PCU00RP14.R50000]**Notice of Inventory Completion: San
José State University, San José, CA****AGENCY:** National Park Service, Interior.
ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), San José State University has completed an inventory of human remains and has determined that there is a cultural affiliation between the human remains and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains in this notice may occur on or after December 18, 2025.

ADDRESSES: Send written requests for repatriation of the human remains in this notice to Alisha Ragland, San José State University, One Washington Square, San José, CA 95192, email alisha.ragland@sjsu.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of San José State University, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing one individual have been identified. No associated funerary objects are present.

One document associated with the human remains lists their origination from Maui, Hawaii, from the late Pleistocene.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains described in this notice.

Determinations

San José State University has determined that:

- The human remains described in this notice represent the physical remains of one individual of Native Hawaiian ancestry.
- There is a connection between the human remains described in this notice and the Hui Iwi Kuamo'o.

Requests for Repatriation

Written requests for repatriation of the human remains in this notice must be sent to the authorized representative identified in this notice under

ADDRESSES: Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains described in this notice to a requestor may occur on or after December 18, 2025. If competing requests for repatriation are received, San José State University must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains are considered a single request and not competing requests. San José State University is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and any other consulting parties.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: September 30, 2025.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), San Diego State University (SDSU) has completed an inventory of associated funerary objects and has determined that there is a cultural affiliation between the associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the associated funerary objects in this notice may occur on or after December 18, 2025.

ADDRESSES: Send written requests for repatriation of the associated funerary objects in this notice to Jaime Lennox, San Diego State University, 5500 Campanile Drive, San Diego, CA 92182, email jlennox@sdsu.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of SDSU, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

The seven lots of associated funerary objects (representing approximately 750+) are one lot lithics, one lot unworked shell, one lot non-human faunal, one lot ground stone, one lot ceramics, one lot historic items, and one lot soil samples. The associated funerary objects were collected from site CA-SDI-5612 (W-1667, San Dieguito Estates) located in San Diego County, California in 1980 via excavation by cultural resource management firm RECON for the Pardee Construction Company as part of the San Dieguito Estates Project. SDSU received the collection in 1984 and assigned the collection accession number SDSU-0039 (CMP-SDSU-0039). Human remains from the site representing, at least, one individual were published in a Notice of Inventory Completion in the **Federal Register** on December 18, 2000 (65 FR 79120) and amended on September 11, 2025 (90 FR 44095). It is unknown whether any potentially hazardous substances were used to treat the associated funerary objects.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location or acquisition history of the associated funerary objects described in this notice.

Determinations

SDSU has determined that:

- The seven lots of objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between the associated funerary objects described in this notice and Campo Band of Dieguelo Mission Indians of the Campo Indian Reservation, California; Capitan Grande Band of Dieguelo Mission Indians of California (Barona Group of Capitan Grande Band of Mission Indians of the Barona Reservation, California; Viejas (Baron Long) Group of Capitan Grande Band of Mission Indians of the Viejas Reservation, California; Ewiiapaayp Band of Kumeyaay Indians, California; Lipay Nation of Santa Ysabel, California; Inaja Band of Dieguelo Mission Indians of the Inaja and Cosmit Reservation, California; Jamul Indian Village of California; La Posta Band of Dieguelo Mission Indians of the La Posta Indian Reservation, California; Manzanita Band of Dieguelo Mission Indians of the Manzanita Reservation, California; Mesa Grande

Band of Dieguelo Mission Indians of the Mesa Grande Reservation, California; San Pasqual Band of Dieguelo Mission Indians of California; and the Sycuan Band of the Kumeyaay Nation.

Requests for Repatriation

Written requests for repatriation of the associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the associated funerary objects described in this notice to a requestor may occur on or after December 18, 2025. If competing requests for repatriation are received, SDSU must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the associated funerary objects are considered a single request and not competing requests. SDSU is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and any other consulting parties.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of SDSU and DPW, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing, at least, one individual have been identified. The five lots of associated funerary objects (representing approximately 1,160 objects) are one lot shell, one lot historic items, one lot soil samples, one lot lithics, and one lot groundstone. The human remains and associated funerary objects were collected from site CA-SDI-215 (San Elijo Lagoon) located in San Diego County, California via excavation by DPW in 1981. SDSU received the cultural items removed from the site by DPW in 2007 and assigned accession number SDSU-0693 (CMP-SDSU-0693); DPW retained legal control of the human remains. At an unknown date, the majority of the human remains were reburied. DPW sent samples of the human remains and associated soil matrix to the University of California Riverside in 1982; the remains and soil were subsequently transferred to SDSU in 2025 to be reunited with the rest of the collection. It is unknown whether any potentially hazardous substances were used to treat the associated funerary objects or the human remains.
