[OMB 3060–1222; FR ID 317014]

### Information Collection Being Submitted for Review and Approval to Office of Management and Budget

**AGENCY:** Federal Communications Commission.

**ACTION:** Notice and request for comments.

**SUMMARY:** As part of its continuing effort to reduce paperwork burdens, as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal Agencies to take this opportunity to comment on the following information collection. Pursuant to the Small Business Paperwork Relief Act of 2002, the FCC seeks specific comment on how it might “further reduce the information collection burden for small business concerns with fewer than 25 employees.” The Commission may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

**DATES:** Written comments and recommendations for the proposed information collection should be submitted on or before December 17, 2025.

**ADDRESSES:** Comments should be sent to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). **SUPPLEMENTARY INFORMATION:** As part of its continuing effort to reduce paperwork burdens, as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501–3520), the FCC invited the general public and other Federal Agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission’s burden estimates; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology. Pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107–198, see 44 U.S.C. 3506(c)(4), the FCC seeks specific comment on how it might further reduce the information collection burden for small business concerns with fewer than 25 employees.

**OMB Control Number:** 3060–1222.

**Title:** Incarcerated People’s Communications Services (IPCS) Provider Annual Reporting, Certification, and Other Requirements, WC Docket Nos. 23–62, 12–375.

**Form Number(s):** FCC Form 2301(a) and FCC Form 2301(b).

**Type of Review:** Revision of a currently approved information collection.

**Respondents:** Business or other for-profit.

**Number of Respondents and Responses:** 35 respondents; 43 responses.

**Estimated Time per Response:** 5–240 hours.

**Frequency of Response:** Annual reporting and certification reporting requirements, third party disclosure requirements, and on-occasion reporting requirements.

**Obligation to Respond:** Mandatory. Statutory authority for this collection of information is contained in sections 1, 2, 4(i)–(j), 5(c), 201(b), 218, 220, 225, 255, 276, 403, and 716 of the Communications Act of 1934, as amended, 47 U.S.C. 151, 152, 154(i)–(j), 155(c), 201(b), 218, 220, 225, 255, 276, 403, and 617, and the Martha Wright-Reed Just and Reasonable Communications Act of 2022, Public Law 117–338, 136 Stat. 6156.

**Total Annual Burden:** 10,565 hours.

**Total Annual Cost:** No cost.

**Needs and Uses:** This notice addresses the paperwork burdens associated with the alternate pricing plan rules that the Commission adopted to implement the Martha Wright-Reed Just and Reasonable Communications Act of 2022 (Martha Wright-Reed Act or the Act). That Act expands the Commission’s statutory authority over communications between incarcerated people and the non-incarcerated to include “any audio or video communications service used by inmates . . . regardless of technology used.” The new Act also amends section 2(b) of the Communications Act of 1934, as amended (Communications Act), to make clear that the Commission’s authority extends to intrastate as well as interstate and international communications services used by incarcerated people.

The Act directs the Commission to “promulgate any regulations necessary to implement” it, including the mandate that the Commission establish a “compensation plan” ensuring that all rates and charges for IPCS “are just and reasonable,” not earlier than 18 months and not later than 24 months after the Act’s January 5, 2023 enactment date. Pursuant to that directive, on July 22, 2024, the Commission released the *2024 IPCS Order*, FCC 24–75, 89 FR 77244 (Sept. 20, 2024), which fundamentally reforms the regulation of IPCS in all correctional facilities, regardless of the technology used to deliver these services, and significantly lowers the IPCS rates that incarcerated people and their loved ones will pay.

The *2024 IPCS Order* adopted new rules permitting IPCS providers to offer incarcerated people and their friends and family IPCS via optional “alternate pricing plans,” subject to clearly defined safeguards. To help ensure that consumers who enroll in the plans

benefit from them and that IPCS providers do not use such plans to otherwise evade the Commission's IPCS rules, the Commission required that the plans comply with the general rules applicable to all IPCS in addition to specific consumer protection and disclosure rules for alternate pricing plans. This Notice seeks public comment on whether OMB should approve the paperwork burdens associated with those rules, which will be codified at 47 CFR 64.6140(c) and (d), (e)(2) through (4), and (f)(2) and (4). We are also seeking comment on whether OMB should renew the previously-approved paperwork requirements in this collection. *See* 90 FR 45151 (Sept. 19, 2025).

### Information Collection Being Reviewed by the Federal Communications Commission Under Delegated Authority

**AGENCY:** Federal Communications Commission.

**ACTION:** Notice and request for comments.

**SUMMARY:** As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

**DATES:** Written PRA comments should be submitted on or before January 16, 2026. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

**ADDRESSES:** Direct all PRA comments to Nicole Ongele, FCC, via email [PRA@fcc.gov](mailto:PRA@fcc.gov) and to [nicole.ongele@fcc.gov](mailto:nicole.ongele@fcc.gov).

**FOR FURTHER INFORMATION CONTACT:** For additional information about the information collection, contact Nicole Ongele, (202) 418-2991.

**SUPPLEMENTARY INFORMATION:**

*OMB Control Number:* 3060-0862.

*Title:* Handling Confidential Information.

*Form Number:* N/A.

*Type of Review:* Extension of a currently approved collection.

*Respondents:* Business or other for-profit entities; Not-for-profit institutions; Federal Government; and State, Local, or Tribal Government.

*Number of Respondents and Responses:* 2,400 respondents; 2,400 responses.

*Estimated Time per Response:* 1-2 hours.

*Obligation to Respond:* Required to obtain or retain benefits. The statutory authority for this collection of information is contained in 5 U.S.C. 552(b)(4), 18 U.S.C. 1905, and 47 U.S.C. 154(i).

*Frequency of Response:* On occasion reporting requirement; recordkeeping and third party disclosure requirements.

*Total Annual Burden:* 4,300 hours.

*Total Annual Cost:* No Cost.

*Needs and Uses:* On August 4, 1998, the FCC released a Report and Order (R&O), Examination of Current Policy Concerning the Treatment of Confidential Information Submitted to the Commission, CG Docket No. 96-55. The R&O included a Model Protective Order (MPO) that is used, when appropriate, to grant limited access to information that the Commission determines should not be routinely available for public inspection. The party granted access to the confidential information materials must keep a written record of all copies made and provide this record to the submitted of the confidential materials upon request.

This approach was adopted to facilitate the use of confidential materials under an MPO, instead of restricting access to materials. In addition, the FCC amended 47 CFR 0.459(b) to set forth the type of information that should be included when a party submits information to the Commission for which it seeks confidential treatment. This listing of types of information to be submitted was adopted to provide guidance to the public for confidentiality requests.
