The Honorable Mike Johnson
Speaker of the House
U.S. House of Representatives
H-209, The Capitol
Washington, DC 20515

Dear Mr. Speaker:

Pursuant to the reporting requirements of Section 36(b)(5)(C) of the Arms Export Control Act (AECA), as amended, we are forwarding Transmittal No. 24-0J. This transmittal notifies a cost increase in excess of the total value previously described in the Section 36(b)(1) AECA certification 20-76 of September 24, 2020.

Sincerely,

Michael F. Miller
Acting Director

Transmittal No. 24-0J

**REPORT OF ENHANCEMENT OR
UPGRADE OF SENSITIVITY OF
TECHNOLOGY OR CAPABILITY (SEC.
36(b)(5)(C), AECA)**

(i) *Purchaser:* Government of the United Kingdom.

(ii) *Sec. 36(b)(1), AECA Transmittal No.:* 20-76.

Date: September 24, 2020.

Implementing Agency: Air Force.

(iii) *Description:* On September 24, 2020, Congress was notified by congressional certification transmittal number 20-76 of the possible sale, under Section 36(b)(1) of the Arms Export Control Act, of follow-on C-17 aircraft Contractor Logistical Support (CLS) to include aircraft component spare and repair parts; accessories; publications and technical documentation; software and software support; U.S. Government and contractor engineering, technical and logistical support services; and other related elements of logistical and program support. The total estimated program cost was \$401.3 million. There

was no Major Defense Equipment (MDE) associated with this sale.

On May 23, 2023, Congress was notified by congressional certification transmittal number 0G-23 of the addition of \$0.7 million in non-MDE beyond what was originally notified, as well as the following non-MDE items: Mission Computer Displays and keyboards; additional spare parts, consumables, and accessories and repair and return support; and GPS receivers. The total cost of the new non-MDE articles was \$3.4 million. The total case value increased to \$405.4 million. There continued to be no MDE associated with this sale.

This transmittal notifies an increase in non-MDE value by \$654.6 million, due to recent cost increases. This will result in a new non-MDE and overall total case value of \$1.06 billion. There continues to be no MDE associated with this potential sale.

(iv) *Significance:* Recent cost increases have brought about the need to add value to the original notification. The proposed sale will improve the United Kingdom's capability to meet current and future threats by ensuring

the operational readiness of the Royal Air Force. Its C-17 aircraft fleet provides strategic airlift capabilities that directly support U.S. and coalition operations around the world.

(v) *Justification:* This proposed sale will support the foreign policy and national security objectives of the United States by improving the security of a key NATO Ally that is an important force for political stability and economic progress in Europe.

(vi) *Date Report Delivered to Congress:* August 14, 2024

**REPORT OF ENHANCEMENT OR
UPGRADE OF SENSITIVITY OF
TECHNOLOGY OR CAPABILITY (SEC.
36(B)(5)(C), AECA)**

(i) *Purchaser:* Government of Australia

(ii) *Sec. 36(b)(1), AECA Transmittal No.:* 23-84

Date: December 1, 2023

Implementing Agency: Navy

(iii) *Description:* On December 1, 2023, Congress was notified by congressional notification transmittal number 23-84, of the possible sale, under Section 36(b)(1) of the Arms Export Control Act, of articles and services in support of the Trilateral AUKUS Pillar I program. Included were training devices, personnel training,

planning, and Non-Recurring Engineering (NRE) services; support equipment; special tools; training software/and courseware; design; supply chain and industrial base support; facilities and construction support; publications and technical documentation; personnel training and training equipment; U.S. Government and contractor engineering, technical, and logistics support services; test and trials support; studies and surveys; other related elements of engineering, and repair services for associated equipment and program support; and other related elements of logistic and program support. U.S. training of private Australian industry personnel will occur only after explicitly authorized by the U.S. Department of

State under U.S. law. The total estimated value was \$2 billion. There was no Major Defense Equipment (MDE) associated with this sale.

This transmittal reports the addition of the following non-MDE items: planning analysis and proposed training requirements for military personnel, government civilians, and non-dual national contractors; and consultation, analysis, vendor support, design support, and additional efforts required by the Australian Submarine Agency (ASA) to sustain, operate, maintain, design, and build sovereign nuclear submarines. There is no MDE being reported with this notification, and as such the total MDE value remains \$0. The total estimated cost of the new non-MDE is \$145 million; however, this will

not result in a net increase in the estimated total cost of non-MDE. The total case value remains \$2 billion.

(iv) *Significance*: The proposed articles and services will support Australia to effectively maintain its force projection capability and enhances interoperability with U.S. forces well into the future.

(v) *Justification*: This proposed sale will support the foreign policy and national security objectives of the United States. Australia is one of our most important allies in the Western Pacific. The strategic location of this political and economic power contributes significantly to ensuring peace and economic stability in the region. It is vital to the U.S. national interest to assist our ally in developing and maintaining a strong and ready self-defense capability.

(vi) *Sensitivity of Technology*: The highest level of classification of defense articles, components, and services included in this potential sale is SECRET.

(vii) *Date Report Delivered to Congress*: August 13, 2024
