Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains and associated funerary objects described in this notice to a requestor may occur on or after December 17, 2025. If competing requests for repatriation are received, the TDEC–DOA must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The TDEC–DOA is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

Notice of Inventory Completion: Tennessee Department of Environment and Conservation, Division of Archaeology, Nashville, TN

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Tennessee Department of Environment and Conservation, Division of Archaeology (TDEC–DOA) has completed an inventory of human remains and associated funerary objects from Davidson County, Tennessee and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after December 17, 2025.

ADDRESSES: Send written requests for repatriation of the human remains and associated funerary objects in this notice to Phillip R. Hodge, Tennessee Department of Environment and Conservation, Division of Archaeology (TDEC–DOA), 1216 Foster Avenue, Cole Building #3, Nashville, TN 37243, email Phil.Hodge@tn.gov.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the TDEC–DOA, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing, at least, 23 individuals have been identified. The 360 associated funerary objects include 320 artifacts and 40 lots of artifacts described below.

Site 40DV53, Davidson County, TN

Human remains representing, at least, 23 individuals were removed from site 40DV53. The 360 associated funerary objects consists of 285 shell beads (three are currently missing); five worked deer antler tines (three are currently

missing); five chert projectile points; four unprocessed soil samples; five lithic tools; two stone discodials; two marine shell columella; two marine shell gorgets; two worked freshwater bivalve shells; two worked mammal bones; one chert nodule; one green chlorite pipe; one ceramic pipe; one limestone tempered ceramic vessel; one turkey tarsometatarsus; one box turtle carapace; and 40 lots of associated funerary artifacts. Site 40DV53 was excavated by TDEC–DOA in 1977 prior to destruction by a highway interchange. There is no known exposure to hazardous substances or treatments.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location or acquisition history of the human remains and associated funerary objects described in this notice.

Determinations

The TDEC–DOA has determined that:

- The human remains described in this notice represent the physical remains of 23 individuals of Native American ancestry.
- The 360 objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between the human remains and associated funerary objects described in this notice and the Absentee-Shawnee Tribe of Indians of Oklahoma; Alabama-Coushatta Tribe of Texas; Cherokee Nation; Eastern Band of Cherokee Indians; Eastern Shawnee Tribe of Oklahoma; Shawnee Tribe; The Muscogee (Creek) Nation; The Osage Nation; and the United Keetoowah Band of Cherokee Indians in Oklahoma.
