:

A. Export, reexport, or transfer (in-country) to or on behalf of Rossiya any item subject to the EAR except directly related to safety of flight and authorized by BIS pursuant to Section 764.3(a)(2) of the Regulations;

B. Take any action that facilitates the acquisition or attempted acquisition by Rossiya of the ownership, possession, or control of any item subject to the EAR that has been or will be exported from the United States, including financing or other support activities related to a transaction whereby Rossiya acquires or attempts to acquire such ownership, possession or control except directly related to safety of flight and authorized by BIS pursuant to Section 764.3(a)(2) of the Regulations;

C. Take any action to acquire from or to facilitate the acquisition or attempted acquisition from Rossiya of any item subject to the EAR that has been exported from the United States except directly related to safety of flight and authorized by BIS pursuant to Section 764.3(a)(2) of the Regulations;

D. Obtain from Rossiya in the United States any item subject to the EAR with knowledge or reason to know that the item will be, or is intended to be, exported from the United States except directly related to safety of flight and authorized by BIS pursuant to Section 764.3(a)(2) of the Regulations; or

E. Engage in any transaction to service any item subject to the EAR that has been or will be exported from the United States and which is owned, possessed or controlled by Rossiya, or service any item, of whatever origin, that is owned, possessed or controlled by Rossiya if such service involves the use of any item subject to the EAR that has been or will be exported from the United States except directly related to safety of flight and authorized by BIS pursuant to Section 764.3(a)(2) of the Regulations. For purposes of this paragraph, servicing means installation, maintenance, repair, modification, or testing.

Third, that, after notice and opportunity for comment as provided in section 766.23 of the EAR, any other person, firm, corporation, or business organization related to Rossiya by ownership, control, position of responsibility, affiliation, or other connection in the conduct of trade or

business may also be made subject to the provisions of this Order.

In accordance with the provisions of Sections 766.24(e) of the EAR, Rossiya may, at any time, appeal this Order by filing a full written statement in support of the appeal with the Office of the Administrative Law Judge, U.S. Coast Guard ALJ Docketing Center, 40 South Gay Street, Baltimore, Maryland 21202–4022.

In accordance with the provisions of Section 766.24(d) of the EAR, BIS may seek renewal of this Order by filing a written request not later than 20 days before the expiration date. A renewal request may be opposed by Rossiya as provided in Section 766.24(d), by filing a written submission with the Assistant Secretary of Commerce for Export Enforcement, which must be received not later than seven days before the expiration date of the Order.

A copy of this Order shall be provided to Rossiya and shall be published in the **Federal Register**.

This Order is effective immediately and shall remain in effect for one year.

Dated: November 4, 2025.

David Peters,

Assistant Secretary of Commerce for Export Enforcement.

Abstract: The National Center for Education Statistics (NCES) seeks authorization from OMB to make a change to the Integrated Postsecondary Education Data System (IPEDS) data collection. IPEDS is a web-based data collection system designed to collect basic data from all postsecondary institutions in the United States and the

other jurisdictions. The IPEDS data collection enables NCES to report on key dimensions of postsecondary education such as enrollments, degrees and other awards earned, tuition and fees, average net price, student financial aid, graduation rates, student outcomes, revenues and expenditures, faculty salaries, and staff employed. A subset of these elements are disaggregated by race and sex.

In this change, we are requesting to add the new IPEDS “Admissions and Consumer Transparency Supplement” (ACTS) survey component. On August 7, 2025, President Donald J. Trump issued a Presidential Memorandum entitled “Ensuring Transparency in Higher Education Admissions,” available at <https://www.whitehouse.gov/presidential-actions/2025/08/ensuring-transparency-in-higher-education-admissions/>. In that memorandum, President Trump directed the Secretary of Education to, within 120 days of that date, “expand the scope of required [IPEDS] reporting to provide adequate transparency into admissions.” On that same day, Secretary McMahon issued a directive to NCES to initiate a series of changes to IPEDS during the 2025–26 school year. That directive is available at <https://www.ed.gov/media/document/secretary-directive-ensuring-transparency-higher-education-admissions-august-7-2025-110497.pdf>.

The data to be collected from ACTS are intended to capture information that could indicate whether institutions of higher education are using race-based preferencing in their admissions processes. To access and review the proposed data elements for the ACTS collection and all other documents related to the information collection listed in this notice, please use <https://www.regulations.gov> by searching the Docket ID number ED–2025–SCC–0382.

As previously stated in the 60-day notice associated with this proposed change, the ACTS component was expected to be applicable to, at a minimum, all four-year institutions. We posed a Directed Question to the public to seek their feedback on the appropriateness of that determination. Based both upon our initial thinking and public comment, we propose limit eligibility of ACTS to the four-year sector. We further propose that otherwise eligible institutions that admit 100 percent of their applicants and do not award non-need-based aid be exempted from a given collection year. Responses to our second Directed Question, related to burden, as well as our responses to other comments received in response to the 60-day

notice associated with this proposed change, are available. Both can be found at <https://www.regulations.gov> by searching the Docket ID number ED–2025–SCC–0382.

Data Officer, Office of Planning, Evaluation and Policy Development.
