### Federal Aviation Administration

#### 14 CFR Part 71

[Docket No. FAA-2023-2269; Airspace Docket No. 23-ASO-4]

**RIN 2120-AA66**

### Amendment of Jet Routes and Domestic Very High Frequency Omnidirectional Range (VOR) Federal Airways and Revocation of VOR Federal Airway; Eastern United States; Correction

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Final rule; correction.

**SUMMARY:** The FAA is correcting a final rule published in the **Federal Register** on September 3, 2025. The final rule amends Jet Routes J-6, J-14, J-66, J-101, J-131, and J-180; amends Very High Frequency Omnidirectional Range (VOR) Federal Airways V-54, V-74, V-124, V-305, V-532, and V-573; and revokes VOR Federal Airway V-534 in the eastern United States. This action corrects a typographical error in the route description of VOR Federal Airway V-124.

**DATES:** The effective date of the final rule published in the **Federal Register** on September 3, 2025, remains 0901

UTC, November 27, 2025. The Director of the Federal Register approves this incorporation by reference action under 1 CFR part 51, subject to the annual revision of FAA Order 7400.11 and publication of conforming amendments.

**ADDRESSES:** FAA Order JO 7400.11K, Airspace Designations and Reporting Points, and subsequent amendments can be viewed online at [www.faa.gov/air-traffic/publications/](http://www.faa.gov/air-traffic/publications/). You may also contact the Rules and Regulations Group, Policy Directorate, Federal Aviation Administration, 600 Independence Avenue SW, Washington, DC 20597; telephone: (202) 267-8783.

#### SUPPLEMENTARY INFORMATION:

##### History

The FAA published a final rule in the **Federal Register** (90 FR 42528; September 3, 2025), amending Jet Routes J-6, J-14, J-66, J-101, J-131, and J-180; amending VOR Federal Airways V-54, V-74, V-124, V-305, V-532, and V-573; and revoking VOR Federal Airway V-534 in the eastern United States. On September 22, 2025, the final rule was included in an unrelated administrative correction action published in the **Federal Register** (90 FR 45324), updating the effective version of FAA Order JO 7400.11 for purposes of Incorporation by Reference.

Subsequent to publication of the final rule and unrelated correction, the FAA determined that in the route description of VOR Federal Airway V-124, the “T” was inadvertently omitted from the state abbreviation “TX” for the Bonham, TX (BYP), VOR/Tactical Air Navigation (VORTAC). In the Supplementary Information section, within the subsection entitled “The Rule”, which describes the action, the Bonham VORTAC state abbreviation was correctly listed as “TX”. This action corrects this error by amending the route description of VOR Federal Airway V-124 to indicate “From Bonham, TX,” as intended. Accordingly, the following corrections are effective November 27, 2025.

#### Correction to Final Rule

In FR Doc. 2025-16861, 90 FR 42528, September 3, 2025,

On page 42531, in the second column, in the line directly below the bolded text “V-124 [Amended]”, replace the

text “From Bonham, T;” with “From Bonham, TX;”.

[Docket No. FAA-2025-0141; Airspace Docket No. 24-AGL-23]

**RIN 2120-AA66**

### Amendment of VOR Federal Airways V-55, V-100, and V-277 in the Vicinity of Keeler, MI; Correction

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Final rule; correction.

**SUMMARY:** This action corrects a final rule published by the FAA in the **Federal Register** on September 3, 2025, amending Very High Frequency Omnidirectional Range (VOR) Federal Airways V-55, V-100, and V-277 due to the planned decommissioning of the VOR portion of the Keeler (ELX), MI, VOR/Distance Measuring Equipment (VOR/DME) in support of the FAA’s VOR Minimum Operational Network (MON) program. Specifically, this action administratively corrects errors within the description of V-55 in the final rule as published on September 3, 2025.

**DATES:** The effective date of the final rule published in the **Federal Register** on September 3, 2025, remains 0901 UTC, November 27, 2025. The Director of the Federal Register approves this incorporation by reference action under 1 CFR part 51, subject to the annual revision of FAA Order 7400.11 and publication of conforming amendments.

**ADDRESSES:** FAA Order 7400.11K, Airspace Designations and Reporting Points, and subsequent amendments can be viewed online at [www.faa.gov/air-traffic/publications/](http://www.faa.gov/air-traffic/publications/).
